EXPERIENCE

Coderina EdTech

Trainer & Judge.

Kigali, Rwanda

Jan 2025 – March 2025

- Conducted comprehensive training sessions for both students and teachers, equipping them with fundamental knowledge in robotics and preparing them for the FIRST LEGO League (FLL) Robotics Competition.
- Provided guidance and mentorship in the development of their innovation projects, robot design, robot game strategies, and core values, ensuring alignment with the four key components of the FLL competition.
- Developed and maintained daily training progress reports, systematically tracking achievements and challenges to ensure alignment with Coderina’s objectives and performance benchmarks.
- Served as a judge during regional robotics competitions, assessing over 35 schools based on their performance, ultimately selecting the top 7 teams for advancement.
- Collaborated with other judges and mentors to standardize evaluation criteria, ensuring fairness and consistency in assessments.
- Promoted STEM education by fostering an engaging and supportive learning environment, encouraging creativity and teamwork among students.

Bellezza Business Group Ltd

Managing Director.

Kigali, Rwanda

Oct 2023 – Present

- Lead the company’s overall strategic direction and ensure alignment with long-term goals.
- Supervise department heads and promote efficient cross-functional collaboration.
- Oversee project planning, business development, and client relationship management.
- Develop internal policies and monitor financial performance for sustainable growth.
- Implement marketing strategies that increased brand visibility and customer engagement.

Rwanda Biogas Energy Project

Project Intern.

Kigali, Rwanda

Mar 2024 – July2024

- Assist in conducting research and analysis to determine the average cost and quantity of cooking gas used by Rwandan households.
- Participate in the evaluation of the feasibility and efficiency of digesters in producing biogas.
- Support the development and testing of prototype digesters for household waste conversion.
- Help coordinate the expansion of the project to rural areas for large-scale organic waste collection and biogas production.
- Engage with local communities to promote the adoption of biogas technology.

EnyPictures

Creative Director

Kigali, Rwanda
Jan 2024 – May 2024

- Updating EnyPictures Social Media Platforms including its website.
- Editing Different Pictures for clients
