# ABOUT US

## LITEBOW INDUSTRIES – PRECISION, QUALITY, AND RELIABILITY YOU CAN TRUST

At LITEBOW INDUSTRIES, we take pride in being a leading manufacturer of precision metal components, offering high-quality, custom-engineered solutions for a wide range of industries. With a legacy spanning over 25 years, we have built a strong reputation based on technological excellence, uncompromising quality, and customer-centric innovation. We specialize in the design, development, and production of precision-turned metal components, ensuring every product meets the highest industry standards. By combining cutting-edge technology with expert craftsmanship, we deliver exceptional solutions tailored to our clients' exact specifications.

## OUR COMMITMENT TO EXCELLENCE

At LITEBOW INDUSTRIES, we believe that precision, quality, and reliability form the foundation of every great product. Our commitment to excellence is reflected in every component we manufacture.

- Customer-Centric Approach – We focus on understanding our clients' unique needs and delivering solutions that exceed expectations.
- Industry-Leading Technology – Our state-of-the-art manufacturing facility is equipped with advanced CNC machining, multi-axis turning, and precision tooling.
- Uncompromising Quality – We adhere to strict quality control standards, ensuring every product meets dimensional accuracy, durability, and functionality.
- Sustainable & Ethical Manufacturing – We are RoHS-compliant and follow eco-friendly production processes, minimizing environmental impact while maximizing efficiency.
- Continuous Innovation – We stay ahead of industry trends by investing in modern manufacturing techniques, material research, and process optimization.

# ABOUT US

## OUR EXPERTISE IN PRECISION METAL COMPONENTS

As a leader in high-precision metal turning components, LITEBOW INDUSTRIES has extensive expertise in machining a wide range of materials, including:

Metals We Work With:

- Brass: (ETP, Commercial, DT) – Known for its excellent corrosion resistance, durability, and conductivity, widely used in electrical, plumbing, and gas fittings.
- Stainless Steel: (All Grades) – High tensile strength, heat resistance, and anti-corrosion properties, ideal for medical, aerospace, and industrial applications.
- Copper: A highly conductive and antimicrobial metal, perfect for electrical components, plumbing, and HVAC systems.
- Surgical Steel: Used in medical and dental instruments, offering biocompatibility, rust resistance, and superior strength.
- Aluminum: Lightweight yet strong and corrosion-resistant, used in automotive, aerospace, and industrial components.
- Rare Elements & Specialty Alloys: Custom-engineered solutions for high-performance industrial and research applications.
- We utilize scientific advancements, cutting-edge machining technology, and optimized production timelines to ensure every product meets 100% precision and quality standards.

## INDUSTRIES WE SERVE

LITEBOW INDUSTRIES caters to diverse industries that require high-precision, durable, and reliable metal components, including:

- Automotive & Aerospace – Engine components, fuel connectors, precision fasteners.
- Electronics & Enclosures – Breathable vents, EMI shielding, custom metal housings.
- Gas & Kitchen Appliances – Brass burners, precision fittings, heat-resistant components.
- Medical & Healthcare – Surgical tools, dental implants, lab equipment.
- Industrial & Engineering Applications – Custom machined parts for heavy-duty applications.
- Renewable Energy & Green Technology – Components for solar panels, wind turbines, and eco-friendly devices.
- Our products are crafted with strict adherence to international standards, ensuring superior performance, durability, and efficiency in every application.

30+

Years of experience

170+

Happy clients

# WHY CHOOSE US?

## 1. Quality Standards

We are committed to adhering to stringent quality standards, ensuring that each product surpasses industry expectations. This dedication to excellence reflects our unwavering commitment to providing outstanding results for our clients. We implement rigorous quality checks at every stage of the production process to maintain the highest levels of excellence.

## 3. Machine & Manpower

Our state-of-the-art machinery and highly skilled workforce combine seamlessly to create products that are both technologically advanced and crafted with precision and care. We invest in the latest technologies and continuous training for our team to ensure that our manufacturing processes are efficient and produce superior products.

## 2. Material

We source only the finest materials, guaranteeing the durability and reliability of our products while prioritizing sustainability and environmental responsibility. Our selection process for raw materials is stringent, ensuring that every component used in our products meets our exacting standards.

## 4. Packaging & Delivery

We take immense care in packaging and delivery, ensuring that products arrive at their destination in pristine condition, promptly, and as expected. Our packaging solutions are designed to protect the integrity of our products, and our logistics operations are streamlined for timely delivery, consistently exceeding our clients' satisfaction.

# QUALITY & CERTIFICATIONS

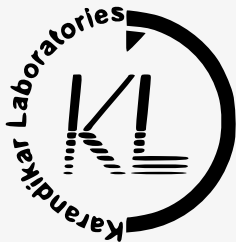

## ROHS COMPLIANT CERTIFICATION

LITEBOW INDUSTRIES is RoHS compliant, ensuring our products meet environmental standards by restricting hazardous substances. We are committed to quality, safety, and sustainability in every component we manufacture.

## CE CERTIFIED

LITEBOW INDUSTRIES is CE certified, ensuring our products meet European safety, health, and environmental protection standards. Our commitment to quality guarantees reliability and compliance with international regulations.

## TESTED & CERTIFIED BY KARANDIKAR LABORATORIES

Our products are rigorously tested and certified by Karandikar Laboratories, ensuring compliance with industry standards for quality, safety, and performance. Trust in precision and reliability with LITEBOW INDUSTRIES.

## BSCIC CERTIFIED

LITEBOW INDUSTRIES is certified by BSCIC, ensuring our products meet global quality, safety, and compliance standards. Our commitment to excellence guarantees precision, reliability, and trust in every component we manufacture.

## Decide with Confidence

## D&B CERTIFIED (DUN & BRADSTREET)

LITEBOW INDUSTRIES is D&B certified, demonstrating our financial credibility, business reliability, and strong industry reputation. Partner with confidence, knowing our commitment to trust and excellence.

# OUR PRODUCTS & SERVICES

## BRASS GAS STOVE ACCESSORIES

- Gas Brass Burners
- LPG Jet
- Brass Gas Nozzle
- Brass Gas Cock

## AUTOMOBILE METAL PRECISION

- Precision Brass Turned Components
- Brass Turned Components
- Automotive Spare parts

## BRASS CABLE GLAND, IP 67 & IP 68

- MITPG Cable Gland
- Nylon PG/Metric Cable Glands
- Metric Cable Glands
- IP68 Plastic glands
- Double Compression Cable Gland
- Brass A1/A2 Type Cable Glands
- Brass Marine Glands
- Flameproof Cable Gland
- Brass Cable Glands

## BREATHABLE BRASS VENTS

- Protective Metallic Vent Valve (IK10 / IP68 Rated)
- Protective Plastic Vent Valve (IK10 / IP68 Rated)

## WRITING INSTRUMENTS

- Brass Tip Cones
- Nibs for Pen
- Decorative Brass Rings
- Brass Barrels
- Pen Clips

## HID PORCELAIN LAMP HOLDER

- Porcelain Lampholder
- Lamp Holders
- Bulb Holder
- LED Holder
- Electric Button Holder
- Bulb Caps
- Electrical Lighting Fixtures
- Light Holders
- PIR Motion Sensor Lamp Holder

## ELECTRICAL & ELECTRONICS BRASS COMPONENTS

- Electrical Components
- Brass Terminals
- Electrical Terminals
- Motorcycle Electrical Parts
- Earthing Equipment
- Brass Electrical Pins
- Brass Switch Parts
- Brass Pins
- Brass Connectors
- Brass Earthing Terminal

# BRASS GAS STOVE ACCESSORIES

Precision Brass Gas Stove Accessories & Gas Appliances Manufacturer

## ABOUT US

At LITEBOW INDUSTRIES, we are a leading manufacturer and exporter of premium Brass Gas Stove Accessories & Gas Appliances, based in Jamnagar, Gujarat (India) – renowned as the "Brass City of India." With decades of expertise, we specialize in delivering high-precision, reliable, and safe brass components designed for optimal performance in gas stoves, burners, and appliances. Driven by Precision, Quality, and Reliability You Can Trust, our company has carved a niche in the domestic and international market, offering an extensive range of brass components tailored to meet the diverse needs of OEMs and gas appliance manufacturers.

## OUR PRODUCT RANGE

- Brass Gas Burners (All Types)
- Brass Gas Jets & Nozzles
- Brass Mixing Tubes & Venturies
- Brass Regulator Components
- Brass Valves & Fittings
- Brass Pilot Assemblies
- Customized Brass Gas Stove Parts

# BRASS GAS STOVE ACCESSORIES

Precision Brass Gas Stove Accessories & Gas Appliances Manufacturer

## MANUFACTURING & PRODUCTION CAPACITY

- Up to 50,000+ Brass Components Per Day
- Automatic & Semi-Automatic CNC Machines
- Precision Turning, Milling & Drilling Machines
- Thread Rolling & Knurling Machines
- Deburring, Polishing & Plating Units
- Testing & Inspection Equipment

## INDUSTRIES WE SERVE

- Gas Stove & Appliance Manufacturers
- LPG & PNG Gas Equipment Suppliers
- OEM Clients (Domestic & International)
- Hospitality & Commercial Kitchen Equipment Makers

## RESEARCH & DEVELOPMENT (R&D)

We invest heavily in continuous product development and R&D. Our experienced team of engineers constantly innovate to improve gas flow efficiency, safety standards, and cost-effectiveness. We welcome custom projects and are capable of developing prototypes and new designs based on client requirements within short turnaround times.

## QUALITY ASSURANCE

LITEBOW INDUSTRIES adheres to strict ISO 9001:2015 Quality Standards. Each product undergoes:

- 100% Leak & Pressure Testing
- Dimensional & Surface Finish Inspection
- Material Composition Verification

## PACKAGING & DELIVERY

Safe, Durable Packaging Options: Individual polybags, carton boxes, and export-worthy packaging solutions.

Lead Time: Standard orders shipped within 7-10 working days. Custom orders depend on specifications.

BRASS GAS STOVE ACCESSORIES

- Gas Brass Burners
- LPG Jet
- Brass Gas Nozzle
- Brass Gas Cock
- Brass Elbow Fittings
- Brass Couplings
- Brass Adapters
- Brass Plugs
- Gas Ball Valves

BRASS GAS NOZZLE

BRASS GAS COCK

BRASS GAS PLUG

BRASS ELBOW FITTINGS

BRASS GAS JET

BRASS GAS BURNER

CUSTOMIZED BRASS BURNER

# AUTOMOBILE METAL PRECISION

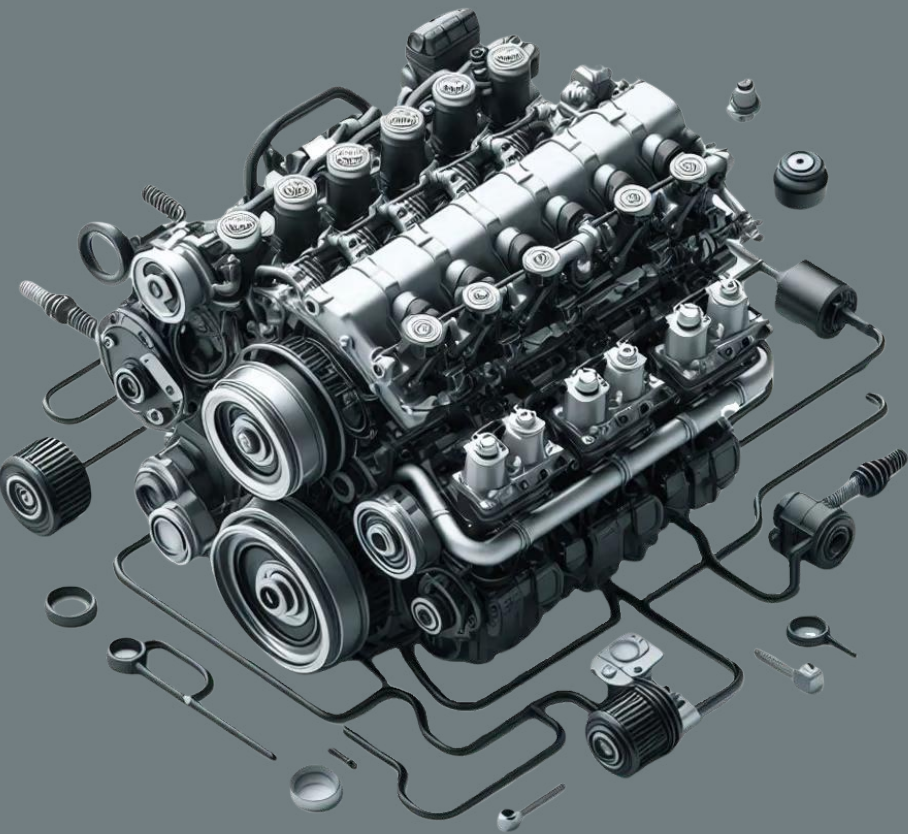

High Precision Brass turned Components for Automobile.

## ABOUT US

At LITEBOW INDUSTRIES, we specialize in manufacturing high-precision metal components for the automobile industry, meeting global standards of durability, accuracy, and performance. Our expertise in brass, stainless steel, aluminum, and other metal components enables us to supply a wide range of custom and standard parts used in automotive assemblies and sub-assemblies.

## OUR PRODUCT RANGE

- Precision Turned Metal Components
- Brass Automotive Fittings & Inserts
- Stainless Steel Fasteners
- Custom Machined Metal Parts
- Bushes, Spacers, Washers
- Fuel System Components
- Electrical Connectors & Terminals

# AUTOMOBILE METAL PRECISION

High Precision Brass turned Components for Automobile.

## INDUSTRIES & APPLICATIONS SERVED

- Two-Wheeler & Four-Wheeler Manufacturers
- Heavy Commercial Vehicle Assemblies
- EV (Electric Vehicle) Components
- Fuel & Brake System Suppliers
- Automotive Electrical & Sensor Components

## PRODUCTION & R&D HIGHLIGHTS

- Per Day Production: Over 50,000+ precision metal components per day
- Advanced CNC, VMC, and Multi-Spindle Machines
- Dedicated R&D Team for Custom Prototyping
- Strict Quality Assurance Procedures with Advanced Testing Equipment
- ISO Certified Processes with Automotive Compliance

## TECHNICAL CAPABILITY

- Materials: Brass, Stainless Steel, Aluminum, Mild Steel, Copper, etc.
- Production Tolerance:  $\pm 0.02$  mm
- Finishing: Nickel Plating, Zinc Plating, Anodizing, Powder Coating, Polishing
- Batch Size Flexibility: From Prototype to Bulk Production

## KEY FEATURES

- High Dimensional Accuracy
- Corrosion & Wear Resistance Finishing
- Customized Design as Per Client Drawings
- Compliance with Global Automotive Standards (ISO, TS16949)
- 100% Quality Inspection & On-Time Delivery

AUTOMOTIVE SPARE PARTS

- Automotive Components
- Two Wheeler Parts
- Motorcycle Components
- Precision Automotive Parts
- King Pin Set
- Automotive Clamp
- Automobile Pipes
- Washer Nozzles
- Pin Yoke
- Socket Clevis
- Sliding Sleeve
- Drive Flange
- Auto Stamping Parts
- Metalon Spare Parts
- Auto Hub Unit

BRASS TURNED COMPONENTS

- Brass Neutral Link
- Brass Moulding Insert
- Brass Flare Fittings
- Brass Meter Parts
- Brass Contact
- Brass Spacers
- Brass Lugs
- Brass Machining Parts
- Brass Extension Fittings
- Brass Pool Anchor
- Brass Cartridge
- Brass Valve Spindle
- Brass Fabricated Parts
- Brass Fogger
- Barb Fitting Brass

PRECISION BRASS TURNED COMPONENTS

- Brass Components
- Brass Electrical Components
- Brass Switchgears Component
- Brass Sheet Metal Component
- Brass Precision Parts
- Brass Parts
- Precision Turned Components
- Brass Fittings
- Brass Housing
- Brass Assemblies

# BRASS CABLE GLAND, IP 67 / IP 68

Cable & Earthing accessories

## ABOUT US

LITEBOW INDUSTRIES is a trusted manufacturer and exporter of premium Brass Cable Glands, offering top-notch sealing and protection solutions for electrical cables in industrial, marine, telecommunication, and hazardous environments. Our cable glands are manufactured using high-grade brass material and conform to international safety standards (IP67 & IP68 rated) to ensure maximum durability, corrosion resistance, and ingress protection.

## OUR BRASS CABLE GLANDS RANGE:

- BW, CW, A1/A2, E1W, PG Type Cable Glands
- IP67 & IP68 Weatherproof Cable Glands
- Explosion-Proof Cable Glands (Flameproof)
- Armored & Unarmored Cable Glands
- Customized Cable Glands as per Drawings

# BRASS CABLE GLAND, IP 67 / IP 68

Cable & Earthing accessories.

## Application Industries

- Electrical & Power Distribution
- Marine & Offshore Installations
- Petrochemical & Oil Refineries
- Telecommunications & Data Centers
- Construction & Industrial Automation

## PRODUCTION & QUALITY HIGHLIGHTS

- Per Day Production: Over 25,000+ Cable Glands per day
- Standards Followed: IEC, EN, IS, BS, and RoHS Compliance
- Testing & Inspection: Torque Test, Ingress Protection Test (IP67/IP68), Dimensional Accuracy, Thread Check, and Plating Thickness

## CUSTOMIZATION CAPABILITY

We provide complete customization services for sizes, threading, sealing materials, and plating finishes, tailored to client requirements, ensuring compatibility with all cable types.

## PRODUCT FEATURES

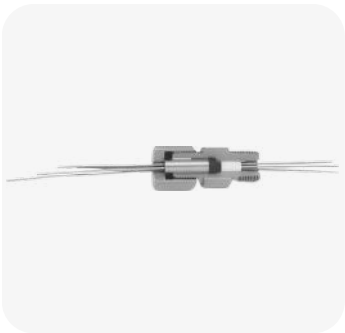

- High-Grade Brass Material (CW617N, CZ121, BS 2874)
- Ingress Protection Rating: IP67 & IP68 Certified
- Corrosion Resistance with Nickel / Chrome Plating Options
- Flameproof, Weatherproof & Waterproof Performance
- Available with Neoprene, Nitrile, or Silicone Seals
- Temperature Resistance: -40°C to +120°C

## TECHNICAL SPECIFICATIONS

Material	:	Brass (CW617N, CZ121, CW614N)
Thread Types	:	Metric, PG, NPT, BSP, BSPT
Sealing & IP Rating	:	IP67 / IP68
Temperature Range	:	-40°C to +120°C
Plating Options	:	Nickel Plated, Chrome Plated, Natural
Accessories	:	Locknut, Earth Tag, PVC Shroud Available

CABLE GLAND

- BW 3 Part Cable Gland
- BW2 Part Cable Gland
- CW Cable Gland
- EIW Cable Gland
- A1/A2 Cable Gland
- Alco Cable Gland
- PG Cable Gland
- TRS Cable Gland
- CXT Cable Gland
- Marine Cable Glands
- Marine Cable Glands (Type 1 & Type 2)
- Wiping Cable Gland
- Cable Gland Kit
- Single Compression Cable Gland
- Double Compression Cable Gland
- Weather Proof Double Compression
- Flame Proof Double Compression
- NPT Double Compression Cable Gland
- Flange Type Cable Gland
- Brass Reducer

METALON SPARE PARTS

M20, M25, M32, M40, M50, M63, M75, M82, M90, M100, M110

IP68 PLASTIC GLANDS

PG7, PG9, M12, M16, M18, M20, M25, M32, M40, M50, M63

METRIC CABLE GLANDS

M12, M16, M20, M25, M32, M40, M50, M63, M70

FLAMEPROOF CABLE GLAND

M3/4 ,M1 , M1 1/4

BRASS MARINE GLANDS

IP40, IP54, IP33, IP44, IP 68

DOUBLE COMPRESSION CABLE GLAND

M20, M25, M32, M40, M50, M63, M75, M82, M90, M100, M110

NYLON PG/METRIC CABLE GLANDS

PG7, PG9, PG11, PG13.5, PG16, PG21, PG25, PG29, PG36, PG42, PG48, PG63

BRASS A1/A2 TYPE CABLE GLANDS

M16 S, M16, M20 S, M20, M25 S, M25, M32

# BREATHABLE BRASS VENTS

High-Quality Brass Breathable Vents for Reliable Ventilation Solutions.

## ABOUT US

LITEBOW INDUSTRIES is a leading manufacturer of high-performance Breathable Brass Vents, engineered to balance air pressure while preventing dust, water, and contaminants from entering sensitive enclosures. Our precision brass vents are designed for IP-rated enclosures, automotive systems, electronics, and industrial applications, ensuring long-term reliability and performance. These vents utilize advanced microporous membrane technology, providing optimal airflow with superior protection against moisture ingress and environmental hazards.

## OUR PRODUCT RANGE

- Brass Vents with PTFE Membrane (IP67 & IP68 Rated)
- Miniature Breathable Vents for Electronics
- Automotive Venting Solutions
- Customized Threaded & Press-Fit Brass Vents
- Hydrophobic & Oleophobic Membrane Integration

# BREATHABLE BRASS VENTS

High-Quality Brass Breathable Vents for Reliable Ventilation Solutions.

## INDUSTRIES & APPLICATIONS

- Automotive Headlights & Sensors
- Outdoor LED & Electronic Enclosures
- Medical & Healthcare Devices
- Aerospace & Defense Equipment
- Industrial Machinery & IoT Devices

## MANUFACTURING & QUALITY STANDARDS

- Per Day Production Capacity: 25,000+ Brass Vents
- Precision Machined with CNC & Micro-Drilling Technology
- 100% Leak & Performance Testing Before Dispatch
- ISO 9001:2015 Certified Manufacturing Process

## TECHNICAL SPECIFICATIONS

Material	:	High-Grade Brass (CZ121, CW614N)
Membrane Type	:	PTFE (Hydrophobic/Oleophobic)
Ingress Protection	:	IP67 / IP68
Thread Type	:	M6, M8, M10, Custom
Temperature Range	:	-40°C to +120°C
Air Permeability	:	Customizable as per application

## PACKAGING & CUSTOMIZATION

- Available in bulk packaging or customized sets
- Custom branding & logo engraving available
- Threaded or press-fit designs tailored to client specifications

## KEY FEATURES & BENEFITS

- IP67 & IP68 Rated for Dust & Water Protection
- Hydrophobic & Oleophobic Membrane Technology
- Prevents Condensation & Pressure Buildup
- High Airflow with Minimal Resistance
- Available in Custom Sizes & Thread Types
- Long-Term Durability in Harsh Environments

# ELECTRICAL & ELECTRONICS BRASS COMPONENTS

Brass & Copper High Precision turned Components.

## ABOUT US

At LITEBOW INDUSTRIES, we manufacture high-precision brass components for electrical and electronic applications, ensuring superior conductivity, durability, and corrosion resistance. Our components are crafted to meet the highest IEC, RoHS, and ISO standards, making them ideal for power distribution, telecommunication, and industrial automation systems. With cutting-edge CNC machining and precision turning capabilities, we deliver customized brass electrical parts tailored to exact specifications.

## OUR PRODUCT RANGE

- Brass Electrical Terminals & Contacts
- Brass Plug Pins & Socket Components
- Brass Electrical Connectors (Male & Female)
- Brass PCB Terminals & Battery Connectors
- Brass Neutral Links & Bus Bars
- Custom Brass Precision Turned Parts

# ELECTRICAL & ELECTRONICS BRASS COMPONENTS

Brass & Copper High Precision turned Components.

## INDUSTRIES & APPLICATIONS

- Power Distribution Systems
- PCB & Circuit Board Assembly
- Telecommunication & IoT Devices
- Automotive & EV Charging Infrastructure
- Industrial Control Panels & Switchgear

## PRODUCTION & QUALITY ASSURANCE

- Per Day Production Capacity: 50,000+ Electrical Components
- Advanced CNC, VMC, & Multi-Spindle Machining
- Stringent Quality Control (100% Dimensional & Conductivity Testing)
- ISO 9001:2015 Certified Manufacturing Process

## TECHNICAL SPECIFICATIONS

Material	:	Brass (CW617N, CZ121, CW614N)
Plating Options	:	Nickel, Tin, Silver, Gold, Zinc
Thread Type	:	Metric, PG, NPT, BSP, Custom
Manufacturing Process	:	CNC Turning, Precision Stamping
Tolerance Levels	:	±0.01 mm

## KEY FEATURES & BENEFITS

- High Conductivity & Low Resistance
- Superior Corrosion & Oxidation Resistance
- Available in Various Plating Finishes (Nickel, Tin, Silver, Gold)
- Precision Machined to Micron-Level Accuracy
- RoHS & REACH Compliant Materials
- Custom Threading & Termination Options Available

## CUSTOMIZATION & PACKAGING

- Available in bulk, blister, or custom packaging
- Branded logo engraving & labeling available
- OEM & ODM production support

ELECTRICAL BRASS COMPONENTS

- Electronic sensors
- Brass components
- Electrical insulating components
- Electrical terminals and pins
- Electrical valve and cord pins
- Electrical sockets
- Brass molding parts
- Brass electrical earth pins
- Brass terminals for telecommunication
- Critical brass components for heavy electrical applications
- Electronic instruments
- Electrical Components
- Brass Terminals
- Electrical Terminals
- Motorcycle Electrical Parts
- Earthing Equipment
- Brass Electrical Pins
- Brass Switch Parts
- Brass Pins
- Brass Connectors
- Brass Earthing Terminal

ELECTRONIC BRASS COMPONENTS

- Neutral Bar Connector
- EMEI Brass Male Connector
- Brass Pin Buster Pin
- Brass Electrical Plug Pin
- Brass Split Pin
- Antique Brass Switch
- Brass Electrical Switchgear Parts
- Brass Socket Pins
- Switchgear Components
- Brass Earth Tag

# HID & INCANDESCENT CERAMIC HOLDERS

Sodium vapor, Mercury and Halogen Ceramic Lamp Holder

## ABOUT US

At LITEBOW INDUSTRIES, we manufacture high-quality HID (High-Intensity Discharge) & Incandescent Ceramic Holders, designed for high-temperature resistance, durability, and safe electrical performance. Our ceramic holders are widely used in automotive lighting, industrial fixtures, streetlights, and residential applications where heat resistance and electrical insulation are critical. These precision-engineered lamp holders provide superior thermal protection, ensuring long-lasting and efficient lighting solutions

## OUR PRODUCT RANGE

- HID Lamp Holders (E27, E40, G12, G8.5, RX7s, PGZ18, etc.)
- Incandescent Ceramic Holders (Bayonet & Screw Type)
- Halogen & Metal Halide Lamp Holders
- Heat-Resistant Porcelain & Alumina Holders
- Custom Lamp Holder Designs for OEM Requirements

# HID & INCANDESCENT CERAMIC HOLDERS

Sodium vapor, Mercury and Halogen Ceramic Lamp Holder

## INDUSTRIES & APPLICATIONS

- Automotive & Headlight Applications
- Streetlights & Outdoor Lamp Fixtures
- Industrial & Warehouse Lighting
- Residential & Commercial Light Fittings
- Stage, Studio & Special Purpose Lighting

## MANUFACTURING & QUALITY ASSURANCE

- Per Day Production Capacity: 20,000+ Ceramic Holders
- Strict Compliance with IEC, RoHS & IS Standards
- Advanced Kiln-Firing Process for Heat Resistance
- 100% Electrical & Thermal Insulation Testing

## TECHNICAL SPECIFICATIONS

Material	
Temperature	: High-Quality Ceramic / Porcelain
Resistance	: Up to 250°C
Base Types Available	: E27, E40, G12, RX7s, PGZ18, etc.
Voltage Range	: 110V – 440V
Threading & Mounting	: Customizable as per requirements

## KEY FEATURES & BENEFITS

- High-Temperature Resistance (Up to 250°C)
- Excellent Electrical Insulation for Safety
- Compatible with HID, CFL, Halogen & Incandescent Lamps
- Durable Ceramic & Porcelain Material
- Custom Designs with Various Mounting & Wiring Options
- Long Service Life & High Mechanical Strength

## CUSTOMIZATION & PACKAGING

- Available in bulk, retail, or custom packaging
- OEM & ODM production support
- Custom branding & logo engraving available

HID & INCANDESCENT CERAMIC  
HOLDERS

HID & INCANDESCANT CERAMIC HOLDER

- Porcelain Lampholder
- Lamp Holders
- Bulb Holder
- LED Holder
- Electric Button Holder
- Bulb Caps
- Electrical Lighting Fixtures
- Light Holders
- PIR Motion Sensor Lamp Holder
- Double Ended Halogen
- Brass / Aluminium Bulb Cap
- E27 Lamp Holder
- B22 Porcelain lamp holder
- Kitkate Fuse
- Porcelain Lamp Holder
- Electrical Angle Holder
- Bakelite Lamp Holders
- Plastic Bulb Holders

- Bulb Holder
- Ceramic Lamp Holder
- Wall Candle Holders
- CFL Holder
- Metal Bulb Holder
- Hanging Candle Holder
- Halogen Lamp Holder
- Modular Holder

# WRITING INSTRUMENT METAL PEN COMPONENTS

Brass Tip Cones, Clips and others Pen supplements.

## ABOUT US

At LITEBOW INDUSTRIES, we specialize in manufacturing high-precision metal components for premium writing instruments. Our expertise in brass, stainless steel, and aluminum machining enables us to create luxury pen parts with unmatched quality, durability, and aesthetic appeal. We supply customized and standard components to renowned pen manufacturers, ensuring flawless craftsmanship and smooth writing performance.

## OUR PRODUCT RANGE

- Brass & Stainless Steel Pen Barrels
- CNC-Machined Pen Tips & Nibs
- Metallic Clips & Decorative Rings
- Pen Push Mechanisms & Spring Components
- Rollerball, Fountain & Ballpoint Pen Components
- Custom Engraved & Branded Parts

# WRITING INSTRUMENT METAL PEN COMPONENTS

Sodium vapor, Mercury and Halogen Ceramic Lamp Holder

## INDUSTRIES & APPLICATIONS

- Luxury & High-End Writing Instruments
- Corporate & Promotional Gift Pens
- Fountain, Rollerball & Ballpoint Pen Manufacturers
- Customization for OEM & Private Labels

## MANUFACTURING & QUALITY ASSURANCE

- Per Day Production Capacity: 15,000+ Pen Components
- CNC, VMC & Multi-Spindle Machining for Precision
- Stringent Quality Control & Surface Finish Inspection
- ISO 9001:2015 Certified Manufacturing Standards

## TECHNICAL SPECIFICATIONS

Material	:	Brass, Stainless Steel, Aluminum, Titanium
Manufacturing Process	:	CNC Machining, Lathe Turning, Stamping
Plating Options	:	Nickel, Gold, Chrome, Black Oxide, Anodized
Tolerance	:	±0.01 mm
Customization	:	Logo Engraving, Embossing, Color Coating

## KEY FEATURES & BENEFITS

- High-Precision CNC Machining for Premium Finish
- Corrosion-Resistant & Long-Lasting Metal Components
- Custom Engraving, Anodizing & Plating Options
- Lightweight & Ergonomically Designed for Comfort
- Available in Various Metal Grades (Brass, SS, Aluminum, Titanium)
- Compatible with International Pen Refill Standards

## CUSTOMIZATION & PACKAGING

- Available in bulk, retail, or custom packaging
- OEM & ODM production support
- Custom branding & logo engraving available

**WRITING INSTRUMENT METAL**

- Brass Tip Cones
- Nibs for Pen
- Decorative Brass Rings
- Brass Barrels
- Pen Clips
