On 9/22/20 at 1541 hours units responded to the Hildreth School on Sawin Street for a disturbance between ex husband and ex wife. Upon arrival I spoke with Sean Venti and his ex wife, Christine Venti. Christine works for the school and Sean was there to pick up both his sons, Braden Venti and Ryker Venti. Sean and Christine stated that they were arguing over family issues. Sean advised that he wanted to leave, but Christine was preventing him from closing his vehicle door. Christine stated that she was trying to talk to him about the children and Sean was trying to close the door, but Christine advised she had no intention of trying to prevent Sean from securing his driver's side door. Both parties were advised of their 209A rights. Both Children left with Sean for the day.
