## ABOUT COMPANY

Founded in 2009, PT Barokah Saudara Abadi is a professional Indonesian manpower company dedicated to connecting skilled workers with trusted employers across the globe. Since our establishment, we have been committed to delivering excellence in recruitment, training, and workforce management, ensuring that every individual we deploy is well-prepared to meet international standards.

Located at JL. Cikunir Raya, Bekasi City, our head office serves as the center of our operations, where we carefully manage the selection process, provide comprehensive training, and uphold strict quality assurance to guarantee the competence and professionalism of our workers. With years of experience, we have built a strong reputation as a reliable partner for both employees and employers, driven by values of integrity, responsibility, and dedication.

At PT Barokah Saudara Abadi, we believe that human capital is the most valuable asset. We are passionate about empowering Indonesian workers by equipping them with the right skills, knowledge, and mindset to thrive in the global workforce. Our mission goes beyond deployment—we strive to create sustainable opportunities, contribute to the development of communities, and strengthen Indonesia's role in the international labor market.

Through professionalism, transparency, and a people-centered approach, PT Barokah Saudara Abadi continues to grow as a trusted manpower company, committed to excellence and long-term success for both our workers and our partners.

# VISION & MISSION

## Vision

PT Barokah Saudara Abadi aspires to be a leading and dependable partner in the field of human resource solutions, recognized for our commitment to innovation, ethical practices, and sustainable workforce strategies. We envision empowering both organizations and individuals to achieve excellence, adapt to change, and unlock their fullest potential in an increasingly competitive global market.

## Mission

- To provide personalized and results-driven HR services that align with our clients' corporate culture and strategic aspirations.
- To develop future-ready talent through comprehensive training, leadership programs, and professional growth opportunities.
- To utilize advanced technology and data insights to optimize recruitment, employee retention, and overall performance.
- To foster a culture of fairness, inclusivity, and excellence in every aspect of human resource management.
- To build long-term, value-driven partnerships based on trust, accountability, and measurable achievements.

# SERVICES

## Mobilization

The company maintains a large computerized database of applicants for easy reference. After being notified by the principals we can immediately mobilize by searching this database. Additional pooling is also achieved through various media advertisements, provincial recruitment, agent-assisted recruitments, direct hiring, and through our total manpower solution. We constantly pool applicants whether there are requirements or not. Our dedicated and specialized technical mobilizing team is constantly recruiting on field.

## Trade Test

The company has technical evaluators who can pre-screen the applicants. For trade testing, we affiliate with Government testing centers.

## Placement Programs

- Collect, receive and provide information on job opportunities abroad from various stakeholders.
- Provide international standard workers to be placed abroad according to stakeholder requests.
- Compiling pathways for the process of preparing Indonesian workers according to stakeholder requests.

## Selection

BSA has a highly qualified technical team who can perform the selection of workers in behalf of the clients. Most of our clients prefer that we conduct the selection for them. The company takes full responsibility for the qualifications of each employee that it selects.

## Document Processing

We provide complete document processing services to ensure Indonesian workers are legally and properly deployed abroad—ensuring every worker is fully compliant, well-prepared, and ready for safe overseas employment.

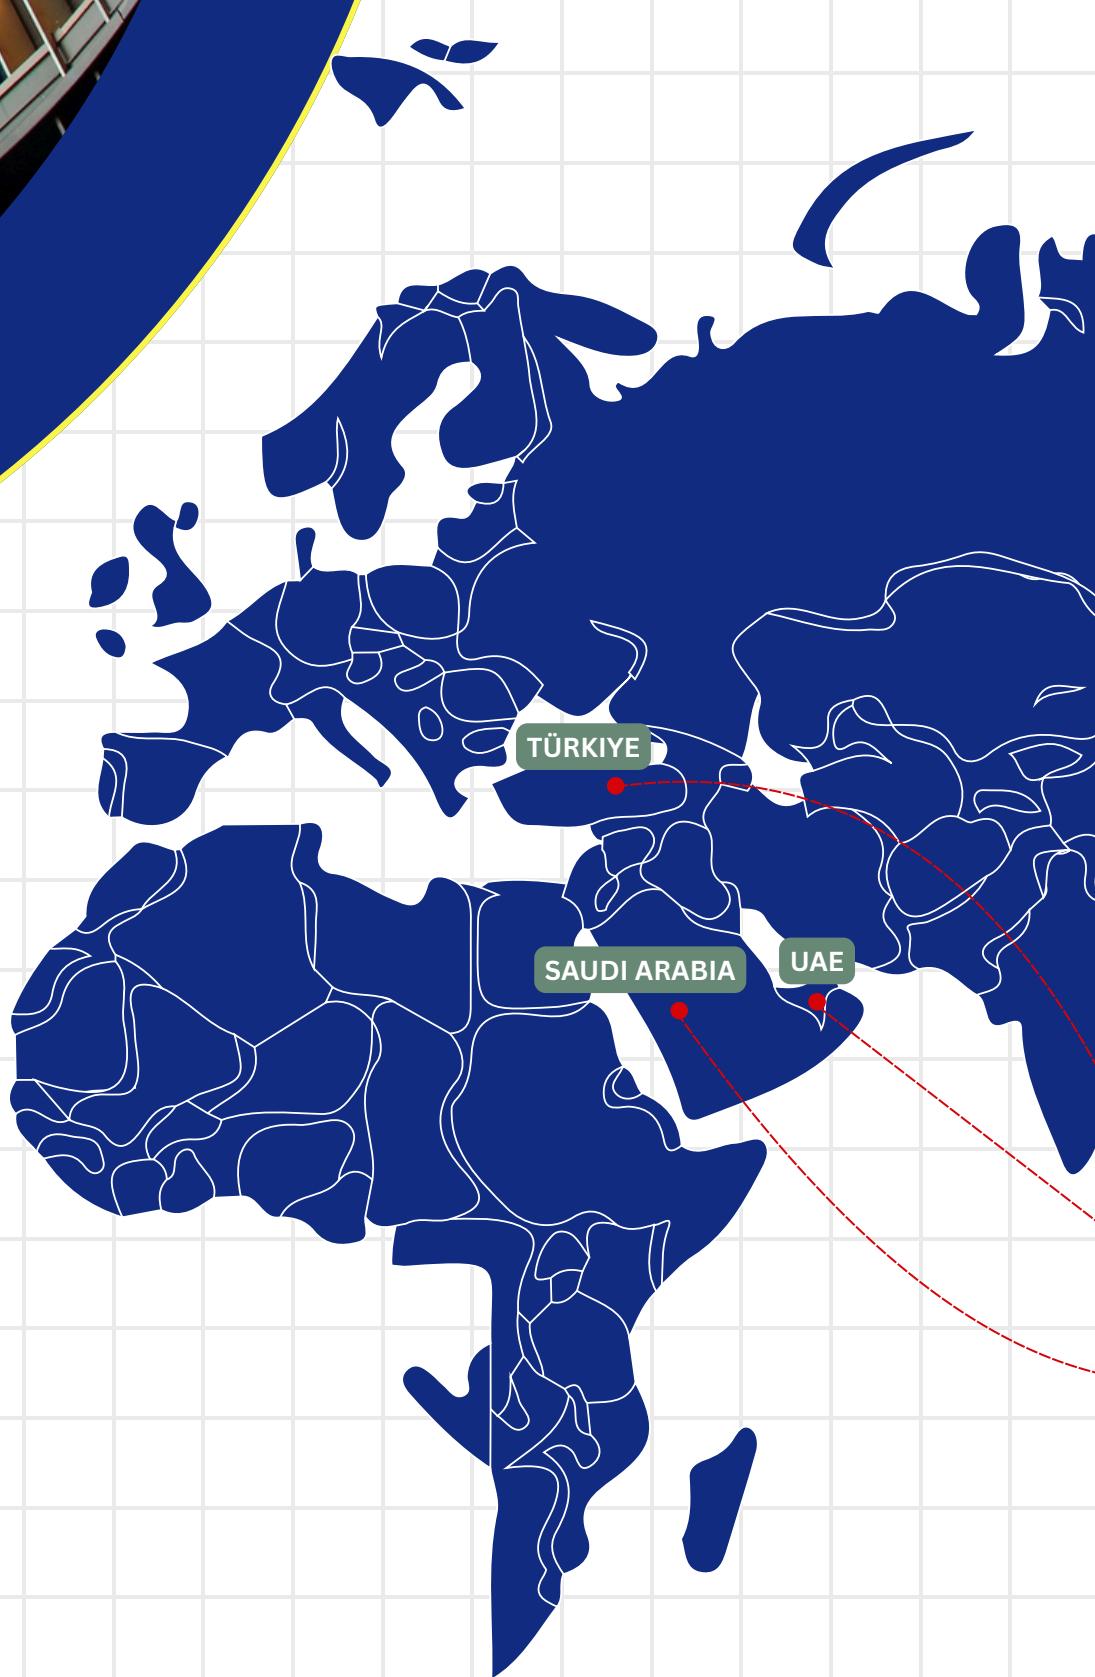

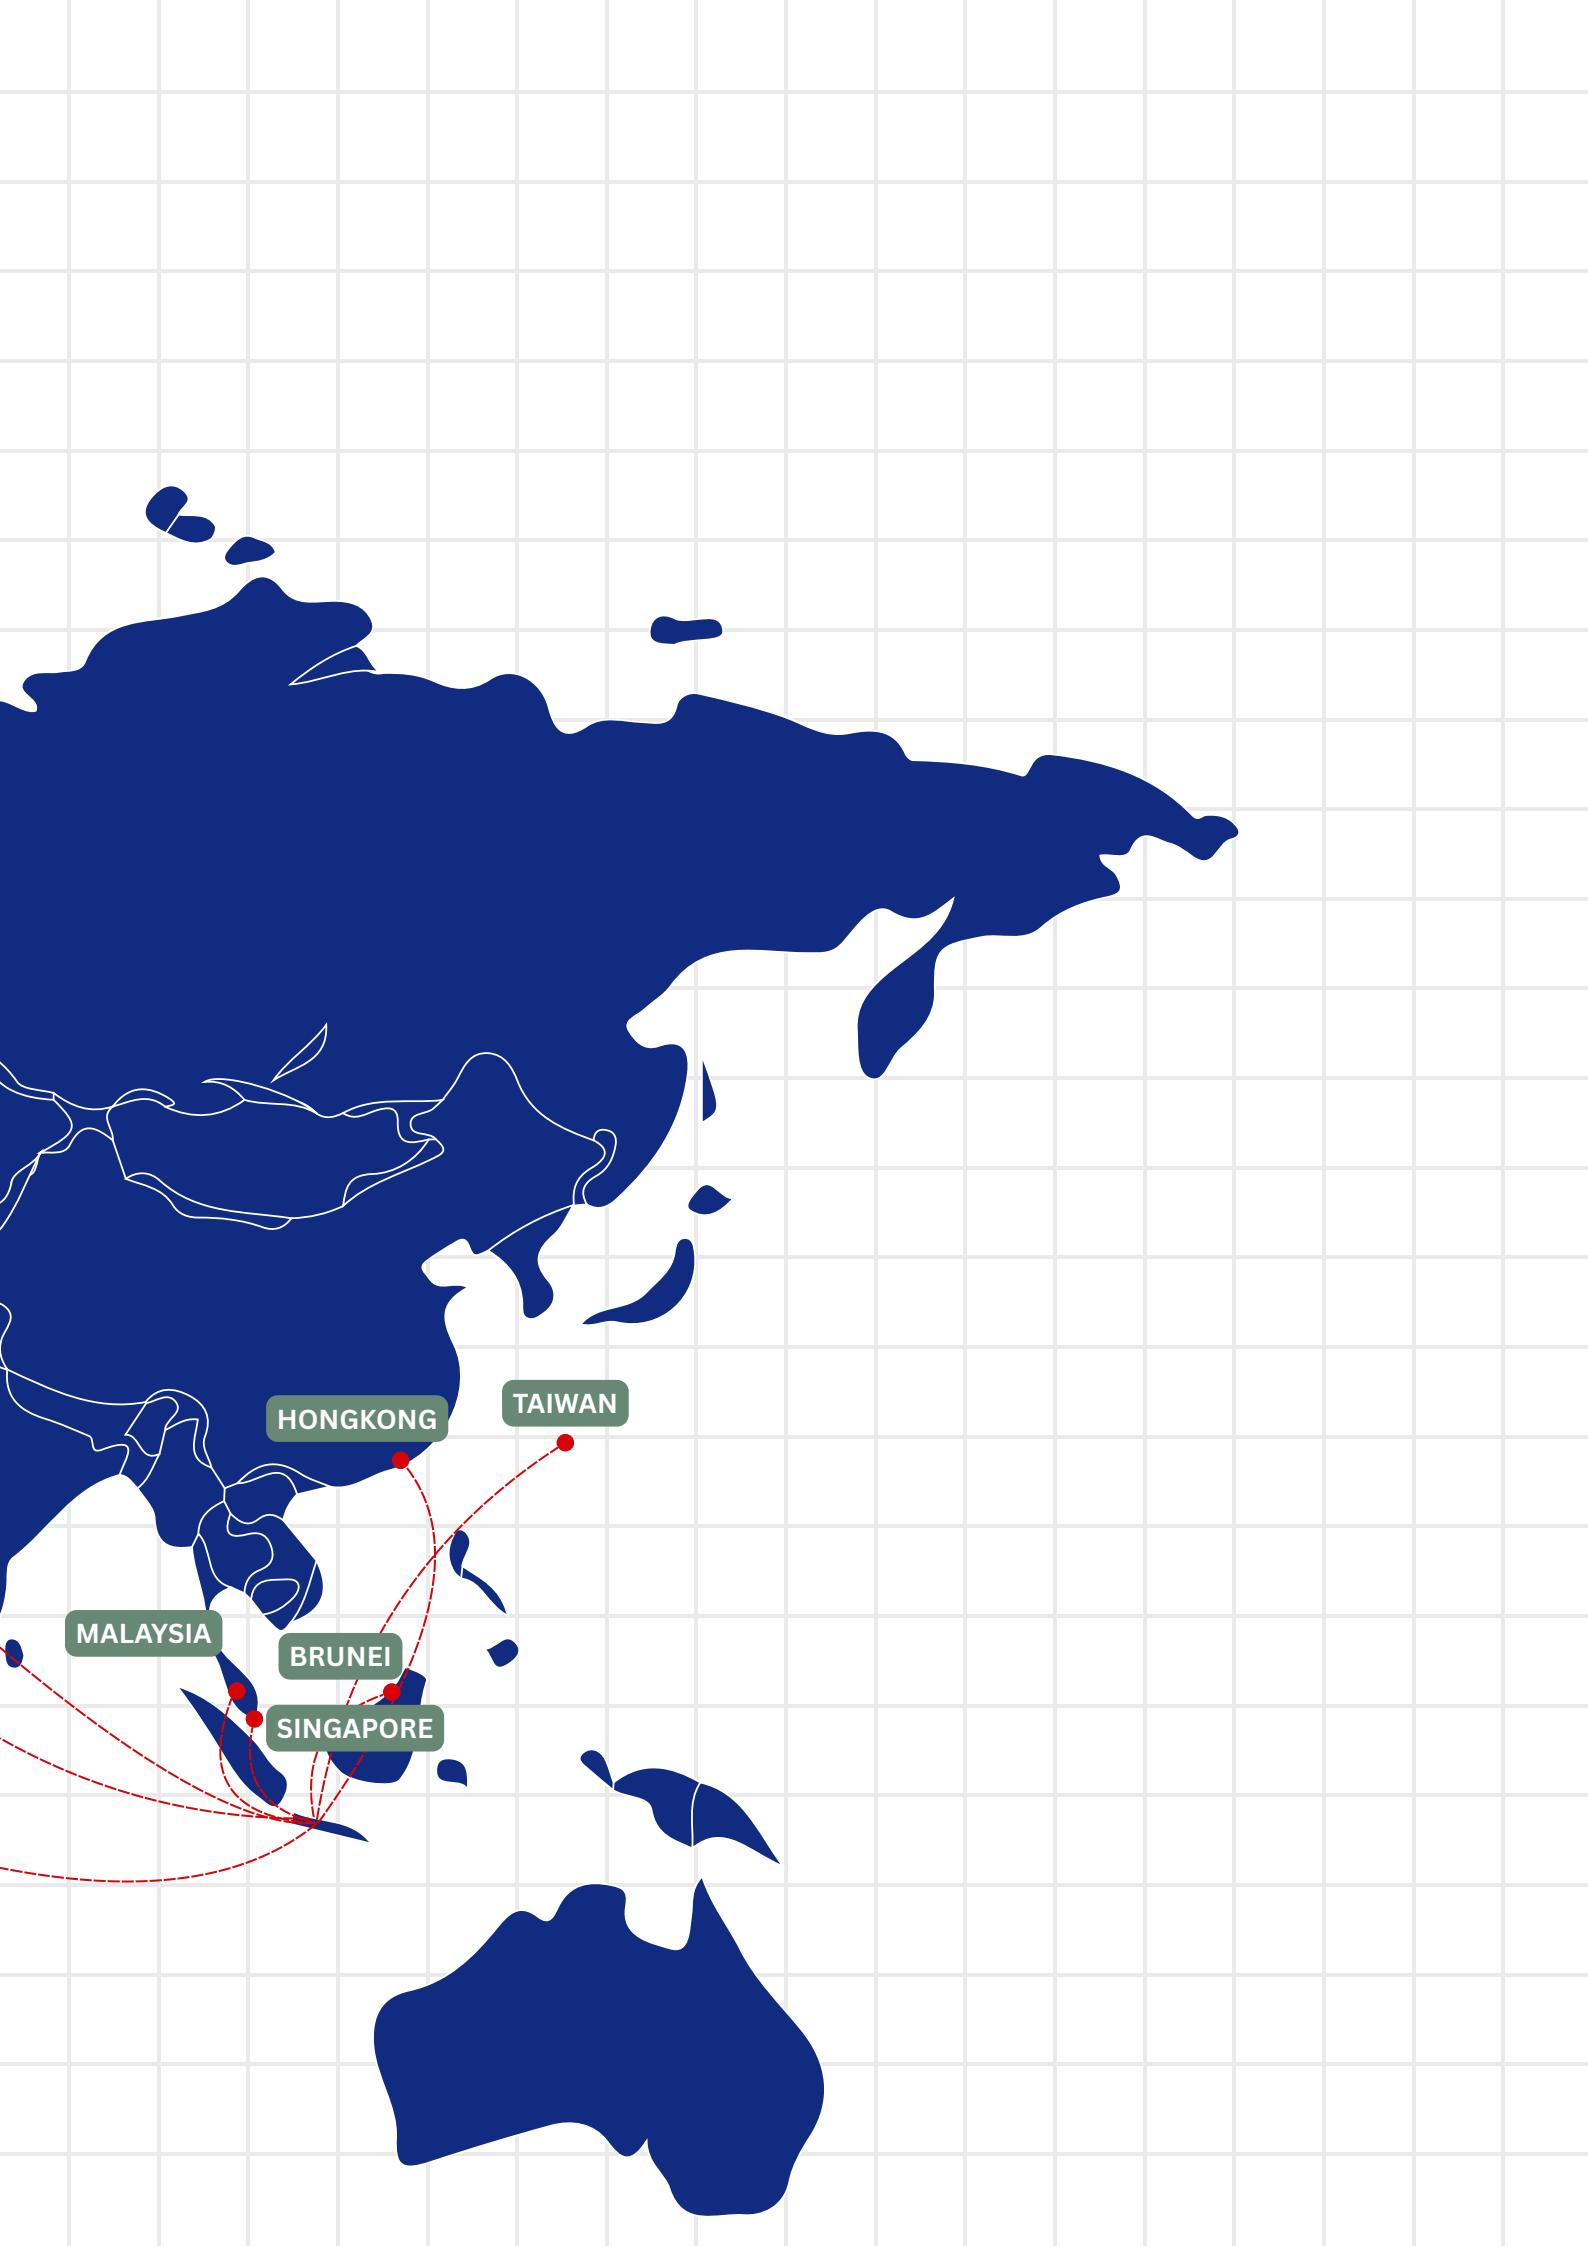

## Reports

BSA regularly send its clients various weekly reports to help them monitor the progress of the recruitment. We also answer all client queries within a span of 24 hours after receiving such queries. After a project's completion, the company submits a final report to the client, which indicates visa and ticket utilization with the corresponding applicant names and the date of deployment. In the future, all these report will be available to our clients anytime through our interactive website. Queries and other correspondences can be facilitated in the website.
