

Bday Commercial Pro

The Architectural Standard for High-Traffic Excellence

Target Markets: Not Limited to: Hospitality (Boutique to Global), Senior Living Facilities, Multi-Family Developments, Offices and Wellness Centers.

Reliability by Design: The Commercial Pro is specifically engineered for high traffic facilities providing a seamless balance of premium guest comfort and industrial-grade durability.

1. Comfort & User Experience

- **Triple-Warm™ System:** Consistent, adjustable warmth for the seat, water, and air-dryer.
- **Simple-Point Controls:** An intuitive interface designed for universal ease of use across all age ranges and guest types.
- **Atmospheric Night-Sight:** An integrated interior blue LED light for bowl visibility and guest safety during nighttime use.
- **Quiet-Close Lid:** Slow-close hydraulic lid mechanism to prevent slamming and reduce noise in shared living environments.

2. Architectural & Hardware Specs

- **Slimline Profile:** A low-profile, modern design that integrates into existing bathroom aesthetics without the "bulky" look of standard bidets.
- **Magnetic Controller Dock:** A secure magnetic attachment for the controller, featuring a **discrete cable architecture** for a clean, cordless appearance.

- **Stainless Steel Mounting:** Includes a heavy-duty stainless steel mounting bracket and premium hardware for a permanent, shift-free installation.
- **Easy-Clean Surface:** Designed with minimal seams and antimicrobial materials to facilitate rapid housekeeping turnover.

3. Installation & Technical Data

Feature	Specification
Power Supply	120V Standard Outlet
Power Management	Optimized for limited consumption / Energy efficient
Cable Length	Extra-long power cable for versatile facility layouts
Plumbing Fitment	Universal 7/8" Metal Tee included
Install Time	Designed for "Easy-Install" rapid deployment by facility teams

The B2B Investment Case

The **Commercial Pro** is built for the "10+ Toilet" facility. By upgrading to Bday, managers can expect a significant reduction in paper waste, fewer plumbing service calls related to wipes, and a measurable increase in guest/resident satisfaction scores.

Bday today everyday.
