ISO 9001 Certification Process

Prepared by B&R Certification | www.brcertification.com

Application

Submit the completed audit application to B&R Certification

Proposal

Receive a proposal outlining audit scope, timing and costs

Stage 1 Audit

Review readiness and evaluate your management system documentation

Stage 2 Audit

Preform the certification audit to verify implementation and effectiveness

Certification Decision

B&R Certification reviews audit results and determines certification status

Surveillance Audits

Scheduled at regular intervals to ensure ongoing compliance

1. Inquiry & Application:

The client submits an application to B&R Certification.

2. Application Review:

B&R reviews the application for completeness and scope.

3. Quotation & Agreement:

A formal quote and certification agreement are issued.

4. Stage 1 Audit:

Document review and readiness assessment are conducted.

5. Stage 2 Audit:

On-site audit to verify implementation of the QMS

6. Certification Decision:

Audit results are reviewed and certification is granted if compliant

7. Issuance of Certificate:

The client receives an ISO 9001 certificate.

8. Surveillance Audits:

Annual audits ensure ongoing compliance and improvement
