

HISTORY

- Mother Mary first appeared in Medjugorje, Bosnia Herzegovina on June 24, 1981.
- She continues to appear regularly to Marjia Pavlovic-Lunetti, Ivan Dragicevic and Vicka Ivankovic-Mijatovic; to Ivanka Ivankovic-Elez annually on June 25th; to Jakov Colo on Christmas Day; and on March 18 to Mirjana Dragicevic-Soldo
- She appeals for conversion, prayer, strong faith, peace, penance and fasting

There were many messages given to us by Our Lady. It is possible to trace them all back to five fundamental ones.

Our Lady asks us to be armed with the following means, which we know as the "Five stones":

- The Eucharist
- Prayer
- Read the Bible
- Confession
- Fasting

POPE JOHN PAUL II SAID TO BISHOP PAVOL HNILICA IN 1984

"Medjugorje is the continuation and extension of Fatima."

OUR LADY SAID TO THE VISIONARY MIRJANA,

"What I started in Fatima, I will finish in Medjugorje. My heart will triumph."

- Mirjana Soldo (2016). My Heart will Triumph

"... is a sign for all of you and a call to pray and to live the days of grace that GOD is giving you..."
