## COMPANY PROFILE

Your Trusted Partner in  
Container Transportation

KOLKATA • DELHI • GUWAHATI

# EXECUTIVE SUMMARY

## Who We Are

SVN Logistics is a modern, asset-owned container truck operator serving India's most demanding supply chains. Founded in 2025, we bring two decades of logistics expertise and a commitment to operational excellence.

Our fleet of 25+ modern container trucks operates from strategic hubs in Kolkata, Delhi, and Guwahati—positioning us to serve manufacturers, FMCG companies, and infrastructure operators across Eastern, Northern, and Northeastern India.

## Our Competitive Edge

- ✓ **Asset-Owned Fleet**  
Full operational control, dedicated capacity
- ✓ **Tech-First Operations**  
100% GPS tracking, ERP-integrated systems
- ✓ **Regional Expertise**  
20+ years industry experience in critical corridors
- ✓ **B2B Specialization**  
Dedicated to business partnerships
- ✓ **Reliability Record**  
99%+ on-time delivery performance

# MISSION & VISION

## OUR MISSION

To deliver punctual, secure, and transparent logistics solutions that empower manufacturers and distributors to scale their operations without supply chain constraints.

We commit to operational excellence, technological advancement, and partnerships built on trust.

## OUR VISION

To modernize Indian logistics through punctuality, technological innovation, and the reliability of an asset-owned operator.

We envision becoming the trusted logistics partner of choice for India's most demanding supply chains enabling businesses to compete globally without logistics friction.

*"YOU DREAM. WE DELIVER."*

- ERP-integrated shipment documentation
- Complete liability coverage

Safety First  
Zero-Tolerance Policy

Compliant  
Operations  
Exceeding Standards

24/7 Visibility  
Real-Time Accountability

# OUR VALUES

The Principles That Define SVN Logistics

## Reliability

We operate with consistent timelines, proactive updates, and exceptionally dependable execution.

## Transparency

Real-time tracking, clear communication, honest pricing. No hidden fees. No vague updates.

Your supply chain deserves visibility.

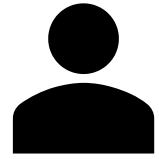

## Innovation

Modern tools and optimized routes to keep your logistics fast, efficient, and competitive.

*"These values guide every decision, every shipment, every customer interaction."*

# LEADERSHIP TEAM

The team that drives SVN Logistics

## Vikash Kumar Choudhury

Founder & Director

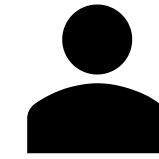

Vikash brings over two decades of hands-on experience in India's logistics and transportation sector. With deep expertise in supply chain management, he has built extensive relationships across Eastern and Northeastern India. His vision of creating a system-driven logistics company has been instrumental in establishing SVN Logistics as a trusted partner for India's logistics needs. Under his leadership, the company maintains its unwavering commitment to operational excellence and customer satisfaction.

## Satyam Kumar Choudhury

Managing Director

Satyam is the driving force behind SVN Logistics' growth strategy and digital transformation initiatives. With a sharp focus on technology adoption and market expansion, he oversees business development, and the company's tech-first operational approach. Satyam's analytical mindset and forward-thinking vision have been pivotal in implementing GPS tracking systems, ERP integration, and data-driven route optimization across the fleet.

## Asish Mondal

Regional Sales Manager

Asish leads SVN Logistics' sales and client acquisition efforts across India, bringing 10+ years of experience in logistics sales and key account management. With a proven track record of building lasting partnerships with manufacturers and distributors, he plays a critical role in expanding SVN's client portfolio. His deep understanding of regional supply chain challenges and solution-oriented approach makes him an invaluable asset to the leadership team.

*"These values guide every decision, every shipment, every customer interaction."*

# FLEET & INFRASTRUCTURE
