Total Picked So Far

INSTRUCTIONS-PAY ATTENTION

(Needs to be 18!!)

- 1 Pick a golfer from each lettered group that you think will finish the best of the 4 golfers.
- 2 Put their number 1 through 4 into column F for every group. 18 total selections is what you need.
- 3 If your golfer makes the cut, they will be assigned points based on their finish.
- 4 Points based on number of golfers to make cut.
- 5 If 50 golfers make the cut, points are assigned in reverse order.
- 6 Winner of the tournament will get 5 extra bonus points
- 7 Example: the winner would get 55 points (50+5). 2nd gets 49. The guy who finishes 50th gets 1 point.
- 8 Ties are ties. If three golfers tie for 3rd, they all get 48 points. The next guy down in 6th would get 45.
- 9 There are 18 groups, so you can accumulate points for all 18 if all your golfers make the cut.
- 10 Golfers making the cut and not on this list affect the standings. If Sam Snead's worn out corpse gets third, those 3rd place points go unawarded.
- 11 Put your name in cell D1. Put your e-mail into D2.
- 12 Entry Fee is \$10 per sheet.
- 13 Payouts determined by number of entrants.
- 14 Deadline to submit picks is this Thursday the 12th at 7 a.m. Central Time
- 15 If a golfer withdraws prior to their Thursday tee off and the deadline is past to submit picks, you will be assigned the lowest ranking golfer of the remaining three in that group. If they withdraw after teeing off, no reparation will be proffered.
- 16 After filling out this form: e-mail it to johnpmattern@gmail.com. Note the "p"
- 17 Pay on Paypal: johnpmattern@gmail.com. NOTE THE "p"
- 18 Do your paypal to friends or family and pay me \$10. Do it as a "pay for goods and services" and pay \$11.
- 19 Pay on Venmo: John-Mattern-5. You should not need the last 4 digits of my phone #. Try and submit without it.
- 20 DON'T fill this out in a perfectly good excel sheet and then convert it to pdf. Only people who like This Is Us and 4 foot gimmes do that crap.
