— Since 2009 —

# Our Achievements

# Our Global Association

**Disclaimer:** Morison Global is an international Association of independently owned and operated professional firms. Professional services are provided by individual member firms. Morison Global does not provide professional services in its own right. No member firm has liability for the acts or omissions of any other member firm arising from its membership of Morison Global.

Headquartered in London, United Kingdom, **Morison Global** stands out as an association of independent professional service firms. With a strong presence spanning cross 69 countries, our extensive network comprises of 110 member firms operating from 215 offices worldwide.

More than 7,171 skilled professionals diligently serves clients across diverse markets, from major metropolises like Chicago, Paris, and Toronto, to thriving business hubs such as Moscow, Beijing, and Dubai. We leave no stone unturned in delivering exceptional services in auditing, accounting, tax and business consultancy. Our membership brings together a wealth of experience, both regionally and internationally, along with a personalized and responsive approach that embraces innovation while upholding the highest professional standards.

Whether it is in auditing, accounting, tax or consultancy services, the membership brings together a portfolio of experience, regional and international expertise and a tailor-made, responsive approach that is as innovative and refreshing as it is steeped in the highest and most stringent professional standards.

## The solutions we support you with

Our team takes the initiative to understand the entire operations & workflow of your business. This introspection enables us to enhance the effectiveness of our service lines and keeps us aligned with the evolving market demands. Our goal is to evaluate, analyze & provide our services, to ensure each client not only fulfils essential requirements but can also seamlessly manage their own business operations after the completion of each service.

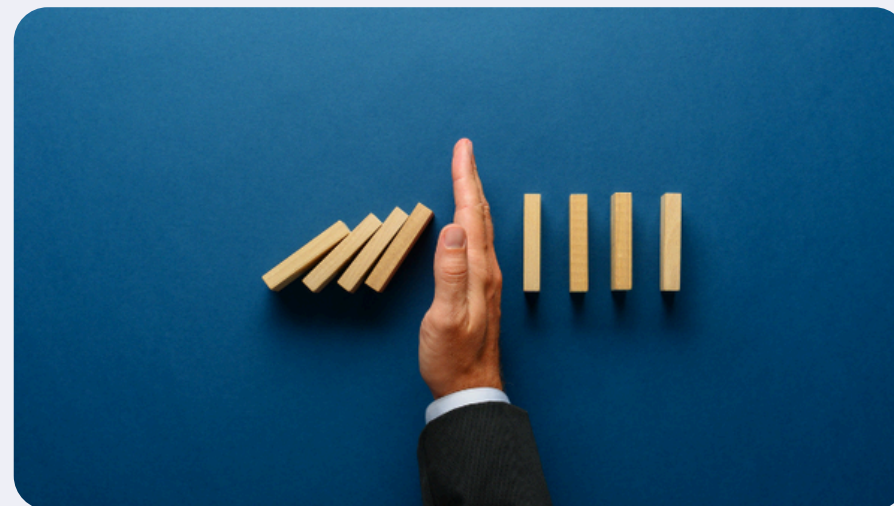

# Audit

## More than a Statutory Requirement

Our Auditors are extensively qualified professionals committed to ensuring accuracy and compliance to financial reporting standards. Their achievements & certifications not only leads to credibility but also signifies an in-depth knowledge on methodologies and procedures essential for navigating through the landscape of International and the Kuwaiti regulatory requirements. With our industry expertise & customized approach, we provide comprehensive Audit services to companies operating on multinational levels.

As per Companies Law no. 1 of 2016, all types of business entities in the State of Kuwait are to keep accounting records, to use International Financial Reporting Standards (IFRS) in preparing and presenting financial information, and to have financial statements audited by an independent licensed auditor.

As an Independent third-party auditor, we are licensed by a regulator, including Ministry of Commerce and Industry and Capital Markets Authority (CMA).
