HAUSCORE

THE INSPECTION YOU CAN TRUST

HAUSCORE

Professional pre-purchase house inspection and scoring service designed to help buyers understand the true condition of a property before making a decision

We identify existing defects, maintenance needs, and potential risks, then translate them into a clear, easy-to-understand house score

WE UNDERSTAND YOU

Buying a house without a professional inspection can lead to costly surprises
Many defects are hidden behind finishes and only appear after purchase

HAUSCORE helps you to avoid uncertainty by revealing the real condition of the property in advance

WHAT IS HAUSCORE?

A structured property inspection service that evaluates the condition of residential buildings through technical checks, visual assessments, and performance indicators

Each property is analyzed using standardized criteria and rated with a clear score that reflects its overall condition

Inspections are focused on safety, performance, and long-term maintenance considerations
