Open Forum/Policy discussion: Start: 2:14 End@ 2:44

A member discussed that the cost of literature has gone up, so we agreed to put an idea to increase the price on literature.

Secretary ALT. Talked about the clean up list that was put up at the group for members to sign up weekly to clean. The solution was to create task list and have volunteers clean up the building once a month.

A member talked about the key tags not being in stock and he was concerned. The group explained that we do have extra key tags locked in the filing Cabinet.

Treasure Alt A. The position was called open after he resigned.

We also discussed that the power wash idea was discussed a while back, but it wasn't done yet, so we talked about making it happen.

Elections/Appointments:

SEPTEMBER Talent Show

New Ideas:

IDEA 1- To propose that we start a bi -weekly cleanup crew which compromised with a monthly clean-up day where we come together before or after the meeting on a Saturday to tidy up and take care of the space. We could make it fun ,even bring snacks or play music while we work. It's a way to practice service and grow our fellowship. Plus, it will take the pressure off just a few members doing everything. We could try it for a month and see how it goes. This was compromised for once a month on the last Saturday of the month a after the 12 PM meeting and was passed .Tradition 1 and Concept 1

IDEA 2- Bring special events back and it did not pass due to the person with the idea not being present.

IDEA 3- Update get new EIN for the we can operate according to our traditions and recommendation of NAWS. EIN renewal was not passed because it is lifetime.

IDEA 4-Bring the idea to region that conference speakers will pay their own travel expenses and members will no longer pay them to get to the conference. This includes air fare, hotel, gas and food.
