Good afternoon, members of the community,

Subject: Activation of Election Commission Bank Account, Resumption of Deposits, and Updated Election Timeline

The Election Commission is pleased to inform you that, following a thorough review and necessary internal processes, the Commission's bank account is now fully operational and ready to receive deposits.

We appreciate your patience and understanding during the temporary suspension. That decision was made to ensure the integrity, security, and transparency of all financial transactions associated with the election process.

At this time, all payments can be made via Zelle using the official Commission email: lcaelectioncommission@gmail.com

When making a payment, please ensure that you include:
