

THØNDER

STYLE: Helles Bock/ Maibock
ABV: 6%

Malt-sweetness reminiscent of white bread and pillowy wheat protein structure. A touch of hops that lingers in the after taste. Crisp, clean.

Trondheim Mikrobyggeri invited our very own Alex for a brewing session - and he jumped on the opportunity!

We used local Trønderlag malts and our hosts house lager-yeast to create a beautiful baby lager together.

Our in-house go-to board games to go with Thønder:
Agricola, Crokinole, Thumblin' Dice.

Our preferred serving glass for Thønder is the legendary beer mug!

Fat sushi with avocado or tuna, a delicious bowl of spicy chili, or artisan made Norwegian goatcheese pizza will be the dream pairing for Thønder.

Enjoy!
