Some Investment Ideas for 2025

We have a whole new year to begin our investment strategy for our Roth and 401K Plans. If you are in a 401K, you may have limited options. But if in a self-directed ROTH or TRADITIONAL IRA, you can have many options available.

Article on [Differences in IRAs](#).

For the past few years, we have written many articles on various investment categories. You will find many different investing options available on our [Investments articles page](#).

After studying the many investing options, I intend to focus more of my money in Mutual Funds this year. Dave Ramsey has promoted using Mutual Funds as his only method of investing. A few months ago, I wrote an article on [using Fidelity Mutual Funds to do investing as recommended by David Ramsey](#).

While the returns might not be exactly what you would make choosing all your own [Dividend Growth Stocks](#) or [Preferred Stocks](#), their management and study leads to a higher net return.

U. S. News did a good article recently on the [10 best investments in 2025](#).

Another good article from U.S. News is [the nine best Dividend paying Stocks on the S&P 500](#).

However you decide to invest, you have to get started. The key to successful investing is being consistent in your monthly contributions. If you start at a young age, you will have a substantial amount in your Retirement fund at your retirement time.

[Beginning Investing](#) explained.

Get started today. This is the best day to begin investing if you want to build a good retirement portfolio.
