Help?! For the last 5 months of school Sean has been bringing the kids to school on Wednesday where I meet him to get bree for online learning. He suddenly has decided he's not going to drive the kids to Marlborough for school tomorrow because it's "inconvenient" despite that it's written in our agreement that whoever has the kids in the morning brings them to school and is what we have been doing since the start of this school year and last school year.

When is he ever going to grow up and put the kids first over his commute or anger towards me?!? This is why I already have a motion in place requesting full physical custody.

What do I do if he doesn't show up with the kids tomorrow???? When is he ever going to stop torturing this family 😢😢😢
