

COMPANY PROFILE

Since 2005

Even experienced
captains bring a pilot on
board when steering into
new ports or treacherous waters

VISION

Our vision is to establish Thailand and other ASEAN countries as havens for Western entrepreneurs, fostering prosperity for local communities. We aim to empower our highly qualified employees, ensuring a secure future for them and their families.

MISSION

Our mission is to support clients in their investments, market entries, and business operations in Thailand by serving as one-stop solution partner. We provide comprehensive expertise, entrepreneurial mindset, and take full responsibility for our client's success in challenging business situations.

MANAGEMENT TEAM

“Sanet Managers provide two decades of entrepreneurial experiences throughout Asia”

Dr. Gunter Denk
Founder & Chairman of the Joint Board

The renowned author and keynote speaker combines 25 years of international experience as an entrepreneur in Europe and China with 20 years of consulting on internationalization to Asia.

Athaphon Michael Denk
Group Executive Director

A trilingual German-Thai national initially has gained 2 years of experience in IT Systems Administration at a well-known IT service provider in Germany. He is a Google-certified expert in Marketing and E-Commerce, Cyber Security and Business Intelligence.

The Business Unit (BU at Sanet)

- Your service hub for sales and technical service
- Set up within a few days
- Staff working exclusively for you
- No hidden fees
- No overhead, no tax obligations

02

The Business Unit (BU) *Plus*

- Sanet is your legal importer
- You set the price; you keep the margin
- Only fixed service fee for Sanet
- Professional customs, warehouse, and logistics handling

03

Finding your distribution partners

Going to the traditional route via a distributor?

- We define your requirements in a workshop
- We search and evaluate the right distributor for you
- We arrange a direct meeting
- We accompany your negotiations

MANAGEMENT CONSULTING

Since 2005, western companies in Thailand have relied on Sanet as their trusted management consulting firm in Thailand. Sanet has supported more than 150 companies from Europe, Australia, Asia and the USA in specific business situations and led them to success.

When it comes to Management Consulting Thailand and ASEAN, Sanet and its 50 experts in Bangkok is today the first address for international managers in the region.

Strategic planning for internationalization

Restructuring

Change Management

Interim Management

Consulting on Free Trade Agreements and Certificate of Origin

Market and Market Potential Studies

MARKETING SERVICES

Marketing in Thailand is different. People make decisions based largely on sympathy and emotion. Images are often more important than technical drawings or logical arguments. And yet the market is highly professional. Modern forms of distribution are becoming more dominant, and e-commerce, social media, and influencers often have the edge.

Sanet understands the markets. Our intercultural experts support you with campaigns and setting up your marketing and IT.

SEO and AI optimization of your communication

Sales training in communication and closing techniques

Website development and design

Social media management

Competitor Analysis

Influencer Marketing

Google Workspace by certified employees

LEGAL SERVICES

Our Thai German team of lawyers in Bangkok is characterized by entrepreneurial thinking and a high level of expertise in legal consulting. This begins with tailor-made company formation and structuring, continues with the organization of investment promotion through the BOI, and extends to questions of operational business and legal disputes.

→ Company Formation, Company Structure & Joint Ventures

→ Foreign Business Act (FBA), Visa & Work Permit

→ Labor Law & Labor Regulations

→ BOI Promotions and Foreign Business License (FBL)

→ Commercial law & litigation

→ Notarial Services

With our Virtual Legal Department (VLD), we offer legal advice on a flat-rate basis for all legal matters relating to day-to-day business operations. Your legal department at Sanet is even available in combination with our tax and accounting services.

TAX AND ACCOUNTING

Based on the needs of international medium-sized businesses, Sanet takes care of your entire financial accounting spectrum at tailor-made pricing. Certified Financial Accountants (CPD) work closely with affiliated auditors to ensure compliance with Thai tax law.

We recommend combining this service with the Virtual Legal Department (VLD).

Full Scope Accounting Services

Accounting services with monthly management reports

Submission of periodic tax returns

Prepare annual accounts and shareholder's meetings

Payroll accounting and social security reporting (SSO)

RECRUITMENT, JOB PLACEMENT AND PERSONNEL CONSULTING

Sanet Manpower is a cross-cultural recruitment agency in Thailand providing a highly reliable recruitment services. Key to our success is a strong relationship with clients and a thorough understanding of their culture, recruitment needs and business goals in Thailand. We then start to identify, screen, evaluate and recommend the most suitable candidates within a proven recruiting process.

Sanet Manpower is licensed by the Ministry of Labour to comply with the Employment and Job Seeker Protection Act. Recruitment License: u.1900/2567

Recruitment Services

We offer personalized cross-cultural recruitment in Thailand.

Job Platform

Sanet Manpower is the first choice for headhunting Thailand for international medium-sized companies.

Job Seekers

We connect executives who are looking for a new challenge or the right position with a company in Thailand.

Change Management

We are the first address for leadership and change management in Thailand with 20 years of HR experience.

REFERENCES OF SANET

“The references and recommendations are a strong argument for Sanet”

Our customers and clients come from almost all industries and from over a dozen countries in Europe, Asia, the United States and Australia.

ENDORSEMENT LETTERS: HERE'S WHAT OUR CUSTOMERS SHARE ABOUT US

“Without Sanet's extensive network, including government officials, suppliers, banks and industrial parks, our investment project in Southeast Asia would certainly not have run as smoothly as it has.”

*Michael Weikert, Managing Director
SGF GmbH & Co. KG.*

“Sanet advised Brückner on the internationalization to Southeast Asia, led the company's formation and the BOI promotion process for the investment in Thailand. The tasks were performed without reservation and with great expertise and commitment.”

*Walter Stroeder, Managing Director
Brueckner Group Asia-Pacific Company Limited*

“We contacted Sanet as part of a restructuring of our activities in Southeast Asia. The business plan will have a strong impact not only on the Southeast Asia region, but also on how we will approach new markets in the future.”

*Elisabeth Katai, COO International Business
TUNAP Deutschland Vertriebs GmbH & Co. Betriebs KG*

“I highly recommend Sanet for their excellent headhunting services. They provided expert guidance, thorough candidate selection, and seamless communication, even in German. Their professionalism and flexibility ensured a successful search for a Managing Director in Thailand.”

*Jörg Schurich, Head of Global HR
Alexander Binzel Schweißtechnik GmbH & Co. KG*
