Feast of our holy father St. Dominic  
August 4, 2015

Dear Tertiaries and postulants,

A simple message to wish you all a holy feast of St. Dominic. You will find here attached a little collection of a few quotes about our father: may he grant us his children to resemble him more and more for the glory of God and for the salvation of souls !

In Sancto Patre Dominico  
Fr; Albert

N.B. I am due to preach a retreat for men again at Ridgefield from October 12-17. However Fr. Violette informed me a few days ago that there are only two people signed up and so it will have to be cancelled if things don't change soon. Then yesterday I received an email from one of you asking if there weren't any Dominican retreats being given, since he had already assisted at Ignatian retreats 7 times... So I plan to ask Father Violette to perhaps open up the retreat to men and women and to wait a couple weeks to see if enough people sign up. Please keep this intention in your prayers and, if you wish, don't hesitate to sign up yourself or convince someone else to do so ! It isn't that I haven't got lots to do here in Belgium (our preparations for the move to France are nearing completion) but after all, preaching is the purpose of the Order.
