A WORD FROM THE FOUNDER

As believers in Christ, we look forward to the second coming of Christ who has promised “Behold, I am making all things new.” Rev 21: It has been a very busy year for us at Kids Hope.

In addition to teaching regular classes at the school, two of our teaching staff were graduated with four-year degrees from Liberia International Christian College. Kids Hope School continues to grow in faculty capability and competency; this brings gratefulness to our hearts and praises on our tongues.

WORDS FROM OUR DIRECTOR

ARTHUR GWION JR.

Over the past year, I have observed the remarkable growth of Kids Hope Indianapolis Inc. in serving underprivileged children in Ganta, Liberia, making a significant difference in their lives and the lives of their families. Due to the generosity of our donors, we strive to raise funds to construct a 12-classroom school building and several offices. We owe our success to the donors' unwavering support, prayers, and dedication.

As the Director, I aspire to achieve more significant heights in 2024 by securing more donations and completing the school building. We are immensely grateful for your contributions, prayers, and time. Thank you for helping us make a difference in the lives of these children.

A WORD FROM EMMANUEL

Dear Brothers/Sisters in Christ,

On behalf of the teachers and Ebola orphans in Ganta, we want to extend our Appreciations to you for thinking about us and to be able to meet our needs especially during the Ebola era that have taken away many lives.

Therefore, it did not only claim lives, but also make living condition very difficult, for the private school teacher's , but through your help most of our problems are been solved little by little.

However, the fund was also able to build up the hope of orphans by meeting most of their basic need; we pray and hope that it will continue so that we can be in school.

Thanks,

Yours faithfully,
Emmanuel Roesler
