UNIONBUDGET SESSION-2026 - DAY 2

Subject: Reflections on the Hon'ble President's Address – Union Budget Session 2026

Date: 28 January 2026 **Place:** Vadodara

On behalf of INGROOWW Consultancy Pvt. Ltd., this letter summarises the deliberations of today's Union Budget Session 2026, conducted in alignment with the vision outlined in the Hon'ble President of India, Ms. Droupadi Murmu's address to Parliament.

The address reaffirmed India's commitment to inclusive growth, economic resilience, institutional reforms, and global leadership. These principles formed the foundation of today's discussion.

Key Reflections from Today's Session:

- Inclusive and equitable economic growth with a focus on farmers, MSMEs, women, youth, and marginalised communities.
- Strengthening India's global economic position through trade, exports, and investment-friendly policies.
- Manufacturing, infrastructure development, and employment generation.
- Innovation-led growth via digital economy and technology-driven governance.
- Sustainability, ESG-aligned development, and climate responsibility.
- Institutional strengthening and transparent governance reforms.

INGROOWW Consultancy believes the Union Budget 2026 will translate this constitutional vision into actionable fiscal and policy measures for inclusive and sustainable growth.
