About Us

For over three years, SET has been dedicated to enhancing workspaces across Saudi Arabia with premium furniture solutions. Our commitment to quality and functionality ensures that every piece we provide contributes to a productive and comfortable environment.

Why Choose SET?

- **Exceptional Quality:** Our products are built to last, combining durability with style to suit any professional setting.
- **Affordable Excellence:** We offer high-quality solutions at competitive prices, meeting diverse budget needs without compromising on value.
- **Customer-Centered Service:** At SET, we prioritize client satisfaction, supporting you from initial consultation to after-sales service.

Let SET help create a workspace that inspires productivity and reflects professionalism. Contact us today to experience the SET difference.

Our Projects

SET takes pride in its work on diverse and high-profile projects across Saudi Arabia, providing quality furniture solutions that enhance and elevate each space. Here are a few of our notable projects:

- **Noor Riyadh Event:** As part of Saudi Arabia's renowned Noor Riyadh light festival, SET supplied and installed furniture that complemented the event's creative atmosphere, blending functionality with artistic appeal to support both staff and attendees.
- **Wadi Arqa Boulevard Project:** In this bustling commercial and lifestyle hub, SET provided furniture solutions that brought both elegance and durability, creating inviting and functional spaces that meet the demands of high-traffic areas.
- **King Abdullah Financial District (KAFFD):** Recently, SET completed work at the prestigious KAFFD, where we delivered high-quality, professional furniture tailored to this leading financial and business center. Our solutions reflect KAFFD's modern aesthetic, adding a touch of sophistication to its dynamic environment.

Our Commitment

With each project, SET brings a dedication to quality, service, and design, ensuring that our furniture enhances both form and function. Contact us to learn how we can support your next project with solutions that make a lasting impact.
