

- Munich Dunkel -

The Story:

Imagine sitting in a tavern in a 1990's console game, and the waiter drops a mug of beer on the table in front of you. We'd like to think that beer would taste a lot like our Munich Dunkel—refreshing, hearty, and bready.

It's a lot more fun to drink your daily bread—and it pairs just as well with sausages and cheese as bread does aswell!

Tasting Notes:

Soft caramel, oven-baked loaf, toasted nuts, slight earthiness. Medium bodied, medium aftertaste, and mellow carbonation.
