UNTETHER LIFE
small trips, BIG IMPACT

Thank you so much for your interest in carrying the gospel of Christ outside your comfort zone. We are honored to share in this journey with you.

I met Jesus on a missions trip when I was 15. Although I was devoted in my faith, I lacked a personal connection with Him—until Jesus revealed Himself to me in a tangible way through that experience. Since then, I've never been the same. I've pursued the adventure of new cultures and perspectives, learning just how great, big, and global our God truly is.

Our Vision

To see the Body of Christ inspired and mobilized to love deeply, give selflessly, and build authentic community—so that every person can find their place within God's global family.

Our Mission

We design and lead intentional mission experiences that connect people with Jesus, deepen relationships with ministry partners, and cultivate long-term Kingdom impact—through the guidance of the Holy Spirit.

Whether you're a family, a group of friends, a youth team, or a church body, we'd love to help you explore what God may be calling you to this year. Let us partner with you to bring the gospel to the world—one trip, one act of love, and one life at a time.

Who We Serve

At Untether Life Missions, we exist to serve and support the Body of Christ in stepping out in faith to reach the nations. Whether you're sending your first team or expanding global partnerships, we come alongside you with vision, strategy, and logistical support.

We serve:

- Churches & Missions Leaders – equipping your congregation to engage in meaningful global outreach.
- Short-Term Mission Teams – designing impactful, Spirit-led experiences that prioritize presence over performance.
- Christian Nonprofits – aligning with your mission to expand reach and maximize local impact.
- Christian Schools & Youth Ministries – developing age-appropriate, transformational trips that spark lifelong faith and global awareness.
- Denominations & Networks – partnering with organizations to mobilize teams and unify vision across churches.

We've had the joy of partnering with churches and ministries across the U.S. and globally, including work in:

Central America (Guatemala, El Salvador)

Europe (Russia)

Appalachia & underserved U.S. regions

No matter the size of your team or the scope of your vision, we are passionate about helping you go—prepared, prayerful, and purpose-driven.
