# PHOTO GRAPHY

- **Photography & short-form video**
- **Portrait, fashion, lifestyle, travel and event photography, plus short video clips suitable for social media, websites and campaigns.**
- **Healthy lifestyle & yoga integration**
- **I guide clients into relaxed, natural poses through breath, movement and simple posture cues, so our sessions feel more like a mindful experience than a stiff photoshoot.**
- **Experiences for tourists in Vienna**
- **Custom photo walks through beautiful Vienna locations (cafés, hidden streets, iconic landmarks), combined with local tips on coffee, fashion and slow travel.**
- **Content creation for brands**
- **Visual concepts and content packages for wellness, fashion, tourism and lifestyle brands that want authentic, human-centered storytelling in photo and video.**

## Portfolio

I am a Vienna-based creator and business development strategist with a global pulse. With a background in international sales and a mastery of German, English, and Russian, I don't just create beautiful imagery—I build visual tools designed for market expansion. At Matchwork Vienna, I combine cinematic production with a results-oriented sales mindset to help your brand negotiate, connect, and grow on a global scale.

# ABOUT ME

Portfolio

# VISION

To be the ultimate global partner for brands that demand more than just content—positioning but as the intersection where world-class creativity meets measurable international business success.

Content and  
Representations  
around the world

To bridge the gap between cinematic storytelling and global business growth. We provide brands with the strategic visual assets and international market expertise needed to build trust, navigate cultural nuances, and drive revenue across borders

# MISION

# WORK EXPERIENCE

## International Business Consultant

Drove international client acquisition and managed high-value accounts within a global framework. Represented the company at international trade fairs and conferences, delivering high-impact product. Representations and leading contract negotiations.

## Experience Creator in Vienna

- Established and scaled a boutique brand catering to
- international and private high-net-worth individuals.
- Spearheaded business development through strategic
- social media marketing and web presence.
- Orchestrated and marketed premium retreats, workshops,
- and bespoke private coaching programs.
- 

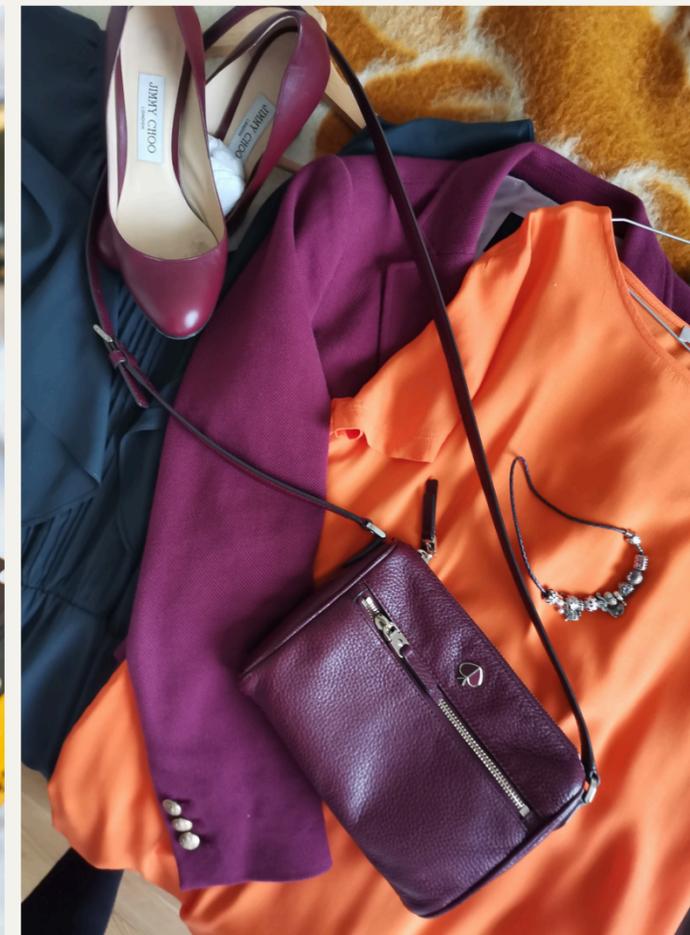

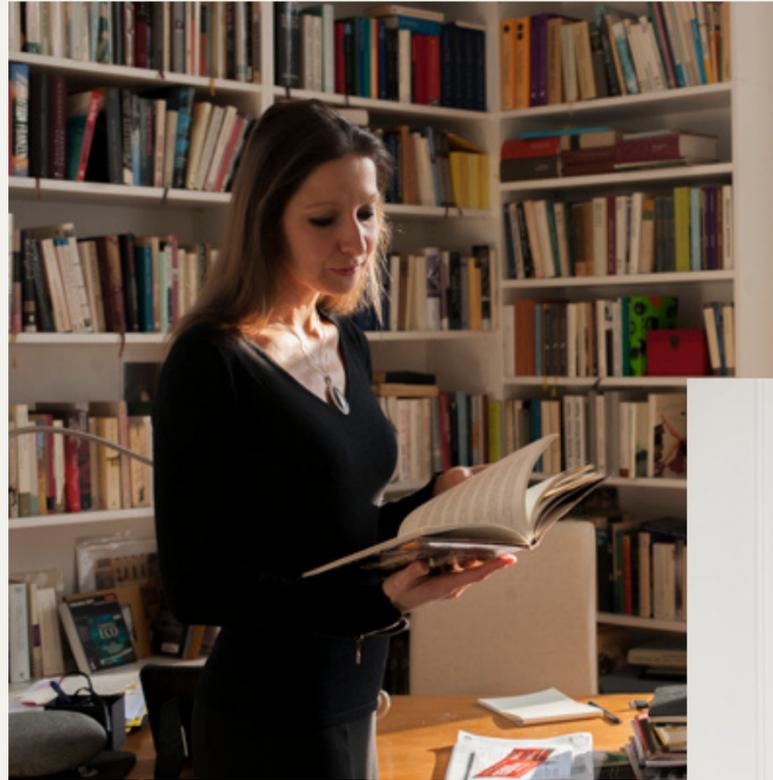

## Photographer and Story Teller

I navigate the intersection of strategic business development and creative production. A keen eye for visual storytelling, I build global sales frameworks that are as culturally nuanced as they are visually compelling. I don't just position brands; I tell their stories to the world

# WHY COOPERATE WITH ME?

**Based in Vienna with a borderless mindset, I sit at the intersection of High-End Cinematic Production and Strategic Sales. With a background in international business development and fluency in German, English, and Russian, I help brands navigate cultural nuances and enter new markets through powerful, purpose-driven visuals.**

**Don't just create content. Create an impact. Leverage international sales expertise and cinematic production to reach your next revenue milestone. From Vienna to the world—let's get to work.**

- **Need a production partner who speaks the language of your market—and your business?**

**I'm available for projects in Vienna, across Europe, and for international bookings.**
