

**DID YOU KNOW  
THERMOCOLE  
IS 100%  
RECYCLABLE?**

## HERE IS HOW YOU CAN RECYCLE IT

- Store it separately from other dry and wet waste
- Make sure it is clean of any debris, nails or stickers and is completely dry.
- Send us a collection request via whatsapp on 8104947508 along with pick up address and a picture of Thermocole waste (Flip to see type of thermocole waste accepted)
- It will be collected within 5-7 working days

**SEA IS EVERYTHING  
FOR YOU AND ALSO ME, SAVE IT!**

**Note:**

- Pick up services restricted to Western Suburbs only
- Do not dump or burn it in the open
- Thermocole is also known as Expanded Polystyrene or Styrofoam
