MaKe Your Own Souvenir

CREATE A CUSTOM MOROCCAN FRAME USING BRASS, BONE,
EPOXY, AND WOOD. PERSONALIZE IT WITH YOUR OWN
PHOTO AND TAKE HOME A ONE-OF-A-KIND KEEPSAK

Discover Moroccan Handmade Art

MOROCCAN ARTISANS HAVE PASSED DOWN THEIR SKILLS FOR GENERATIONS. LEARN ABOUT THE HISTORY AND SIGNIFICANCE OF BONE INLAY, BRASSENGRAVING, WOOD CARVING, AND EPOXY RESIN WORK.

What's Included:

HANDS-ON WORKSHOP WITH EXPERT ARTISANS
ALL MATERIALS PROVIDED (BONE, BRASS, WOOD, AND RESIN)
TAKE HOME YOUR HANDMADE CREATION

Brass:

Adds an elegant and durable touch to Moroccan designs, often used for engraving and decorative elements.

Wood:

Warm, natural, and versatile, with unique grains that bring depth and elegance. It complements both modern and traditional aesthetics.

Bone:

Smooth, dense, and finely grained, often used in high-end inlay work. It adds a refined, antique quality to designs.

Resin:

Offers a modern, glossy finish and allows for creative color combinations.
