## Session 1: The Heart of Giving — Living the Life of Generous Discipleship

### *Key Scriptures*

Psalm 24:1 • Matthew 6:21 • Luke 21:1–4

### *Session Overview*

Christian generosity begins in the heart before it appears in the hand. In this session we explore three biblical truths: God owns everything, our giving shapes our hearts, and generosity flows from trust in God.

### *Scripture Reflection*

**Psalm 24:1** – What does it mean that everything belongs to God?

**Matthew 6:21** – How does our giving shape our hearts?

**Luke 21:1–4** – What does the widow teach us about generosity?

### *Discussion Questions*

1. What messages about money shaped your growing up?
2. Do you view giving as obligation or worship? Why?
3. How might generosity deepen your faith?

### *Personal Reflection*

- What does my giving reveal about my priorities?
- Where might God be inviting me to trust Him more deeply?
- How can generosity become an act of worship in my life this week?
