

KIDS HOPE INC INDIANAPOLIS

OUR MISSION

To build a strong foundation for orphans' future through the leadership of Christ And the community.

OUR IMPACT

70 orphan children sponsored

500 children's lives impacted

200 lunches provided a week

OUR STORY

KIDS HOPE INC INDIANAPOLIS began during the EBOLA CRISIS in West Africa, our hearts came to light for Ganta, Liberia, when we found 84 children having lost parents, entire families, and were abandoned.

Providing the children around the surrounding area and Kids Better Future Foundation Academy continued support. We have provided innovative technology, such as the World Possible library and several Raspberry Pi systems. We continue to provide these orphan children Education, Food, and various other supports centered around a faith based approach.
