Past Project

SIERRA RESIDENCY SELANGOR

A photograph of a modern interior space, likely a dining and kitchen area. In the foreground, there is a round, light-colored wooden dining table with four matching chairs that have light-colored upholstered seats and backs. The table is positioned in front of a kitchen area. The kitchen features white cabinetry, a dark countertop, and a large black refrigerator. The ceiling has recessed lighting. The overall design is clean and contemporary.
