To be a leading force in digital transformation and smart infrastructure solutions across Egypt and the region.

## **Mission:**

To empower organizations through intelligent, secure, and efficient systems designed by expert engineers.

## **Core Values:**

- Innovation & Excellence
- Customer Commitment
- Integrity
- Agility
- Sustainability

# Quality, Health, Safety & Environmental (QHSE)

- **Quality Policy:** ProAct is founded on the principle that there is no substitute for quality. We are committed to using efficient methods and adhering to all relevant international and local codes and standards on every project.
- **Health, Safety & Environment (HSE):** We uphold the highest standards of Health, Safety, and Environmental protection. Our comprehensive HSE policy is designed to exceed applicable Egyptian and international regulations, ensuring a safe workplace and sustainable operations.

# Core Solutions & Services

- Automation Systems
- Physical Security & Surveillance Systems
- Access Control & Parking Solutions
- Fire & Safety Systems
- Data Networks & Infrastructure
- Smart Cities & Smart Buildings
- Communication Systems
- Asset & Warehouse Management
- Warehouse Management
- Power Solutions

# Why Choose ProAct?

- **Tailored Solutions:**

Customized systems designed to meet your unique needs

- **Global Partnerships:**

Collaborations with leading international brands for cutting-edge technology

- **Customer-Centric Approach:**

Prioritizing quality, affordability, and on-time delivery

- **Expert Team:**

Experienced professionals delivering innovative and reliable solutions

# Products and Services (Parking Solutions)

- **Parking Management System**

Streamlines vehicle flow and payment processes for efficient parking operations.

- **Parking Guidance System**

Directs drivers to available parking spaces using real-time sensors and displays.

# Products and Services (Access Control Solutions)

High-speed, secure pedestrian access for commercial and public spaces:

- **Turnstile Speed Gates**

- **Turnstile Tripod Gates**

# Products and Services (Access Control Solutions)

Automated gates for residential and commercial properties, ensuring security and convenience:

- **Sliding Gates**
- **Swing Gates**
- **Car Barriers**

# Products and Services (Access Control Solutions)

Prevent the unauthorized vehicles and protect your premises:

- **Road Blockers**

- **Bollards**

# Products and Services (Access Control Solutions)

Secure entry points with keycard, biometric, or mobile-based access solutions:

- **Face Recognition**

- **Fingerprint**

# Products and Services (Security Systems)

- **CCTV Systems**

High-definition surveillance for real-time monitoring and safety

- **Security Gates with X-Ray & Metal Detectors**

Advanced screening for high-security environments like airports or government facilities

- **Under Vehicle Scanning System**

Detects threats beneath vehicles for enhanced security

# Products and Services (Safety & Alarm System)

- **Fire Alarm & Fire Fighting Systems**

Early detection and suppression systems to protect lives and property

- **Anti-Theft & Flood Alarm Systems**

Real-time alerts to prevent theft or water damage

- **Nurse Call & Disabled Alarm Systems**

Reliable communication systems for healthcare and accessibility

# Products and Services (Data & Network Solutions)

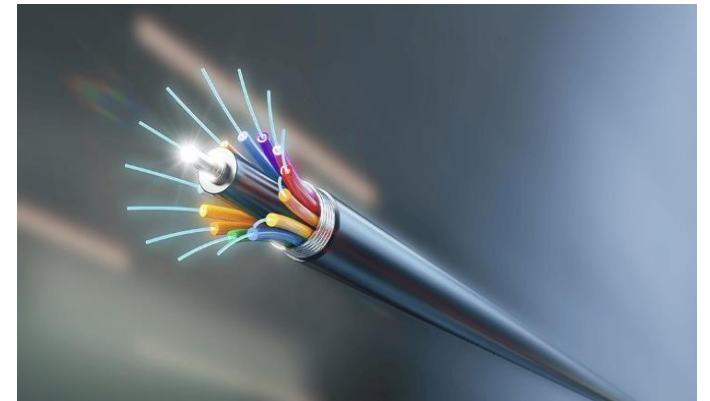

- **Active Data Systems & Data Centers**

Robust infrastructure for secure data storage and processing

- **Passive Data Networks & Fiber Networks**

High-speed, reliable connectivity for businesses

# Products and Services (Specialized Solutions)

- **Asset Management System**

Tracks and manages assets for operational efficiency

- **Warehouse Management System**

Optimizes inventory and logistics processes

# Products and Services (Communications System)

Reach, organize, and manage your clients:

- **Queuing Systems**

- **Public Address**

# Products and Services (Printing Solutions)

Reach, organize, and manage your clients:

- **ID Cards Printers**
- **Labels Printer**

# Products and Services (Smart Cities)

Integrated automation for lighting, climate, and security in residential spaces

- **Smart Buildings**

- **Smart Homes**

# Products and Services (Specialized Solutions)

- **Earthing & Lightning Protection**

Safeguards buildings and equipment from electrical surges

- **Aircraft Warning Lights**

Ensures aviation safety for tall structures

# Products and Services (Elevators Solutions)

## Our Partner “Smart Lift”:

is an elevator expert specialized in Customized, Residential, and Commercial elevators which are compiled to the International and Local Norm of Safety

- **Smart Lift:**

Provides an innovative solution for our customers and Architects through our smart energy saving Hydraulic and Gear-Less systems
