

Dessert Rules

Teams may prepare their dessert before arriving. No-store bought desserts are allowed.

Entries may be decorated, garnished and presented in whatever manner the team wishes, so long as the team is not identifiable by the decorations.

Platters must be able to be carried by one person and cannot exceed 20 inches by 20 inches. We will do our best to return platters and dishes to the teams after judging, but cannot guarantee their return. If using your own platter, you must attach the number provided to you by The Wesley Seth Foundation reps.

Teams who wish to turn in their dessert in a Styrofoam clamshell box will be provided one upon request.

Turn in for desserts is Friday at 6:00 PM to the FBA Judges Tent. There will be a 5 minute window on either side of the time for turn in.

Standard scoring will be used. Entries must be pre-portioned into 6 servings. Do not turn in whole cakes or pies, unless you also have 6 pre-cut portions to go with it.

Judging Criteria: Entries are typically graded on a 1–5 scale based on taste, texture, and appearance.
