

Wood & Gesso Sculpture Service

Professional Art Restoration & Conservation

We offer professional cleaning and restoration services for artistic paintings on canvas, wood panel, paper, and other supports. Our team of certified conservators applies internationally recognized conservation standards to ensure the preservation and recovery of each artwork. Services are adapted to the size and complexity of each piece, from routine preventive cleaning to full structural restoration.

Reference Guide

Size Classification

Size	Dimensions
Small	Up to 30 cm
Medium	Up to 60 cm
Large	Up to 90 cm
Other	Individual quotation required, subject to availability.

Service Descriptions

Service	Description
Medium Restoration	Basic treatment to improve the condition and appearance of the piece. Includes careful cleaning, minor consolidation, and small localized repairs or retouching when needed. The goal is to stabilize the artwork and enhance its overall look while preserving its original state.
Complex Restoration	Comprehensive treatment for pieces with structural damage or significant losses. Includes specialized cleaning, consolidation, reassembly of fragments, reconstruction of missing areas, and colour reintegration. The aim is to restore stability and visual coherence while respecting the artwork's original character.

*All services include a technical data sheet

Pricing

*Artworks in materials not listed above, pieces exceeding the specified dimensions, or works of significant market value will require an individual quotation and are subject to availability.
