

# DOOR SCRIPT

**Hello, how are you today? Awesome, I didn't catch you at a bad time did I? Cool, I'll be super quick.**

**My name's [Name], I'm with [Company Name]. We're currently working with several of your neighbors after the recent hailstorm, I'm sure you're not surprised we're here!**

**The storm that came through [Storm Date] caused quite a bit of roof and siding damage for a lot of your neighbors in the area. Insurance companies are covering full roof replacements right now. Since we're already here in the neighborhood, we're offering free inspections to see if your home might qualify for the same coverage. Storms are weird, not everybody does.**

**When was the last time you had a detailed inspection done on your home? Okay, we're completing inspections for homeowners to document damage and potential loss. If it qualifies, we'll help guide you through the insurance process to get your home restored to like-new condition!**

**Do you see any reason not to get an inspection?**

**(Fill out appointment sheet then Schedule Appointment) Perfect, are mornings, afternoons, or evenings traditionally a good time for you and your spouse? Okay great, let me check the schedule. It looks like we have tomorrow at 4:00pm or later at 7pm work for y'all? 7pm, perfect I'll put you in that time slot.**

**Awesome! They'll take pictures and document any damage, and then sit down and show you exactly what's going on so you can decide what's best for your home. Fair enough?**

**Perfect, they'll be here at 7:00pm tomorrow, Have a great day!**
