CHRISTOPH HELM MAX PLATTNER GINA SCHWARZ

Gina Schwarz (Doublebass, Electric Bass & Composition)
Christoph Helm (Guitar & Composition)
Max Plattner (Drums & Composition)

ELMO NERO brings three exciting protagonists of the Austrian jazz scene together:

The exceptional bass player, composer and Hans Koller Prize winner **Gina Schwarz**, the guitarist **Christoph Helm** who expertly oscillates between various kinds of popular music genres, and the subtle yet experimental drummer **Max Plattner** who can be found at the forefront of young jazz in many innovative projects. With compositions and improvisations fed by a wide variety of influences they manage to captivate their audience and transform a seemingly familiar line-up such as the guitar trio into an exciting playground, where many a surprise awaits the listener!

"**ELMO NERO** is beautifully exploring what's possible in a guitar trio setting, finding many ways to express honesty, joy and beauty in this classic format." (**Gilad Hekselman**)
