Welcome Message

Welcome to **PT. Karya Manaru Energi**. We are committed to consistently delivering high-quality products and services while upholding the highest standards of quality, trust, and professionalism. This commitment is reflected in every aspect of our operations, from careful product selection and strict compliance with technical specifications to timely, responsive, and reliable service for customers in the oil and gas, petrochemical, power plant, and other manufacturing industries.

Our product portfolio includes **instrumentation, valves, flanges and fittings, pipes and tubing, electrical equipment, pumps, and other industrial supplies**, supported by trusted partners. We sincerely appreciate the trust and cooperation of our customers, partners, and stakeholders, which form the foundation of our continuous growth, strengthened capabilities, and dedication to delivering sustainable value while supporting safe and efficient industrial operations.

REY MAJA

Management Representative

About Us

PT. Karya Manaru Energi is your trusted partner in providing industrial equipment and integrated solutions for the oil and gas, petrochemical, power plant, and other industrial sectors. We are committed to delivering reliable products and professional services that support safe, efficient, and sustainable operations.

Our product portfolio includes instrumentation, valves, flanges and fittings, pipes and tubing, electrical equipment, pumps, and other industrial supplies. Each product is carefully selected and sourced to comply with applicable standards and technical requirements, ensuring consistent quality, performance, and long-term reliability.

Provider of High-Quality Products

We supply high-quality industrial products including valves, instrumentation, electrical equipment, and general industrial supplies from various well-known and reputable brands. Every product is carefully selected to meet applicable standards and ensure reliability, safety, and long-term performance.

Comprehensive Documentation

We understand the critical importance of complete and accurate documentation in every business transaction. Therefore, we provide thorough and well-organized documentation for each customer order, supporting regulatory compliance and simplifying audit processes.

About Us

Swift Delivery

We recognize that time is a crucial factor in industrial operations. Through efficient logistics planning and coordination, we are committed to ensuring fast and reliable delivery to help customers maintain smooth and uninterrupted operations.

Exemplary Customer Service

Customer satisfaction is our top priority. Our dedicated and professional team is ready to support customers at every stage, from product selection and technical consultation to delivery coordination and after-sales service.

Competitive Pricing

We believe that high-quality products should be offered at competitive prices. By optimizing our supply chain and partnerships, we provide cost-effective solutions without compromising on quality, enabling customers to achieve operational efficiency and cost savings.

Vision

ACCORDING TO EXPECTATIONS

PT. Karya Manaru Energi is committed to meeting and exceeding customer expectations through professional products and services, while building long-term partnerships based on equality and mutual benefit.

Mission

01

To prioritize customer satisfaction through strong product knowledge, high product quality, and fast, responsive 24/7 service.

02

To remain committed to providing complete and accurate standard documentation as required by customers, while offering products at competitive prices.

03

To build and maintain long-term relationships and effective communication with customers, vendors, investors, and business partners.

04

To prioritize the supply of ready-stock products with short and reliable delivery times.

Business Sector

PT. Karya Manaru Energi provides industrial equipment and solutions to support a wide range of business sectors through reliable products and professional services.
