I am delighted that our school, Shree Maheshwari Vidyalaya, now has an Alumni Association, creating opportunities for past and present students to connect for a greater cause. As a Batch 1967 alumnus, it's been a pleasure meeting the younger generation, full of energy and ambition. Though not a brilliant student, I excelled in football and hockey, learning from legends like P.K. Banerjee and Chuni Goswami. My journey continued at Umesh Chandra College as Football

Captain and Sports Secretary, followed by an LLB from Hazra Law College, where I also captained the football team.

Now, our interior design firm, HV Design Pvt Ltd, is well-run by my son, Manish. My school days, guided by HNT Ji and Headmaster S.B. Roy Ji, instilled in me the values of teamwork, perseverance, and goal-setting—lessons that shaped my life. We all are committed to contribute in various ways for the betterment of our School in all respects.

A big thanks to Santosh Lahoti and the team for initiating this Alumni Association. Wishing great success to all its programs and looking forward to being actively involved.

With best wishes!

I am proud to be alumni of Shri Maheshwari Vidyalaya (SMV). Our school was one of the prestigious Hindi Medium School in Kolkata when I was pursuing my Secondary (1979) and Higher Secondary Education (1981) batch.

As I look back on my time at SMV I am reminded of the good friendships, lessons, sweets and sour memories created in my school days. As alumni let us continue to inspire to support each

other in pursuing our common goals and contribute for the growth of the school and its students.

I take this opportunity to convey my highest regards to all the teachers of SMV who had impacted my life with their sincere guidance, true support and encouragement which shaped me into the person that I am today

Cherishing Roots, Embracing Growth

Growing up in a humble and loving household, my childhood was filled with simple joys, strong values, and the warmth of family. Those early years shaped my perspective on life, teaching me the importance of hard work, integrity, and gratitude—qualities that have stayed with me to this day.

My journey at Maheshwari Vidyalaya holds some of my fondest memories.

From the early morning assemblies to

the friendly classroom rivalries, every moment was a lesson in friendship, perseverance, and curiosity. I still remember the thrill of annual sports days, the nervous excitement before exams, and the unmatched joy of sharing lunch with friends. Our teachers were more than educators—they were mentors who instilled in us a love for learning and the courage to dream big.

Today, as Maheshwari Vidyalaya completes 100 glorious years, my heart swells with pride and gratitude. To be a part of this institution's rich legacy is truly an honor. The values and education it has imparted to generations of students—including myself—continue to shape lives and inspire success. May the school keep flourishing and nurturing young minds for centuries to come.

मित्रों,
मेरे विद्यार्थी जीवन में शिक्षा माता सरस्वती के भव्य मंदिर "श्री माहेश्वरी विद्यालय" में हुआ। इस विद्यालय में एक ही परिवार की कई पीढ़ियों ने शिक्षा ग्रहण की है। मैं विद्यालय के गुरुजनों को शत्-शत् नमन करता हूँ।

मेरे मस्तिष्क के चित्रपट पर जब विद्यार्थी जीवन के मित्रों के साथ बिताए गए प्यार और मस्ती के पल उभरते हैं, तो अधरों पर मुस्कान आ जाती है और चेहरा खुशी से चमक उठता है। पहले किसी भी संपर्क सूत्र या मंच के अभाव में यह संभव नहीं हो पाता था, लेकिन अब एलमुनाई संघ के निर्माण एवं डायरेक्टरी के माध्यम से देश-विदेश में रहने वाले मित्रों से संपर्क संभव हो सकेगा।

मैं स्वयं को बहुत ही सौभाग्यशाली छात्र मानता हूँ, जिसे हीरक जयंती एवं शतवार्षिकी महोत्सव में सम्मिलित होने का सुअवसर मिला। "श्री माहेश्वरी विद्यालय" आने वाली पीढ़ियों को इसी तरह अनवरत ज्ञान की गंगा प्रवाहित करता रहे।

Shree Maheshwari Vidyalaya has been a cornerstone of education for generations, shaping young minds and creating lifelong memories. However, unlike many other institutions, our school did not have a dedicated Alumni Association to bring together its past students under one unified platform. Recognizing this gap, we took the initiative to establish the SMV Alumni Association, with the vision of fostering connections, strengthening bonds, and giving back to our alma mater.

This association is more than just a network—it is a family. Our goal is to create a strong support system where alumni can stay connected, collaborate, and assist each other in times of need—whether professionally, socially, or even medically. Additionally, we aspire to contribute to the growth of the school, ensuring that the legacy of SMV continues to thrive for future generations.

We invite all past students to join us in this journey of reconnecting, reminiscing, and making a difference together. Let's build a vibrant community that stands strong, just like the values instilled in us by our school.

As I work on the newly formed SMV Alumni Association, I'm filled with nostalgia and excitement! Having served on the Nopany Alumni Association, I've seen firsthand the impact that a well-structured alumni network can have. Now, I'm determined to replicate that success for my beloved alma mater, Shree Maheshwari Vidyalaya. Our vision is to create a platform that not only reconnects us but also fosters a sense of community, strengthens bonds, and

restores the lost glory of our school. From digital infrastructure to personal touch-ups, I'm overseeing every aspect to ensure that our association becomes a vibrant hub for networking, connections, and community development. I'm confident that together, we can create something truly special – a testament to the enduring spirit of SMV!

As an alumnus of Shree Maheshwari Vidyalaya, Kolkata, I feel privileged to share my cherished memories from my time at the school, spanning from 1975 to 1981, until I completed my secondary education.

What makes this connection even more special is that my father, Late Chandra Bali Singh, also served as a dedicated teacher at the school. Additionally, my elder brother, Chakradhar Singh,

studied here until his Higher Secondary years. Though he is no longer with us, having passed away in November 2021, his bond with the institution remains a cherished part of our family's legacy.

I extend my heartfelt best wishes to all alumni and express my gratitude to the organizing members of this meet. This reunion is a wonderful opportunity to relive fond memories and celebrate the strong ties we share with our alma mater.

I am delighted that Shree Maheshwari Vidyalaya is celebrating 100 years and publishing a Souvenir to mark the occasion. This reunion will bring together alumni from across India to relive cherished memories and support the school's future.

As one of the oldest students, I spent seven life-shaping years here, learning invaluable lessons:

Dear School Administration/Alumni Coordinator's,

I wanted to take a moment to express my heartfelt compliments on the formation of the Alumni Association and the publication of the directory of old members.

My time at Maheshwari Vidyalay laid the foundation for my future success. Graduating from high school in 1961 not only equipped me with a solid education but also instilled in me values that have guided me throughout my life. Following my journey from

Maheshwari Vidyalay to St. Xavier's College, where I graduated with distinction, I have had the privilege of engaging in various social works alongside my steel manufacturing business.

The establishment of the Alumni Association is a commendable initiative that will undoubtedly strengthen the bonds among former students and foster a sense of community. It is an excellent platform for collaboration and mutual support.

**Warm regards,
Jagmohan Bagla**

I am absolutely delighted to see the newly formed SMV Alumni Association taking shape! As an ex-President of Shree Maheshwari Vidyalaya, I can confidently say that this association is a game-changer. The way it's been structured, with a clear vision to reunite and reconnect all students, is truly commendable. This platform will not only strengthen bonds between alumni but also restore the lost glory of our beloved institution.

I firmly believe that the SMV Alumni Association will emerge as a powerful medium for further networking, connections, and community development. Kudos to the team behind this initiative! I wish them all the best in their endeavors.

As I look back, I realize how much Shree Maheshwari Vidyalaya has impacted my life. The teachers taught me not just academics but also important values, discipline and a sense of community. I owe a special debt of gratitude to my elder brother, Shri Prahalad Rai Agarwal, who enrolled me in this esteemed institution and has remained a guiding figure in my life.

I have fond memories of my time at Shree Maheshwari Vidyalaya, where I was fortunate to have had dedicated teachers who played a significant role in shaping my future. Notably, our Headmaster was Late Shri Ram Mahesh Chaubey and some of the teachers who made a lasting impact on me were Shri S N Tripathi, Shri H N Tripathi, Shri D D Roy and Shri S N Roy. I am also grateful to the many other teachers whose names I may not recall but whose influence has stayed with me. These exceptional educators taught us with kindness, patience and individual attention, helping us grow both academically and personally.

One interesting anecdote from my time at the school is that my daily tiffin expenses were just 50 paisa, a testament to the institution's commitment to providing quality education at an affordable cost.

The friendships I made during my time at the school have been incredibly valuable. They have provided support, guidance, and inspiration. Even though we have gone our separate ways, these connections remain strong.

I'm grateful for the foundation the school provided and for the lifelong connections I made. I look forward to staying in touch with fellow alumni and contributing to the school's continued success.

As a former Secretary and 1969 alumnus of Shree Maheshwari Vidyalaya, I'm immensely proud of my contributions. From 1982-1990, we initiated the English medium section which was a great success. Re-elected in 2013, I tackled the challenging fifth pay commission issue, aided by the generous financial support of the members of Maheshwari Sabha, alumni, corporates and Maheshwari Bhawan Trust Board . From 2014 to 2018,

we added a science stream, lab, smart boards, projectors, CCTV, and water coolers. Though challenging, it was a wonderful experience. My heartfelt thanks to the alumni ,teaching and non teaching staffs of the school & the entire team of Shree Maheshwari Vidyalaya for organizing the school's centenary celebrations. To begin with, I would like to express my heart felt gratitude to my alma mater for making me the person I am today. My entire education, from joining in 'Shishuvarg' in October 1950 till I finished my Class XI in 1960 (under the Higher Secondary Multipurpose Scheme), was completed under the aegis of this esteemed institution, with guidance and tutelage of some of the best teachers of the times; where each was dedicated to shape the young minds to help them reach their full potential and achieve success in whichever field they may choose in the future.

Thinking back, I can connect the various accolades and achievements that I have received in my lifetime, to the discipline, life skills and attitude towards work that I learnt in my schooling days. The earliest intervention that inspired me to work hard and give my best every time was when I was in my 3rd standard. In that year, I had managed to score top marks in all subjects. Respected Ram Maheshji Chaubey, the then Head Master, noticed my potential and gave me a double promotion, on the unsaid condition that I will excel in every subject even in the 5th grade, failing which, I may be detained. His acknowledgement and faith in me, inspired me to focus on my studies. This inculcated in me a love for learning. I excelled throughout my school life with encouragement from my teachers, won medals in intra-school and inter-school debates and Hindi essay competitions. I was also awarded the National Merit Scholarship in 1961 which continued throughout my student career, till I graduated from the M.B.B.S. course.

It was this discipline and focus that was imbibed in me, that helped me secure a seat in the oldest medical college in Asia, The Calcutta Medical College; where too, I could live up to the high standards of my school and teachers, **by winning GOLD MEDAL in Chemistry** from my college and the University of Calcutta and Certificate of Honour from University of Calcutta for Preventive and Social Medicine, Dental Surgery and Forensic and State Medicine, and many other such accomplishments till I completed my Master of Surgery from the University of Calcutta as a student of IPGMER (Institute of Post-graduate Medical Education & Research).

However, I am not the only success story that the school boasts about. There are countless of them and it is not by accident or luck. Each one of us is a product of the dedication and commitment of the teachers of this school. One event that highlights this, is the manner in which the school and teachers, handled the Teacher's strike called by The West Bengal Teacher's Association. They ensured that our studies were never affected and went on smoothly. Before the day of the strike, timetables were handed out to the senior students to conduct classes for the juniors and their own studies were also planned out. So, where most educational institutes were closed and many students suffered, our school operated normally. This happened not once, but twice.

The ethos and culture of this school has been an inspiration and guide to many students like me and will continue to mentor future generations. Words are not enough to convey my respect for this school and their teaching staff, its values system and its dedication to the education field; so I will just sign off with a famous quote, that to my mind echoes my sentiments fittingly.

“गुरुं ब्रह्मा गुरुं विष्णु, गुरुं देवो महेश्वरा, गुरुं साक्षात् परब्रह्म, तस्मै श्री गुरुवे नमः”

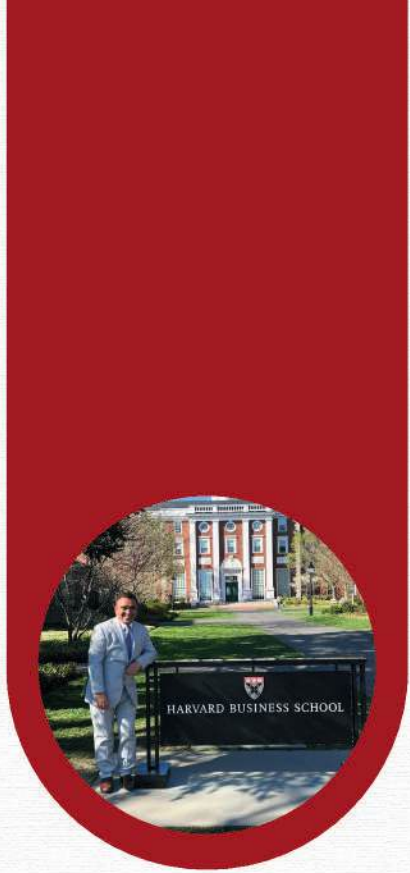

Pankaj Maharaj

A century of knowledge, growth, and excellence—Sri Maheshwari Vidyalaya has been a beacon of education and inspiration for generations. As students, we take immense pride in being part of this remarkable legacy, built on dedication, innovation, and strong community values.

This centenary celebration is not just a milestone but a tribute to the teachers who have guided us, the alumni who have made their mark, and the students who continue to uphold the school's rich traditions. It is a moment to reflect on the past, cherish the present, and look forward to a bright and promising future.

Let us come together to celebrate 100 years of education, transformation, and excellence! Here's to the next century of new heights and achievements!

Going down the memory lane, when I think of my School (SMV), my heart fills up with nostalgia and innumerable images crop up amidst ringing of bells, morning prayers, teachers (like treasures), students, class mates, bonhomie, fun, enthusiasm all around reflecting an earnest zeal to do well not only in studies but to excel in sports and many other extra curricular activities as well.

It began, as if a seed was planted in the formative years, which helped each one of us to grow up like a Banyan tree with virtues of education, knowledge, friendship, discipline, hard work, integrity, philanthropy, community services etc. These values were nurtured by our teachers to branch out and grow our skills, aptitudes, abilities for success and achievements in our chosen field.

Today many friends from SMV not only continue to be my friends but are an integral and extended part of three generations of our family spanning over 60 years. I can't thank SMV enough for these treasures of my life which we all cherish.

The lessons learnt from a long list of our revered Teachers and Head Masters has stood firm and helped us face various storms in our lives confirming that the transformative impact of education on individuals, communities and societies is of paramount importance.

I, therefore, can't truly express my happiness to know about the formation of SMV Alumni which was long overdue. It will certainly re-kindle many hearts and allow periodic interaction between past and present students. The Alumni members with their experience and resources will be too happy to support, mentor, guide and motivate fellow SMVites to take up new challenges.

The School too would be benefitted from wealth accumulated by the Alumni in terms of funds, connections, networking, experience to modernise the infrastructure, installing new gadgets etc. It would also strengthen the faculty to connect with best teaching resources around the world virtually and instill confidence in the students to face ever changing demands of today's life.

Such an act of hand-holding from both sides with complimentary roles clearly defined will help the Alumni in paying back to the present, future students and the School in upgrading its status as a vibrant premier institution in the field of education.

Let us revive "Guru Sishya Parampara" and remember that learning and friendship is a Treasure which will follow us everywhere.

With all good wishes,

राम-राम!

श्री माहेश्वरी विद्यालय का छात्र हूँ, यह हमेशा ही हमारे लिए गर्व का विषय रहा है। हमारा समय, विद्यालय का स्वर्णिम काल रहा है। हमारे साथ पढ़े हुए साथियों ने जीवन के बड़े मुकाम हासिल किये हैं।

उस दौर में, देशभर में अपने विद्यालय का सुनाम रहा। लेकिन, वर्तमान में विद्यालय की स्थिति के बारे में जान कर, बहुत अफसोस होता है।

श्री माहेश्वरी विद्यालय अपना 109वाँ स्थापना दिवस मनाने जा रहा है और भूतपूर्व छात्रों का संगठन इसमें सक्रिय हुआ है - यह जान कर अच्छा तो लग रहा है; साथ ही, मन में यह प्रश्न भी उठ रहा है कि हमारा विद्यालय अपना पुराना गौरव पुनः स्थापित कर पाएगा? आयोजन के लिए हार्दिक शुभकामनाएँ!

School years always have a very special place in the heart of every person. Those are the best, carefree days, without the responsibilities that life brings on, as we grow older. However, it is also the time when we hone our intelligence, personality and skills, that will serve us all our lives. I am one of the fortunate who studied in Shree Maheshwari Vidyalaya, where the focus was on the all-round development of each child.

Our Head Master in those times, Shree Ram Mahesh Chaubey, was a top notch academician who ensured that the standard of education and the pedagogy was first class, from which all the students benefitted immensely. Our Assistant Head Master was Shree S.B. Roy, who was a strict disciplinarian and who inculcated in us the value of being responsible, morally upright, and having time-management. All of these skills are essential if one has to reach anywhere in life. The teaching faculty was the best and gave individual attention to each student to ensure that every one of us can reach our full potential. The success of the members of the alumni is a testament to the quality of teaching and value system that each one of us was endowed with and for which I feel a deep sense of gratitude towards my school.

These values came to the forefront when a teacher's strike had shut down all the schools in West Bengal for a long period of time. The Class 10 students took up the task to run the school normally and with prior guidance from the teachers, the school and classes were conducted as usual. This not only reflected the capability of the students which was a result of the teaching imparted in school, as well as depicted the commitment of the school towards the education of the students that it did not let the strike affect the regular studies of its pupils.

As this institution celebrates its 108th year, it stands proud and strong to have contributed excellent citizens to the country and society and will continue to do so in the future. Being a student of this honourable institution is a matter of great pride for me.

Oprah Winfrey once said "The more you praise and celebrate your life, the more there is in life to celebrate".

With great humility and gratitude - I am honored to be an Alumni of Shri Maheshwari Vidyalaya and contribute to its more than 100 years of success in excellence in education and fostering the love of learning. SMV has been stepping from success to success all through this century of its humble beginning in 1917. Accompanied by the humongous contributions and milestones achieved by millions of students past and present, many more still in progress - SMV will always hold a special place in my and all of our hearts forever.

I was merely 7 years old when my parents admitted me to the school and since then I do not think none of us have not had pride in what we are today as humans and in character. As a proud alumnus of SMV, I often reflect on the profound impact that my time there has had on my present-day success. The experiences, lessons, and relationships I formed during my years have been instrumental in shaping my personal and professional journey. The consistent dedication of each and every teacher that has till date been a part of our school is a clear indication that they take their teaching not as a mere profession but committed to make a commendable difference in the lives of generations of students who are now among the top industrialists, businessmen and philanthropists.

SMV with its rich diversity of language, institution and untiring efforts to mould young minds into well-balanced personalities with confidence and zeal befitting the standards on becoming one of the most successful schools in the history of Kolkata. The school management does not leave any stone unturned when it comes to developing infrastructure, appointing best of the faculty and shaping each personality who steps foot into the school as a toddler to a young man with amazing character not just by his achievements, but by the integrity, compassion, and resilience he demonstrates throughout his life through the experiences and knowledge gained through our formative years from our proud school "Shri Maheshwari Vidyalaya"

As we commemorate this historic occasion, let us celebrate the rich legacy of SMV and look forward to the future with optimism and pride. Here's to another century of inspiring minds, fostering innovation, and making a positive impact on the world of education.

Lastly, I would want to immensely thank everyone associated to the school and its Alumni for making me who I am today and reliving every memory that we etched on the walls of our schools as a kid who walked in with tears because he did not want to leave home and left with tears because he found a new home!

Sky is never the limit, as there are footprints on the moon

Ram Krishna Agarwal

I am delighted about the formation of the Shree Maheshwari Vidyalaya Alumni Association—a long-awaited initiative that will reconnect old friends and strengthen our bond with our alma mater. The Centenary Jubilee commemorative book is a commendable effort that will document our rich legacy and inspire future generations.

My years at SMV shaped my values and character, and I remain deeply grateful to our dedicated teachers, especially

Shri Ram Mahesh Choube, Shri S.B. Roy, and many others, for their immense contributions. The school's academic excellence and reputation were widely recognized, and I take pride in being part of such a prestigious institution.

I fondly recall when Father Joris of St. Xavier's College admitted me based on my school's reputation alone—testament to SMV's credibility. This institution has nurtured countless successful professionals and leaders, and I encourage all alumni to stay engaged in its continued growth.

Congratulations to those spearheading the Alumni Association and Souvenir, and best wishes to Shree Maheshwari Vidyalaya for an even brighter future.

**With warm regards and best wishes,

भावाभिव्यक्ती

किसी भी व्यक्ति के जीवन में अपने छात्र काल से सदैव हृदयी जुड़ाव, रोमांच और विशेष स्थान रहता है। उस कालखण्ड की स्मृतियों का स्मरण आते ही वह भावुक हो उठता है, खुशी की लहर दौड़ उठती है। मुझे गर्व है कि मैं श्री माहेश्वरी विद्यालय का छात्र रहा हूँ। 1985 के पश्चात आज लगभग चार दशकों बाद भी जब कभी विद्यालय के सामने से भी गुजरना होता है तो बरबस ही उस ओर गर्दन मुड़ और झुक जाती है। उस समय के किसी छात्र से कहीं जब मिलना हो जाता है तो संपूर्ण आवरण मुक्त होकर दो पाँच मिनटों की मुलाकात ही मन को ताजगी और शुक्ल दे जाती है। मुझे श्री माहेश्वरी विद्यालय में पढ़ने का अवसर कालीकृष्णा टैगोर स्ट्रीट निवासी श्री गोपाल दास जी लाखोटिया ने उपलब्ध कराया था। न्यूनतम खर्च पर हमने वहाँ से सर्वोत्तम शिक्षा और सीख ग्रहण की। सभी शिक्षकों के प्रति आदर, विश्वास और अपनापन आज भी स्मृतियों में जीवंत व यथावत है। भगवान महेश की छत्रछायाँ में माँ सरस्वती का यह मन्दिर सदैव चमत्कृत रहे यही प्रार्थना है। वर्तमान प्रबंधन समिति अभिनन्दन की पात्र है जिन्होंने विद्यालय के पूर्व छात्रों को याद किया। यह मिलन विद्यालय के लिये संजीवनी सा सिद्ध हो, ऐसी कामना है।
