

# ELEVATE: Maui Leadership Experience

A Professional Leadership Development Conference  
Westin Maui Resort & Spa | September 2026

A three-day professional leadership development experience for leaders, educators, healthcare professionals, and support staff in complex, high-responsibility environments. Programming includes plenary sessions, role-based learning tracks, applied leadership practice, and optional evening experiences designed to support learning integration.

## Day 1 — Leadership Context & Connection

Plenary session on leadership under pressure; facilitated track-based discussions for Leaders & Managers, Administrative & Support Professionals, Higher Education & College Health Leaders, and Nurses, Nurse Leaders & Nurse Educators; cross-track dialogue on collaboration within complex systems.

**Optional Evening (on property):** Social Connection • Leadership Recovery (guided reset) • Quiet Integration (journaling/reflection).

## Day 2 — Skill, Practice & Sustainability

Plenary on sustainable leadership, communication under pressure, boundary-setting and accountability; applied track skill labs and paired-track dialogue to strengthen collaboration and shared understanding.

**Optional Evening (on property):** Restorative Practice • Facilitated Leadership Conversations • Quiet Lounge & Reflection.

## Day 3 — Integration & Application

Plenary focused on integration; track-based action planning. Participants develop a personalized 90-day leadership action plan with practical steps to implement immediately.

**Optional Final Evening (light):** Informal peer connection & closing reflection (early end).

## Conference Outcomes

Participants leave with practical leadership strategies, stronger communication tools, a realistic approach to leadership sustainability, and a clear 90-day action plan. Certificates of completion are provided.
