Ismail Professional Consulting Company

info@ham-eng.com

My primary goal is to make our country a successful and leading model
.in the world on all fronts, and I will work with you to achieve this

The Custodian of the Two Holy Mosques, King Salman bin Abdulaziz Al Saud

General Manager's Message

Our vision at "Hashem Abdul Hakim Engineering Consultancy" is based on providing comprehensive services that combine innovation and quality. Since our inception, we have been committed to building a strong reputation based on hard work and continuous efforts to meet our clients' needs in the best possible way. We believe that engineering projects are more than just buildings; they are solutions that contribute to shaping the future. We promise to continue delivering excellence and working diligently to be your trusted partner in your projects.

Eng. Mathker Ayed Al-Badrani, Chairman of the Board

”

Saudi Vision 2030

Saudi Vision 2030 aims to diversify the economy and develop key sectors like infrastructure, energy, and tourism to build a thriving and ambitious nation.

Hashem Abdul Hakim Engineering Consultancy supports this vision by providing innovative and sustainable engineering solutions that align with national projects and future ambitions.

?Who are we

At Hashem Abdulhakim Engineering Consultancy, we specialize in offering innovative, all-encompassing solutions for a variety of urban development projects. From the initial planning and design stages to flawless execution and supervision, we deliver excellence at every step. With a team of skilled engineers and experts, we ensure the highest levels of quality and efficiency for our clients.

Purpose

To provide innovative engineering solutions that meet our clients' needs and contribute to the efficient and high-quality development of projects.

Goals

We aim to provide innovative engineering solutions that keep up with the latest developments in the field, ensuring the highest levels of quality and efficiency at all stages of execution. Additionally, we strive to foster long-term partnerships with our clients for mutual success.

شركة هاشم عبدالحكيم
إسماعيل للإستشارات المهنية

Our Vision

Vision 01

To be leaders in providing innovative and sustainable engineering solutions.

Vision 02

Commitment to quality and efficiency in every project phase.

Vision 03

Building trusted partnerships with our clients to realize their visions.

شركة هاشم عبدالحكيم
إسماعيل للإستشارات المهنية

Our Mission

Mission 01

Provide innovative engineering solutions that meet client needs.

Mission 02

Ensure high quality and sustainability in projects.

Mission 03

Adhere to the highest engineering and professional standards.

Our values

At **Hashem Abdulhakim Consulting Company**, we are proud to be part of the national engineering movement driven by the ambitious vision of Saudi Arabia's Vision 2030. A future full of prosperity, where expertise and sectors integrate to build modern, sustainable cities that reflect the aspirations of this great nation.

Innovation:

We are committed to
delivering new ideas and
creative solutions.

Quality :

We are committed to delivering the highest standards of quality in all our projects.

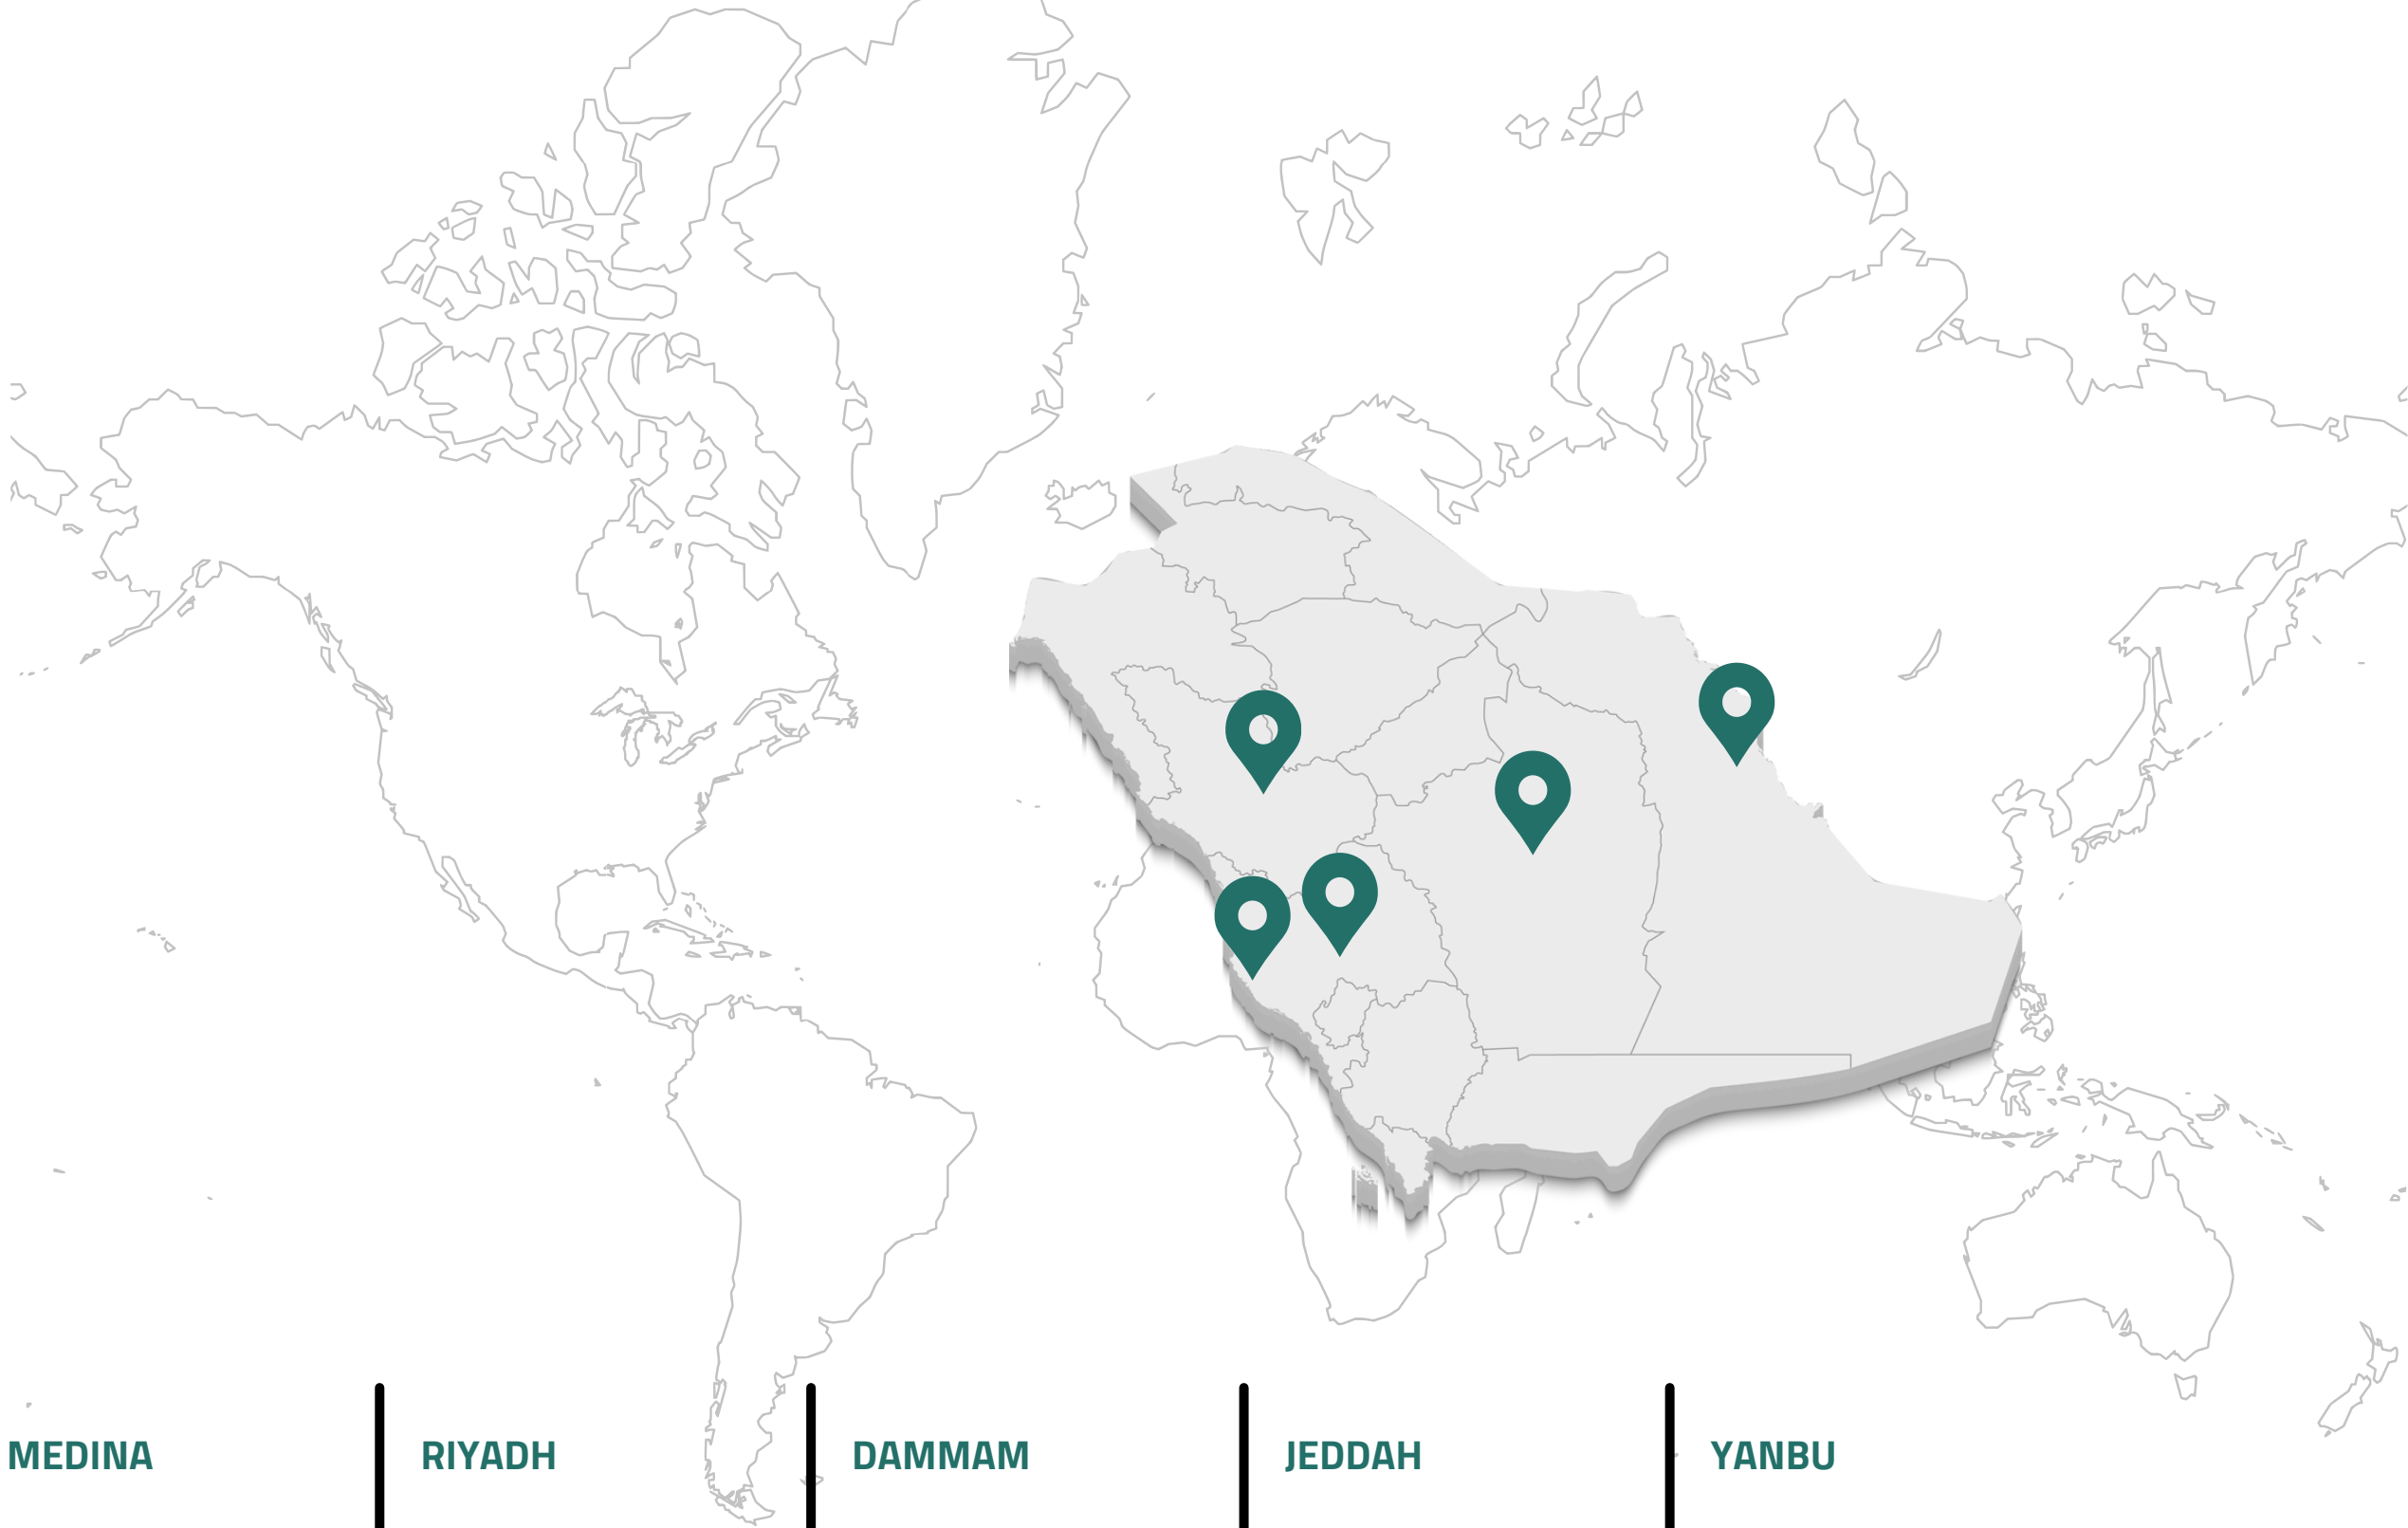

Responsibility:

We take responsibility
for our impact on the
environment and
society.

Transparency:

/ We engage with our partners and clients with clarity and credibility.

Our branches

Main branch
In **Medina**

MEDINA

01

The headquarters and central hub overseeing high-quality engineering and safety projects

RIYADH

02

A strategic branch engaged in major infrastructure, urban planning, and safety system projects

DAMMAM

03

Focused on industrial developments and safety initiatives in the Eastern Region

JEDDAH

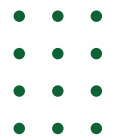

04

Manages advanced engineering projects with an emphasis on safety solutions in urban environments.

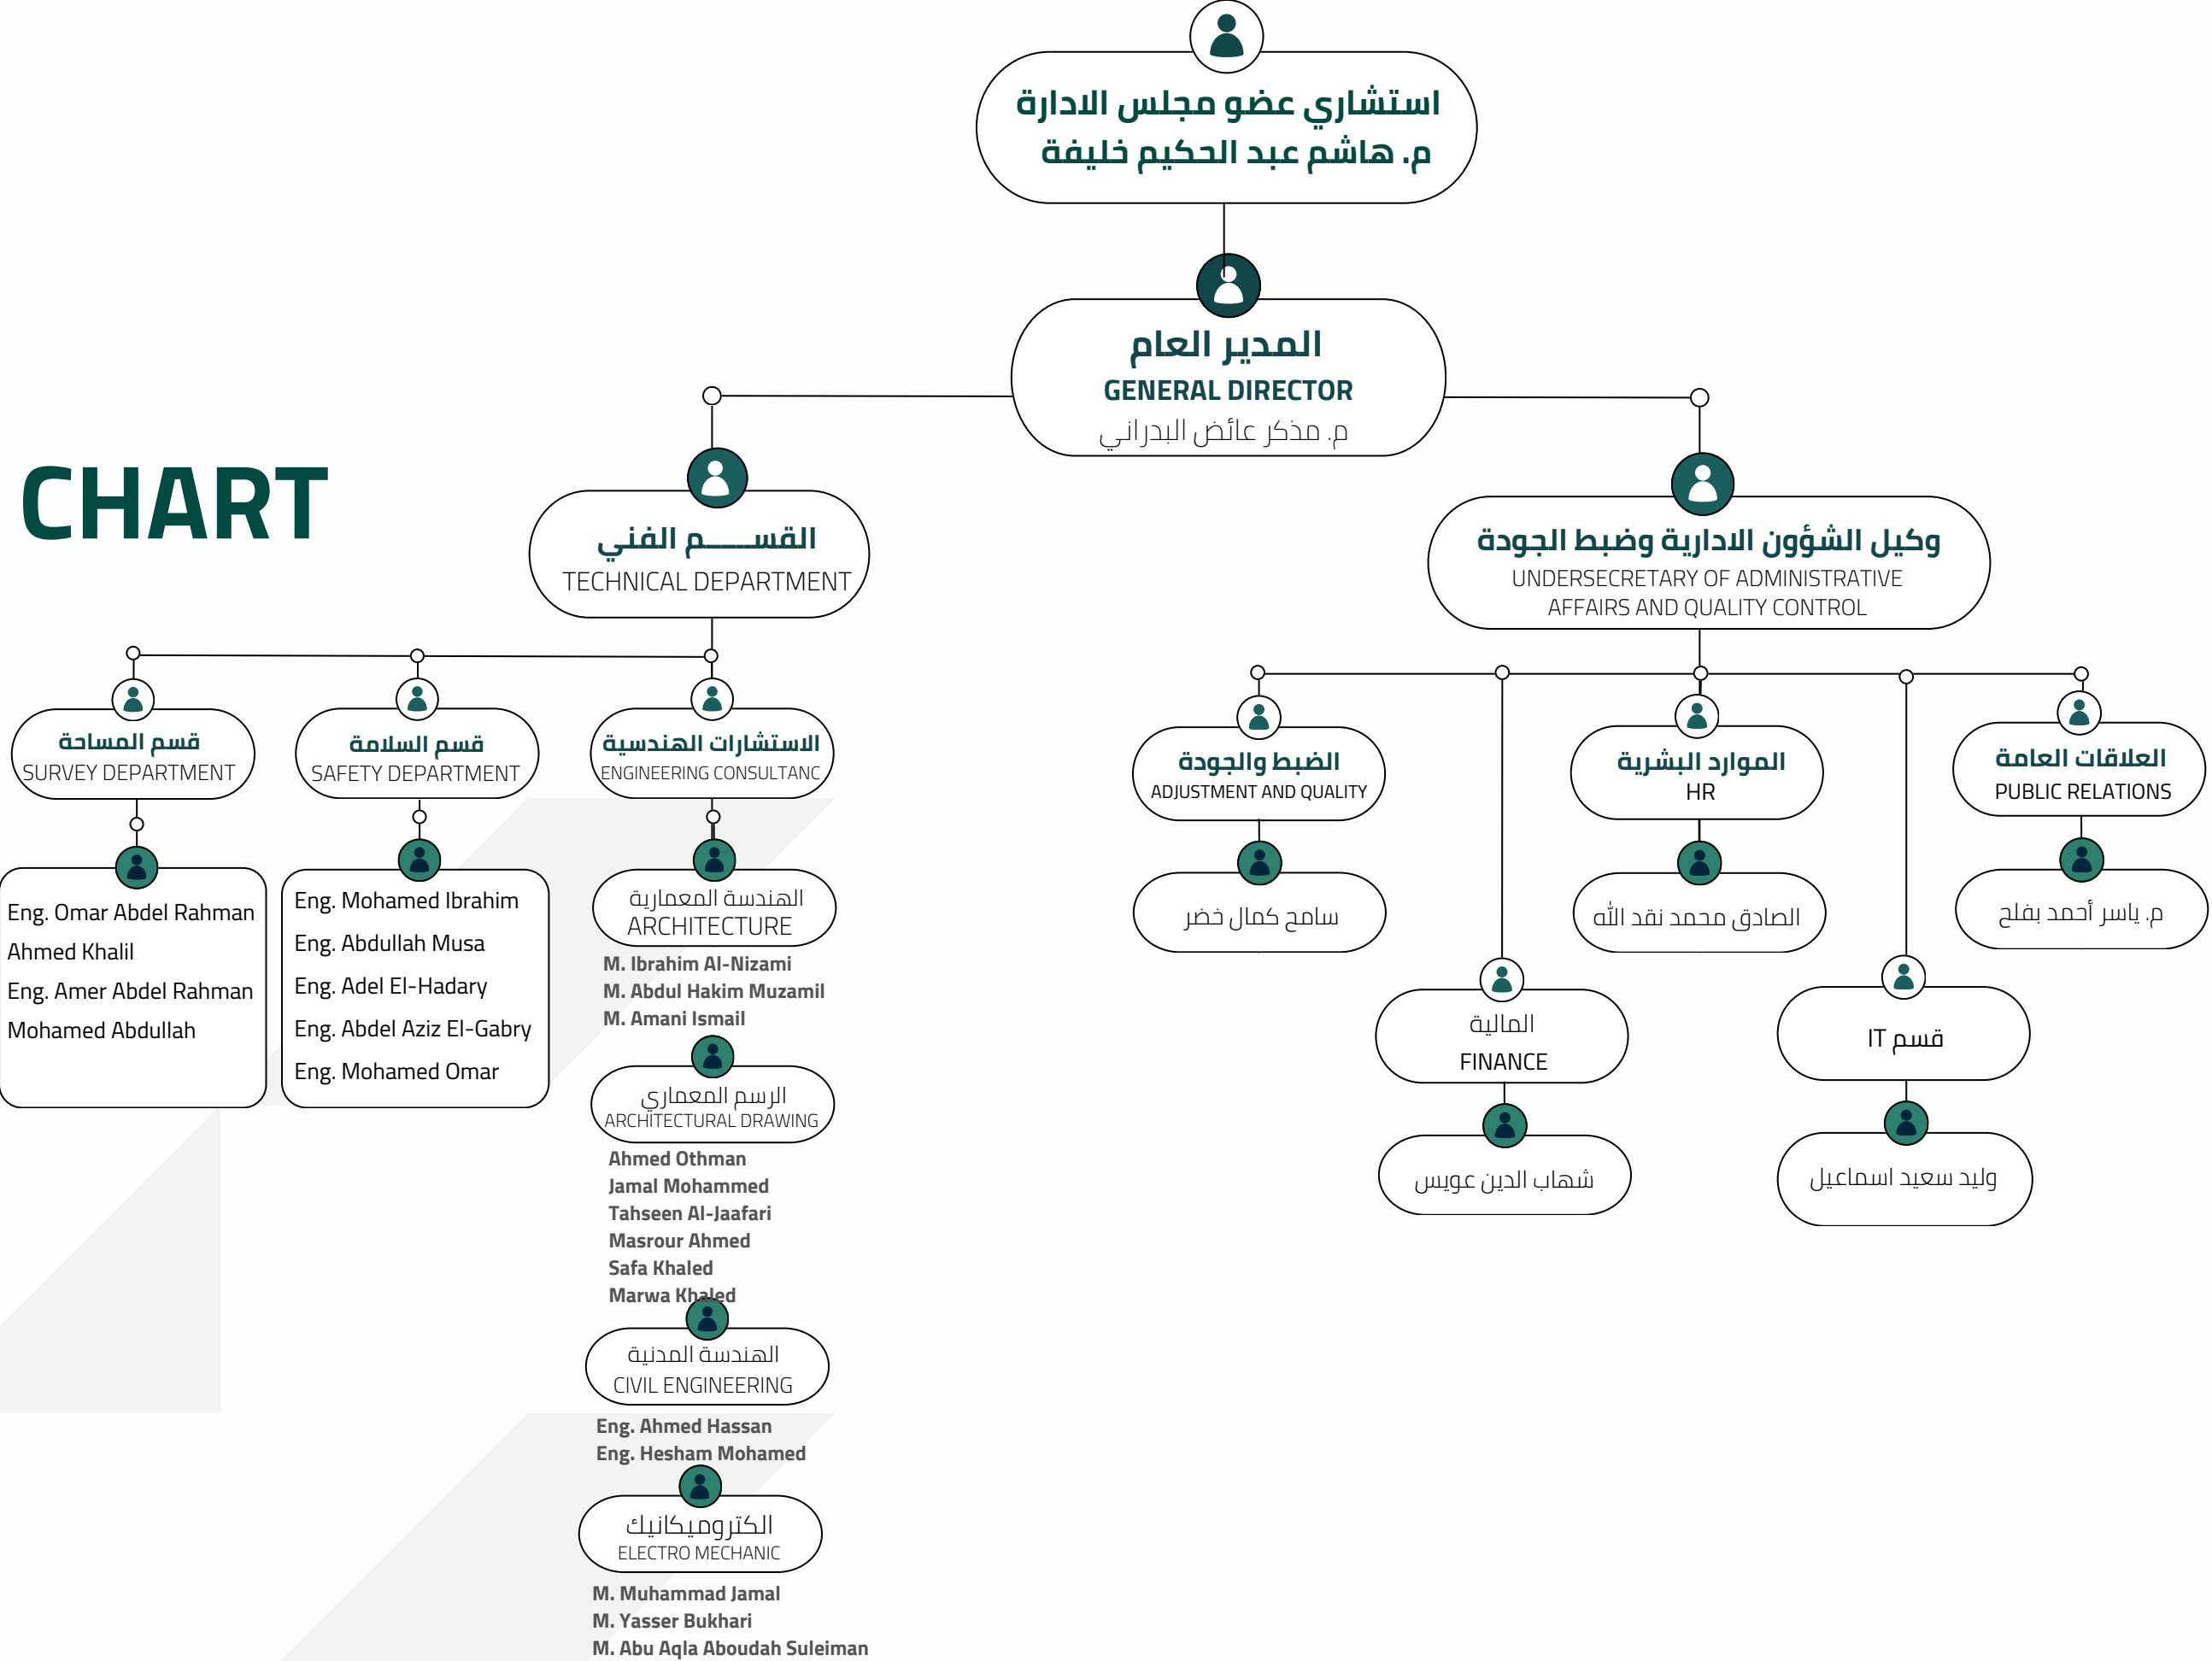

YANBU

05

Contributes to industrial and environmental projects, integrating safety systems and engineering excellence.
