

Wardrobe Planner

Dear Family & Friends,

We're excited to celebrate the most special days of our lives with the people we love the most — you!

As we get ready to tie the knot on the golden beaches of Goa, we wanted to help make your wedding wardrobe planning as fun and effortless as possible.

Our celebrations are set against the breezy backdrop of the ocean, with vibrant festivities inspired by Indian tradition and the laid-back charm of coastal life. From Garden Haldi moments to sunset Pheras on the beach - each event has its own charm, and we'd love for your style to match the vibe.

This wardrobe guide is here to inspire your looks, help you pack smart, and make sure you're dressed comfortably, colourfully, and celebration-ready - with just the right amount of sparkle!

We can't wait to see your personalities shine through your outfits and create memories together in style!
