90s is a period which has changed the lives of many people, made a person stronger, but most importantly, put forward a new meaning of personality. This time showed the disparate interests of people, the desire to always be first, no matter what. Young guys, all strove to earn prestige in the society. They were obsessed with the idea of being a "gangster". The industry of young gangsters, or rather the evolution of the human character – I show it all in my collection.
