DESIGNS THAT DELIGHT

# ABOUT US

Delight Design offers event decoration and personalized details for birthdays, baby showers, bridal showers, school events, daycare celebrations, private parties, and special occasions in Montreal and Greater Montreal.

We create balloon setups, themed table details, floral touches, custom vinyl designs, personalized party items, and printed decorations to help each event feel thoughtful and beautifully put together.

A large, soft, pink watercolor splash or cloud-like shape is centered on a white background. The splash has irregular, feathered edges and a gradient of light pink to a slightly darker pink in the center.
