Summary

Pablo is a performing artist based in Denmark. He started his music education at the age of 6, although he would end up studying classical acting at the drama school of Malaga and musical theatre at the Royal Conservatoire of Scotland. After graduating, Pablo worked as an actor, singer and musician in numerous theatre companies in Spain, the UK and Denmark. In 2021 he became a part of Nordisk Teaterlaboratorium - Odin Teatret, in Holstebro, where he has been employed until 2024.
