

# Q BIRDS AVIATION ACADEMY

WINGS OF WONDER

## ABOUT US ...

At Qbirds Aviation Academy, we are dedicated to shaping the future of aspiring pilots by providing top-tier training that blends simulator-based learning with cutting-edge AR/VR technology. Our academy offers comprehensive exam preparation and professional pilot training designed to equip students with the knowledge, skills, and certifications needed to achieve their Commercial Pilot License (CPL). With experienced instructors, state-of-the-art facilities, and a commitment to excellence, we ensure our cadets receive the highest quality aviation education. Join us and take flight toward your dream career in aviation.

## VISION

To be a premier aviation training institute, producing highly skilled and competent pilots who uphold the highest standards of safety, professionalism, and excellence in the aviation industry.

## MISSION

- Deliver world-class simulator-based pilot training with AR/VR integration.
- Equip aviators with essential skills, discipline, and professionalism.
- Uphold the highest standards of safety and operational excellence.
- Foster continuous learning, innovation, and adaptability in aviation.

# BASIC ELIGIBILITY FOR YOUR JOURNEY AS PILOT

17

**Age:** Minimum 18 years old.

**Education:** 10+2 with Physics and Mathematics (or equivalent).

**Medical Fitness:** Must pass DGCA Class 1 Medical Examination.

**English Proficiency:** Good communication skills in English.

**DGCA Requirements:** Must meet DGCA India's CPL eligibility criteria.

## HOW TO BECOME A PILOT

1. **Check Eligibility** – You must be at least 17, have completed 10+2 with Physics & Math, and pass the DGCA Class 1 Medical Exam.
2. **Choose Your Program** – Enroll in our Commercial Pilot License (CPL) training program to start your aviation journey.
3. **Obtain DGCA Computer Number** – Essential for DGCA exams; apply early as processing takes over a month.
4. **Submit Your Application** – Apply online with educational certificates, medical reports, and ID proof.

At QBirds, we shape aspiring pilots into skilled professionals. Train with excellence and soar to success! ✈️

# Why Choose QBirds Aviation Academy?

## 1. Advanced Simulator-Based Training

Experience cutting-edge pilot training with state-of-the-art flight simulators and AR/VR technology, ensuring immersive and realistic learning.

## 2. Experienced Instructors

Learn from seasoned pilots and aviation experts who bring years of real-world flying experience, providing top-tier mentorship and guidance.

## 3. Comprehensive Ground School

Gain in-depth theoretical knowledge covering aerodynamics, navigation, meteorology, and advanced flight systems to excel in every aspect of aviation.

## 4. Personalized Training

We understand that every student has unique needs, which is why we provide personalized training to ensure that you progress at your own pace and maximize your potential.

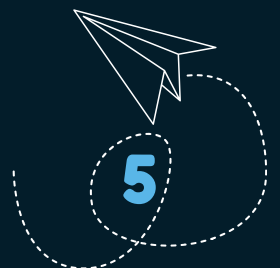

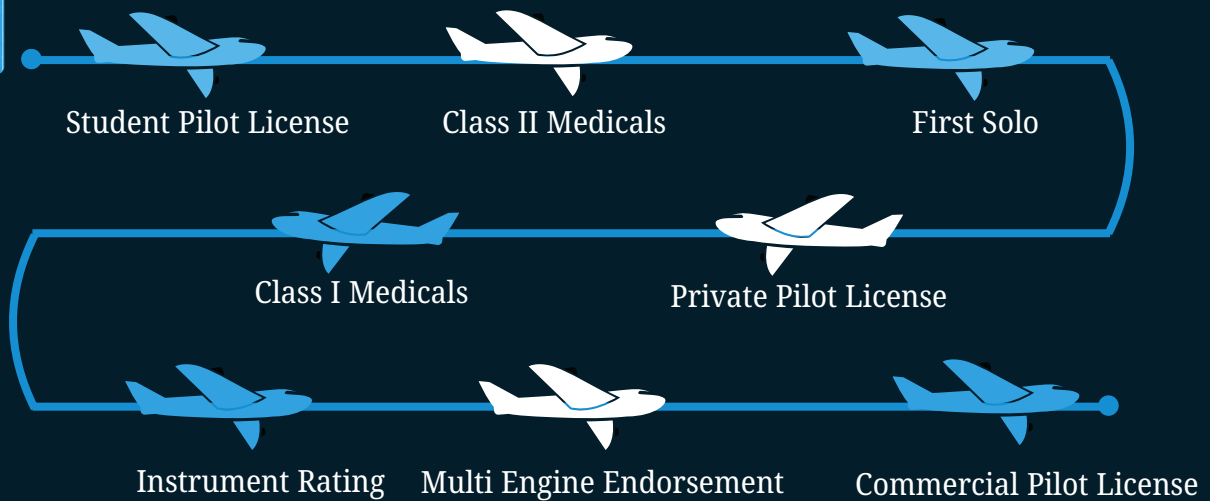

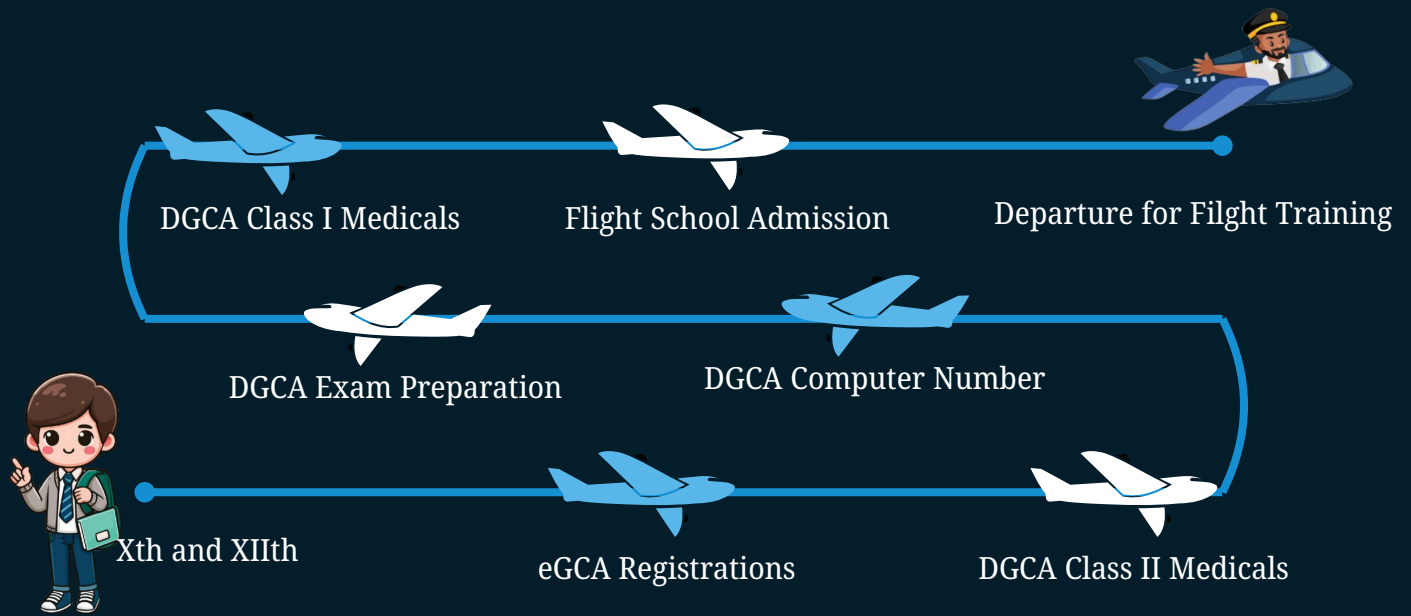

## 5. Holistic Approach to Training

At QBirds, we focus on not just teaching you to fly, but shaping you into a professional aviator with strong leadership, safety awareness, and decision-making skills, ensuring long-term success in the industry.

# PILOT ROADMAP

# DGCA Ground Classes for CPL Exams

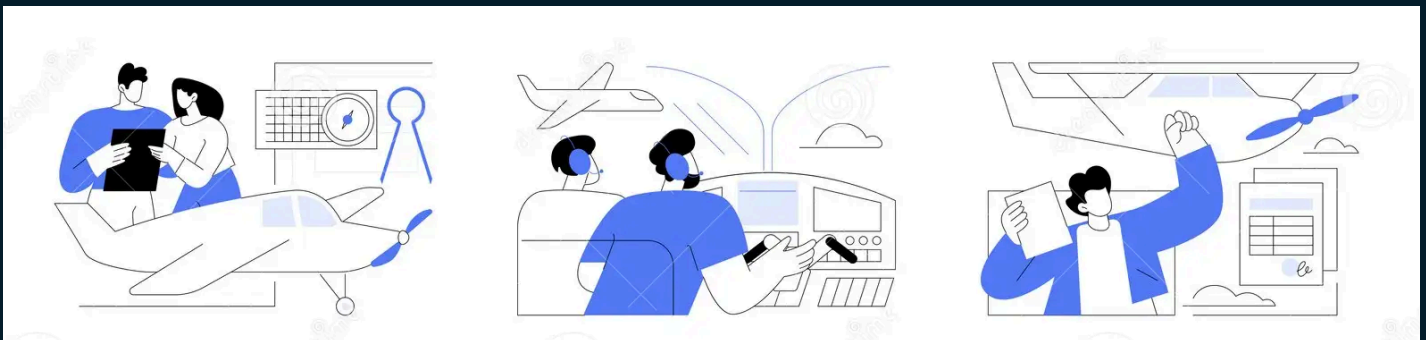

Our DGCA-compliant ground school program is designed to help aspiring pilots excel in CPL theory exams. We provide in-depth training with expert instructors, updated study materials, and simulated test environments.

## Subjects Covered

- **Air Navigation** – Flight planning, charts, radio navigation, GPS
- **Aviation Meteorology** – Weather patterns, turbulence, wind analysis
- **Air Regulations** – Indian aviation laws, ATC procedures, flight rules
- **Technical General** – Aircraft systems, aerodynamics, engine performance
- **Technical Specific** – In-depth study of aircraft type used for training
- **Radio Telephony (RT)** – Communication protocols, phraseology, emergency calls

## Key Features

- Regular Mock Tests & Exam Simulations
- Latest DGCA Syllabus & Study Materials
- Doubt-Clearing Sessions & Personalized Coaching
- Access to AR/VR Simulations for Practical Understanding

## OUR TEAM

**Toby Soman**

**Geo John**

**Ihjaz Ahammed**

**Jibin Biju**

**Mufeed M C**

**Sherin Pylan Parekkadan**

## OUR STUDENTS

**+ Many more to go**  
**Next can be you**
