Dear Sir/Madam:

Greetings in the name of Quality, Environment, Security, Occupational Safety and Health!

The **Quality, Environment, Security, Safety and Health (QESSH) Management Summit 2026: An Integrated Approach Towards Business Excellence** is on March 5 and 6, 2026 at the Ichikawa Hall of the Occupational Safety and Health Center, Agham Road, Quezon City.

Here's your chance for your company to be part of this momentous event. **We would like to invite you to partner with us either as a corporate sponsor and/or by sending your valuable employees as participants.**

As a partner sponsor for as low as any raffle item worth at least Php5,000.00 (in cash or kind) you will have an opportunity to network with DOLE and other government agencies and private establishments invited to take part in the conference as a conference speaker, guest and/or participants. We would also be giving discounts for group participants so that more of your employees may participate.

The **QESSH Management Summit 2026** will be targeted at a number of industries committed to conducting their businesses with careful consideration to preserving the environment and protecting the health, life and assets of its employees, customers and the general public.

Please see attached details of this momentous event. For inquiries, please do not hesitate to reach out by sending an email to summit@synerquest.com or calling our office at 77454995 or 0975-7946839 (calls only).

Thank you and we look forward to your most favorable response.

Sincerely,

RJ Rubina, DOLE Accredited OSH Practitioner
Marketing Manager
