### Rebel Alliance Zine

Welcome to the Resistance! You've taken your first step towards securing freedom for yourself and your community.

In this volume, we'll focus on online security, alternative communication options, and ways to support organizations that take care of those with the most need. Remember this is just a starting point. See how many other resources you can find out there.

We've partnered with the Bajorans of the Alpha Quadrant to get the word out. Head on over to <https://BajoranResistance.info> to find our free digital and printable resources.

### Alternative Technology

- **fulu.org/** - Resources borne from the Right to Repair movement. Articles on how to fix your own stuff!
- **consumerrights.wiki/** - think Wikipedia for Consumer Rights information. The community contributes, moderates, and maintains useful articles.
- **wiki.futo.org/** - an extensive guide to move to a self managed computer environment. Includes network, backup storage, and linux.
- **calyxinstitute.org/** - a nonprofit org that offers hotspots, phones, software, and other secure ways for people to access the Internet and each other.
- **phreeli.com/** - a privacy first cell phone provider. Same founder as Calyx Institute, focusing on collecting as little of your info as possible.
