

SANATARIUM

STYLE: Belgian Strong Blonde
ABV: 8.5%

The pour is gold straw, somewhat hazy and aromatic. Crisp orange peel, filling aromatics, fair carbonation and a long, sweet aftertaste of citrus and funk.

The classic Belgian strong ale gets the Norwegian treatment, with fresh local malts, minimum amount of hop usage, and a generous amount of orange peels in the boil to extract exotic flavors.

With the addition of a secret yeast, the fruit intensity is scaled up, and we can give only one hint where the recipe is inspired from: [Pink Elephant](#).

TO BE RELEASED. AVAILABLE IN 2025.
