ABOUT

DUKE INTERNATIONAL UNIVERSITY

Duke International University is a State Private University located in the scenic and culturally rich state of Sikkim. The University is established by the Sikkim Legislature through its Official Gazette and is recognized by the University Grants Commission (UGC) under Section 2(f) of the UGC Act, 1956.

The University is committed to delivering high-quality, skill-driven and globally relevant education. With a strong focus on bridging the gap between academic learning and industry requirements, Duke International University offers a wide range of programmes designed to meet the aspirations of modern learners and the evolving needs of global industries.

At Duke International University, education goes beyond textbooks to equip learners with practical skills, professional exposure and the confidence to succeed in real-world environments. Guided by the principles of the National Education Policy (NEP) 2020, the academic framework emphasizes flexibility, interdisciplinarity and employability-driven outcomes.

Programmes We Offer

Duke International University provides learners with diverse pathways for education and career development through its Certificate, Advanced Diploma, Diploma, D.Voc, B.Voc and M.Voc programmes. Each programme is designed with industry collaboration to ensure that students acquire relevant knowledge, hands-on skills and professional exposure preparing them for rewarding and sustainable careers.

- **Certificate & Advanced Diploma Programmes:** Short-term and specialized programmes that enable students to quickly acquire job-ready skills in their chosen fields.
- **Diploma & D.Voc Programmes:** Programmes focused on vocational and technical education, equipping learners with the practical competencies and confidence required to enter the workforce.
- **B.Voc & M.Voc Programmes:** Degree-level programmes that integrate academic depth with practical training, producing graduates who are competent, innovative and future-ready.

Skill–Work Integrated Program (SWIP)

A hallmark of Duke International University, the Skill–Work Integrated Program (SWIP) is a distinctive educational model that seamlessly blends classroom learning with real-world industry experience. Through this program, students truly “*learn while they earn*” by participating in internships, apprenticeships and live industry projects alongside their academic studies.

This integrated approach offers significant benefits to all stakeholders:

- **For Students:** Financial independence, enhanced career readiness, hands-on workplace exposure and improved employability prospects.
- **For Industry Partners:** Access to motivated and skilled talent, reduced training and on boarding costs and improved workforce retention.

VISION, MISSION AND CORE VALUES

Our Vision

To emerge as a globally recognized center of excellence in higher education, research and innovation, committed to nurturing responsible leaders, entrepreneurs and professionals who contribute meaningfully to society. Duke International University envisions creating an inclusive, sustainable and knowledge-driven future by blending academic rigor with industry relevance and human values.

Our Mission

1. To deliver cutting-edge, skill-oriented and multidisciplinary education aligned with national and global needs.
2. To integrate academic knowledge with practical training, fostering innovation, research and entrepreneurship.
3. To build strong collaborations with industry, government and global institutions to enhance impactful learning and employability.
4. To nurture an inclusive learning environment that promotes creativity, critical thinking and ethical values.
5. To equip students with 21st-century skills, preparing them for leadership roles across diverse sectors of society and the economy.
6. To provide quality, inclusive and affordable education that empowers learners to achieve academic excellence and professional success.

CORE VALUES

• Excellence in Education

Commitment to providing high-quality, innovative and research-driven learning experiences.

• Integrity & Ethics

Upholding honesty, transparency and accountability in all academic and administrative practices.

• Student-Centric Approach

Prioritizing the holistic growth, well-being and success of every learner.

• Innovation & Entrepreneurship

Encouraging creativity, problem-solving and entrepreneurial mindsets to meet global challenges.

• Diversity & Inclusion

Promoting respect, equity and equal opportunities for all, regardless of background.

• Community Engagement

Building strong connections with local communities to contribute to social and economic development.

• Sustainability & Responsibility

Preserving the natural environment and fostering sustainable practices for future generations.

• Collaboration & Partnerships

Working with industries, institutions and global partners to achieve shared success.

• Lifelong Learning

Inspiring adaptability and continuous personal and professional growth.

• Cultural Heritage & Global Outlook

Balancing the preservation of local traditions with openness to global knowledge and perspectives.

Thank You Message Governor Shri Om Prakash Mathur Ji

Thank You Message

Respected Hon'ble Governor of Sikkim,
Shri Om Prakash Mathur Ji,

I express my deepest and most sincere gratitude to Your Excellency for granting me the esteemed opportunity to serve the people of Sikkim through **Duke International University** in the responsible position of **Vice Chancellor**. It is a profound honour and a privilege to be entrusted with this role, and I humbly acknowledge the confidence, guidance, and encouragement extended to me.

Duke International University is envisioned as a centre of academic excellence dedicated to delivering quality higher education, promoting skill development, advancing research, and fostering innovation. Guided by the transformative principles of the **National Education Policy (NEP) 2020**, the University is committed to providing industry-relevant, skill-oriented, and future-ready education that equips learners to meet evolving national and global challenges .

Our academic philosophy focuses on creating an inclusive, dynamic, and learner-centric ecosystem where education is seamlessly integrated with employability, entrepreneurship, research, and societal engagement. Through strong industry linkages, vocational and professional programs, interdisciplinary research initiatives, and community-focused learning, the University aspires to nurture responsible citizens, competent professionals, and ethical leaders.

With humility, dedication, and a strong sense of responsibility, I look forward to contributing meaningfully to the academic, social, and economic development of Sikkim. I am committed to strengthening youth potential, encouraging innovation-driven growth, and supporting sustainable development initiatives aligned with the state's aspirations.

I assure Your Excellency of my unwavering commitment to uphold the highest standards of integrity, excellence, and service while advancing the mission and vision of Duke International University in the service of the people of Sikkim.

With respectful regards,

Vice Chancellor
Duke International University

Thank You Message Chief Minister of Sikkim, Shri Prem Singh Tamang Ji

Thank You Message

Respected Hon'ble Chief Minister of Sikkim,
Shri Prem Singh Tamang Ji,

I express my sincere and heartfelt gratitude to you for granting me the esteemed opportunity to serve the people of Sikkim through **Duke International University** in the capacity of **Vice Chancellor**. This responsibility is a matter of great honour for me, and I am deeply thankful for the trust, confidence, and guidance bestowed upon me by your visionary leadership.

Duke International University is envisioned as a centre of excellence dedicated to quality higher education, skill development, research, and innovation. In alignment with the progressive vision of the **National Education Policy (NEP) 2020**, the University is committed to delivering industry-relevant, skill-oriented, and future-ready education that empowers learners to respond effectively to national and global challenges.

Our core focus is on creating an inclusive and dynamic academic ecosystem that seamlessly integrates education with employability, entrepreneurship, research, and societal development. Through strong industry collaborations, vocational and professional programs, work-integrated learning, and a learner-centric approach, the University aims to nurture responsible citizens, skilled professionals, and ethical leaders who can contribute meaningfully to society.

With humility and dedication, I look forward to contributing to the academic, social, and economic development of Sikkim by strengthening youth potential, promoting innovation-driven growth, and supporting sustainable development initiatives. I remain firmly committed to upholding the highest standards of integrity, excellence, and service while advancing the mission and vision of Duke International University in alignment with the aspirations of the state.

With deepest respect and gratitude,

Vice Chancellor
Duke International University

VICE CHANCELLOR'S MESSAGE

Prof. Alok Chaturvedi

Dear Students,

It gives me immense pleasure to welcome you to Duke International University. Our institution is founded on the pillars of academic excellence, innovation and holistic development. We are committed to nurturing talented individuals who will contribute meaningfully to society and excel in their chosen fields.

At Duke International University, we strive to provide a world-class learning environment enriched with modern infrastructure, experienced faculty and a student-centric approach. Our focus extends beyond imparting knowledge to fostering critical thinking, creativity, leadership and strong ethical values.

As you embark on your educational journey with us, I encourage you to make the most of the opportunities available, actively participate in academic and co-curricular activities and work towards building a bright and successful future.

The University will support you at every step as you work towards achieving your aspirations.

Wishing you success, growth and fulfillment in the years ahead.

Warm regards,

**Prof. Alok Chaturvedi
Vice Chancellor
Duke International University**

REGISTRAR MESSAGE

Dr. Pradeep Tiwari

Dear Students,

It is my privilege to extend a warm welcome to you on behalf of Duke International University. As the Registrar, I am committed to ensuring the smooth and efficient functioning of all academic, administrative and student-related processes of the University.

At Duke International University, we emphasize transparency, efficiency and student-centric governance. Our objective is to provide seamless support to students at every stage—from admission and academic progression to examinations and certification—while upholding the highest standards of integrity and excellence in all administrative matters.

The University is dedicated to fostering an environment that promotes learning, innovation and personal development. I encourage you to make full use of the academic resources, mentorship opportunities and support services available to you.

Together, let us work towards building a vibrant academic community where knowledge is pursued with passion and purpose.

Wishing you a rewarding and enriching journey with us.

Warm regards,

**Dr. Pradeep Tiwari
Registrar
Duke International University**

INFRASTRUCTURE AND FACILITIES

INTERACTIVE CENTRE

The Interactive Centre at Duke International University is an elegant, thoughtfully designed seminar and learning space that supports student-driven learning. It facilitates collaborative group discussions, presentation showcases, workshops and multimedia lectures by visiting faculty, creating an ideal environment for students to interact, explore ideas and excel academically.

LIBRARY

Duke International University boasts a modern, fully computerised library featuring an extensive collection of national and international academic books, journals and magazines. With subscriptions to renowned research publications worldwide, the library provides dedicated reading and study areas along with advanced digital infrastructure to ensure a comfortable and enriching learning experience.

CAFETERIA

The University features a well-equipped cafeteria that provides students with access to nutritious meals and refreshments throughout the day. Located within a serene garden courtyard, it offers a relaxed and welcoming space for students to unwind, socialize and rejuvenate between classes.

COMPUTER LAB

Duke International University offers a state-of-the-art Central Computing Facility that supports students, faculty and staff in academic projects, assignments, dissertations and research activities. The facility is spacious and fully equipped with modern hardware and advanced software, providing a professional working environment that reflects real-world industry standards.

INFRASTRUCTURE AND FACILITIES

SCHOLARSHIP & FINANCIAL ASSISTANCE

Duke International University believes that financial constraints should never hinder a student's ambitions and passion for learning. The University offers scholarships and financial assistance to deserving and high-achieving students, supporting their academic goals and innovative ideas with confidence.

HOSTEL ACCOMMODATION

Duke International University offers separate hostel facilities for male and female students from outside the city. The rooms are clean, well-ventilated and equipped with essential amenities, including proper lighting and ceiling fans. Each hostel is supported by adequate sanitary facilities to ensure comfortable living. Hostel accommodation is allotted on a first-come, first-served basis and students opting for hostel residence are required to stay for a minimum period of one academic year.

SPORTS FACILITIES

Duke International University offers a wide range of modern indoor and outdoor sports and recreational facilities designed to promote students' physical fitness, mental well-being and overall holistic development. These facilities are accessible to all students and provide ample opportunities for regular physical activity, encouraging a healthy and balanced lifestyle.

TRANSPORTATION FACILITIES

Duke International University provides reliable and efficient transportation services for the convenience of students and staff through a dedicated fleet of buses. Students wishing to avail themselves of this facility are required to notify the Transport Office at the time of admission.

PROGRAMMES OFFERED

Duke International University offers a diverse range of undergraduate and postgraduate programmes across multiple disciplines, including Commerce, Management, Engineering, Computer Science, Arts, Science, Social Science, Education and Library & Information Science. The University is committed to academic excellence, practical skill development and industry exposure, preparing students for successful career and global opportunities.

FACULTY OF ENGINEERING & TECHNOLOGY

The Faculty of Engineering & Technology at Duke International University is committed to academic excellence, innovation and industry-aligned education. The Faculty offers a transformative learning environment where modern engineering principles meet real-world application. Equipped with advanced laboratories, smart classrooms and state-of-the-art research facilities, students explore emerging technologies in civil engineering, electrical engineering, computer engineering, robotics, renewable energy and advanced manufacturing. The highly qualified and experienced faculty members place strong emphasis on hands-on learning, problem-solving and critical thinking through projects, internships, industrial training and collaborative research. Through a curriculum aligned with international standards, students gain not only theoretical knowledge but also essential technical skills, teamwork abilities and ethical values required in the modern engineering profession. The Faculty fosters a culture of innovation by supporting student-led initiatives, engineering clubs and competitions that cultivate leadership qualities and creative thinking. With strong industry linkages, career guidance services and a focus on cutting-edge technologies, the Faculty of Engineering & Technology plays a pivotal role in producing competent, future-ready engineers and technologists who contribute meaningfully to an ever-evolving global landscape.

Course & Streams	Duration	Eligibility
Bachelor of Technology (B.Tech) - Computer Science, Information Technology, Electrical Engineering, Mechanical Engineering, Civil Engineering, Electronics and Communication Engineering	4 Years (8 Semesters)	12th with Science or Equivalent
Master of Technology (M.Tech) - Computer Science, Information Technology, Electrical Engineering, Mechanical Engineering, Civil Engineering, Electronics and Communication Engineering	2 Years (4 Semesters)	B.Tech in relevant stream
Diploma Engineering - Mechanical, Electrical Engineering, Electronics and Communication, Information Technology, Environmental Engineering, Structural Engineering	3 Years (6 Semesters)	X with maths or equivalent from recognized board

FACULTY OF ALLIED HEALTH SCIENCES

The Faculty of Allied Health Sciences at Duke International University is dedicated to producing skilled, compassionate and industry-ready healthcare professionals equipped to meet the growing demands of modern medical and clinical environments. The Faculty offers a diverse range of programmes that integrate advanced scientific knowledge with hands-on clinical training. Students gain practical experience through state-of-the-art laboratories, simulation centers and collaboration with leading hospitals, clinics and research institutions. Area of study include medical laboratory technology, radiologic technology, physiotherapy, public health, nutrition and emergency medical care. Guided by experienced educators and healthcare specialists, students are trained in ethical practice, patient-centered care, professional communication and evidence-based decision-making. Through interdisciplinary collaboration, community outreach programs, research opportunities and continuous skill development, the Faculty of Allied Health Sciences fosters a learning environment where students are encouraged to innovate, lead and contribute meaningfully to global health solutions. With its strong foundation in academic quality, modern facilities and a holistic approach to healthcare education, the Faculty continues to play a vital role in shaping competent healthcare practitioners who are prepared to serve society with dedication, knowledge and integrity.

Course & Streams	Duration	Eligibility
Bachelor of Science (B.Sc) in Medical Laboratory Technology, Medical Record Technology, Health Safety and Environment	3 Years (6 Semesters)	10+2 with Science, PCB from a Recognized Board
BMLT, BRIT	3 Years (6 Semesters)	10+2 with PCB from a Recognized Board
Certificate in Medical Dresser, Dental Technician & Hygiene, ECG Technician, Medical Lab Technology, Ultra Sound Technology, X-Ray Technician, CT Scan Technician	3 Years (6 Semesters)	10+2 with PCB from a Recognized Board
Diploma in ECG Technician, Medical Lab Technology, Multipurpose Health Worker, Ultra Sound Technology, X-Ray Technician, CT Scan Technician	2 Years (4 Semesters)	10+2 with Science from a Recognized Board
Diploma in Community Medical Service and Essential Drugs	1.5 Years (3 Semesters)	XII with Science from Recognized Board

FACULTY OF COMMERCE & MANAGEMENT

The Faculty of Commerce and Management at Duke International University serves as a center of excellence in business education, committed to developing future leaders, entrepreneurs and professionals capable of thriving in a competitive global economy. The Faculty offers programmes in accounting, finance, marketing, human resource management, business administration, entrepreneurship and supply chain management. Supported by experienced academicians, business experts and industry practitioners, students develop critical thinking, strategic decision-making and innovative problem-solving abilities.

Modern facilities, digital learning platforms and business simulation labs ensure that students receive hands-on exposure to current business tools and technologies. The Faculty encourages students to participate in internships, research projects, business competitions, seminars and workshops, strengthening their professional networks and enhancing their career readiness. By promoting leadership development, ethical business practices and global perspectives, the Faculty of Commerce and Management at Duke International University continues to shape competent, confident and socially responsible business professionals capable of contributing meaningfully to organizations and economies worldwide.

Course & Streams	Duration	Eligibility
Master of Commerce (M.Com)	2 Years (4 Semesters)	B.Com. or Equivalent
Bachelor of Commerce (B.Com)	3 Years (6 Semesters)	10+2 (Higher Secondary) from a recognized board
B.Com. (Honours), B.Com. (Honours with Research)	4 Years (8 Semesters)	10+2 (Higher Secondary) from a recognized board
Bachelor of Business Administration (B.B.A.)	3 Years (6 Semesters)	XII from recognized board
B.B.A. (Honours), B.B.A. (Honours with Research) General	4 Years (8 Semesters)	XII from recognized board
Bachelor of Business Administration (BBA) in Marketing, Finance, Human Resource Management, Real Estate Valuation, Digital Marketing, Supply Chain Management, E-Commerce	3 Years (6 Semesters)	XII from recognized board
Master of Business Administration (MBA)- Banking and Insurance, Information Technology, Sports Management, Aviation Management, Agri-Business Management, Real Estate Management	2 Years (4 Semesters)	Bachelor Degree
Executive- Master of Business Administration (E-MBA)- Marketing, Finance, Human Resource Management, International Business, Digital Marketing	1 Year (2 Semesters)	Graduation with 2 Years Working Experience
Bachelor of Hotel Management and Catering Technology (BHMCT)	4 Years (8 Semesters)	XII from recognized board
Post Graduate Diploma in Media and Entertainment Management, Taxation, Risk Management, Production Management, Disaster Management, Fire and Safety Management	2 Years (4 Semesters)	Bachelor Degree with minimum 45% marks or equivalent grades
Diploma in Marketing, Finance, Human Resource Management, International Business, Project Management, Strategic Management	2 Years (4 Semesters)	XII from recognized board

FACULTY OF COMPUTER SCIENCE & TECHNOLOGY

The Faculty of Computer Science & Technology is a forward-looking academic division dedicated to innovation, research and professional expertise in the fast-evolving world of computing. It offers a comprehensive range of programmes that cover fundamental and emerging areas such as programming, algorithms, artificial intelligence, data science, cybersecurity, networking, software engineering and information systems. The Faculty aims to equip students with strong theoretical foundations as well as hands-on technical skills through modern laboratories, project-based learning, industry collaborations and exposure to real-world technological challenges. With a team of qualified educators, researchers and technical experts, the Faculty fosters an environment that encourages analytical thinking, creativity, problem-solving and research excellence. Its curriculum is designed to meet global industry standards, preparing graduates for competitive careers in IT, software development, data analytics, research and technology-driven sectors.

Course & Streams	Duration	Eligibility
Master of Computer Application (M.C.A)	2 Years (4 Semesters)	BCA, PGDCA, Graduation with Maths or Equivalent
Post Graduate Diploma in Computer Application (PGDCA)	1 Year (2 Semesters)	Graduation with 50% marks
Diploma in Computer Application (D.C.A.)	1 Year (2 Semesters)	12th with Maths or Equivalent
Bachelor of Computer Application (B.C.A.)	3 Years (6 Semesters)	12th with Maths or Equivalent
B.C.A. (Honours) , B.C.A. (Honours with Research)	4 Years (8 Semesters)	12th with Maths or Equivalent
Master of Science (M.Sc.)- Computer Science, Information Technology	2 Years (4 Semesters)	Graduation in relevant stream
Bachelor in - Computer Science, Information Technology	3 Years (6 Semesters)	12th with Science-Relevant from recognized board
B.Sc. (Honours) , B.Sc. (Honours with Research) Computer Science, Information Technology	4 Years (8 Semesters)	12th with Science-Relevant from recognized board

FACULTY OF EDUCATION & SPORTS

The Faculty of Education & Sports is a vibrant academic division committed to developing competent educators, coaches and sports professionals who contribute meaningfully to society. It combines the principles of modern pedagogy with the scientific study of physical education, training students to understand both the intellectual and physical dimensions of human development. The Faculty offers programmes that encompass teaching methodologies, educational psychology, curriculum development, inclusive education, sports science, fitness training, kinesiology and health education. With well-equipped classrooms, training grounds and sports facilities, the Faculty focuses on experiential learning, practical teaching sessions, coaching practice and team-based sporting activities. Supported by experienced educators, trainers and industry specialists, students cultivate encourages leadership, discipline, teamwork and holistic development. The Faculty of Education & Sports prepares graduates to become competent teachers, coaches, sports administrators, fitness professionals and physical education specialists.

Course & Streams	Duration	Eligibility
Master of Physical Education and Sports (M.P.E.S.)	2 Years (4 Semesters)	B.PES., B.PED., Graduation in sports or Equivalent
Bachelor of Physical Education and Sports (B.P.E.S.)	3 Years (6 Semesters)	10+2 (Higher Secondary) from a recognized board
B.P.E.S. (Honours), B.P.E.S. (Honours with Research)	4 Years (8 Semesters)	10+2 (Higher Secondary) from a recognized board
Master of Arts (M.A.) in Education	2 Years (4 Semesters)	Graduation with relevant or Allied Subject
Bachelor in Education	3 Years (6 Semesters)	10+2 (Higher Secondary) from a recognized board
B.A. (Honours), B.A. (Honours with Research) in Education	4 Years (8 Semesters)	10+2 (Higher Secondary) from a recognized board
Post Graduate Diploma in Guidance & Counseling, Early Childhood Care & Education	1 Year (2 Semesters)	Graduation with minimum 45% marks or equivalent grades

FACULTY OF JOURNALISM & MASS COMMUNICATION

The Faculty of Journalism & Mass Communication at Duke International University (DIU) is a progressive and dynamic academic unit dedicated to shaping skilled, responsible and forward-thinking media professionals. Committed to excellence in both theory and practice, the Faculty offers a holistic curriculum that integrates core areas of journalism, mass communication, public relations, digital media, advertising and multimedia storytelling. Students are trained to understand the evolving landscape of global communication while developing strong competencies in news writing, investigative reporting, video production, audio editing, photography and digital content creation. The Faculty emphasizes ethical journalism, critical thinking and social responsibility, encouraging learners to explore the power of media in shaping public opinion and influencing societal change. With modern facilities, expert faculty members, workshops, seminars and opportunities for internships in reputable media houses, DIU provides a vibrant learning environment where students gain real-world exposure and professional confidence. Through its commitment to innovation, creativity, and academic excellence, the Faculty of Journalism & Mass Communication strives to prepare students not only for successful careers in media but also for meaningful contributions to society as informed, articulate and responsible communicators.

Course & Streams	Duration	Eligibility
Diploma in Journalism and Mass Communication	1 Year (2 Semesters)	10+2 (Higher Secondary) from a recognized board
Bachelor in Journalism and Mass Communication	3 Years (6 Semesters)	10+2 (Higher Secondary) from a recognized board
B.A. (Honours), B.A. (Honours with Research) in Journalism and Mass Communication	4 Years (8 Semesters)	10+2 (Higher Secondary) from a recognized board
Master of Arts (M.A.) in Journalism and Mass Communication	2 Years (4 Semesters)	Graduation
Post Graduate Diploma in Journalism and Mass Communication	1 Year (2 Semesters)	Graduation

FACULTY OF ARTS & SOCIAL SCIENCE

The Faculty of Arts & Social Science at Duke International University (DIU) is a dynamic academic division dedicated to fostering intellectual curiosity, cultural understanding, and strong analytical abilities among students. It offers a broad spectrum of programmes in Sociology, Psychology, Political Science, English, Economics, History, Philosophy and Development Studies, allowing learners to explore the complexities of human behavior, society and global affairs. With a commitment to multidisciplinary learning, the Faculty encourages students to connect ideas across various fields, developing critical thinking, communication skills and social responsibility.

DIU provides an enriching educational environment supported by qualified faculty members, modern learning resources, research opportunities and interactive classroom experiences. Through seminars, workshops, field studies, community engagement activities and research projects, students are prepared to become thoughtful leaders, informed citizens and socially responsible professionals. By nurturing creativity, ethical values and a broad worldview, the Faculty of Arts & Social Science strives to empower individuals to succeed academically, professionally and socially while making positive contributions to society.

Course & Streams	Duration	Eligibility
Bachelor of Arts (B.A.)	3 Years (6 Semesters)	10+2 (Higher Secondary) from a recognized board
Bachelor in English, Hindi, Sanskrit, Sociology, History, Political Science	3 Years (6 Semesters)	10+2 (Higher Secondary) from a recognized board
B.A. (Honours), B.A. (Honours with Research) in Economics, Public Administration, Geography, Rural Development, Visual Arts, Fine Arts	4 Years (8 Semesters)	10+2 (Higher Secondary) from a recognized board
Bachelor of Arts (B.A.)- Additional in English, Hindi, Sanskrit, Sociology, History, Political Science	1 Year (2 Semesters)	Graduation in relevant stream with minimum 45% marks or equivalent grades
Bachelor of Fine Arts (B.F.A.)	4 Years (8 Semesters)	XII from recognized board
Master of Fine Arts (M.F.A.)	2 Years (4 Semesters)	BFA or Equivalent
Master of Arts (M.A.) in Public Administration, Geography, Rural Development, Human Rights, International Relations, Visual Art	2 Years (4 Semesters)	Graduation with relevant or Allied Subject
Bachelor of Social Work (B.S.W)	3 Years (6 Semesters)	10+2 (Higher Secondary) from a recognized board
B.S.W. (Honours) , B.S.W. (Honours with Research)	4 Years (8 Semesters)	10+2 (Higher Secondary) from a recognized board
Master of Social Work (M.S.W)	2 Years (4 Semesters)	BSW or Equivalent
PG Diploma in Psychology and Counselling	1 Years (2 Semesters)	Graduation from recognized University

FACULTY OF SCIENCE

The Faculty of Science at Duke International University (DIU) is a forward-looking academic division committed to advancing scientific knowledge, innovation and research excellence across a wide range of disciplines, including physics, chemistry, mathematics, botany, environmental science and zoology. The Faculty provides students with a solid foundation in theoretical principles and practical laboratory skills through hands-on learning, field studies and project-based research. DIU encourages scientific curiosity, critical thinking and problem-solving abilities, enabling students to interpret data, apply scientific methods and address complex global challenges.

Supported by experienced faculty, advanced laboratories, academic seminars and collaborative research opportunities, students are encouraged to innovate, question and discover. By nurturing a strong culture of inquiry, creativity and ethical responsibility, the Faculty of Science prepares graduates to excel in scientific careers and contribute meaningfully to technological advancement and solutions to environmental, health and societal challenges.

Course & Streams	Duration	Eligibility
Master of Science (M.Sc.) in Botany, Physics, Chemistry, Mathematics, Zoology, Environmental Science	2 Years (4 Semesters)	Graduation in relevant stream
Bachelor of Science (B.Sc.) in Zoology, Botany, Chemistry (ZBC), Physics, Chemistry, Mathematics (PCM)	3 Years (6 Semesters)	12th with Science-Relevant From recognized board
Bachelor in Botany, Physics, Chemistry, Mathematics, Zoology, Statistics, Yoga	3 Years (6 Semesters)	12th with Science-Relevant From recognized board
B.Sc. (Honours), B.Sc. (Honours with Research) in Mathematics, Zoology, Environmental Science, Statistics, Home Science, Yoga	4 Years (8 Semesters)	12th with Science-Relevant from recognized board

FACULTY OF AGRICULTURE SCIENCE

The Faculty of Agriculture Science at Duke International University (DIU) is a progressive academic unit committed to advancing agricultural knowledge, sustainable development and innovative farming practices through scientific research, practical training and modern technology. The Faculty offers comprehensive programmes in agronomy, horticulture, soil science, agricultural biotechnology, plant protection, agricultural economics and sustainable agriculture. DIU provides students with hands-on learning experiences through well-equipped laboratories, experimental farms, greenhouses and field-based research projects that allow them to apply theoretical concepts to real-world agricultural challenges.

The Faculty emphasizes sustainable farming, food security, climate-smart agriculture and modern production techniques to prepare students for the rapidly changing global agricultural landscape. With guidance from experienced educators and researchers, students develop strong skills in problem-solving, innovation, scientific analysis and environmental stewardship. Through workshops, internships, community outreach and industry collaboration, learners gain practical exposure to professional opportunities in the agricultural sector. The Faculty of Agriculture Science equips graduates to contribute meaningfully to agricultural development, rural livelihoods, environmental conservation and the long-term sustainability of food systems locally and globally.

Course & Streams	Duration	Eligibility
Master of Science (M.Sc.) in Agriculture (Agronomy)	2 Years (4 Semesters)	B.Sc. (Agriculture) or Equivalent
Bachelor of Science (B.Sc.) - Honours in Agriculture	4 Years (8 Semesters)	10+2 (Higher Secondary) with Science from a recognized board or Equivalent
Diploma in Agriculture	2 Years (4 Semesters)	10+2 (Higher Secondary) with Science from a recognized board or Equivalent

FACULTY OF LIBRARY & INFORMATION SCIENCE

The Faculty of Library & Information Science at Duke International University (DIU) is dedicated to shaping knowledgeable, skilled and technology- oriented professionals capable of managing information in today's rapidly evolving digital world. The Faculty offers a comprehensive curriculum that blends traditional library science with modern information management practices, covering areas such as cataloguing, classification, digital archiving, information retrieval, database management, knowledge organization and library administration. DIU emphasizes both theoretical understanding and practical application by providing access to well-equipped libraries, digital resource centers and hands-on training in modern library technologies and software. Through research projects, internships, workshops and community engagement activities, students learn to organize information efficiently, support research needs, manage digital resources and provide effective information services to diverse user groups. Guided by experienced faculty members, learners also develop essential skills in communication, critical thinking, problem-solving and ethical information handling. The Faculty of Library & Information Science prepares graduates to thrive in libraries, archives, research institutions, educational organizations and various digital information environments in an increasingly knowledge-driven society.

Course & Streams	Duration	Eligibility
Bachelor of Library and Information Science (B.LIS.)	1 Year (2 Semesters)	Graduation
Master of Library and Information Science (M.LIS.)	1 Year (2 Semesters)	B.LIB. , B.LIS.
Diploma in Library and Information Science (D.LIS.)	1 Year (2 Semesters)	12th from recognized board

FACULTY OF FASHION, ANIMATION & DESIGN

The Faculty of Fashion, Animation & Design at Duke International University (DIU) is a vibrant and creative academic hub dedicated to nurturing artistic talent, technical skills and innovative thinking in students who aspire to build careers in the global creative industries. The Faculty offers a diverse range of programmes in fashion design, textile design, animation, graphic design, multimedia arts, visual communication, interior design and digital illustration.

DIU provides an inspiring learning environment equipped with fashion studios, design labs, digital animation suites, sewing and pattern-making workshops and multimedia production facilities. These resources enables students to gain hands-on experience in transforming creative ideas into professional-quality outcomes. With guidance from experienced faculty members and industry experts, students develop strong foundations in design principles, storytelling, digital modeling, character design, garment construction, colour theory and creative problem-solving. The Faculty emphasizes portfolio development, trend analysis, sustainable design practices and practical exposure through competitions, exhibitions, internships and industry collaborations. Through a blend of artistic exploration, technical mastery and real-world experience, the Faculty of Fashion, Animation & Design empowers students to become innovative designers, skilled animators and creative professionals ready to thrive in fashion houses, studios, advertising agencies, entertainment companies and other creative sectors worldwide.

Course & Streams	Duration	Eligibility
Master of Science (M.Sc.) - Fashion Designing, Interior Designing, Graphics Design, Animation and VFX, Animation, Graphic and Web Designing	2 Years (4 Semesters)	Graduation in relevant stream with minimum 45% marks or equivalent
Bachelor in Video Editing and VFX, 3D Animation and Visual Effects, Beauty Care and Health, Textile Design, Fashion & Apparel Design, Dramatics	3 Years (6 Semesters)	10+2 (Higher Secondary) with Science from a recognized board or Equivalent
B.Sc. (Honours), B.Sc. (Honours with Research) in Fashion Designing, Interior Designing, Graphics Design, Animation and VFX	4 Years (8 Semesters)	10+2 (Higher Secondary) with Science from a recognized board or Equivalent
M.Des.	2 Years (4 Semesters)	Graduation in relevant stream
B.Des	4 Years (8 Semesters)	10+2 (Higher Secondary) with Science from a recognized board or Equivalent
Post Graduate Diploma in Fashion Designing, Interior Designing, Graphics Design, Animation and VFX, Animation, Graphic and Web Designing	1 Year (2 Semesters)	Graduation in relevant stream
Diploma in 3D Animation and Visual Effects, Beauty Care and Health, Textile Design, Fashion & Apparel Design, Dramatics, Cinematics	1 Year (2 Semesters)	XII from recognized board

FACULTY OF VOCATIONAL EDUCATION

The Faculty of Vocational Education at Duke International University (DIU) is committed to empowering students with practical skills, hands-on training and industry-ready competencies that prepare them for immediate employment and long-term career growth. This Faculty offers a wide range of vocational programmes designed to meet modern workforce demands, including technical trades, hospitality and tourism, entrepreneurship, information technology, healthcare support, office management, beauty and wellness, and various skill-development courses designed to meet industry standards.

DIU emphasizes a learning environment where theory is combined with extensive practical application through workshops, laboratories, training centers, internship and real-world project work. Under the guidance of experienced instructors and industry professionals, students develop technical proficiency, workplace discipline, problem-solving abilities and professional confidence.

The Faculty also provides internship opportunities, skill-assessment sessions, career counselling and exposure to real industrial settings to enhance professional readiness. By focusing on employability, innovation and competency-based learning, the Faculty of Vocational Education plays a vital role in developing a skilled manpower capable of contributing effectively to national development, economic growth and community advancement. It equips learners not only with job-specific skills but also with the confidence and adaptability to succeed in an ever-changing professional world.

Course & Streams	Duration	Eligibility
Certificate in Medical Laboratory Technology, Orthopedic Technology, Medical Record Technology, Ophthalmic Technology, Medical Instrumentation Technology, Public Health and Sanitation	6 Months	12th or equivalent, in any stream
D.Voc. (Diploma in Vocation) Health and Safety Management, Medical Transcription, Fashion Design and Technology, Interior Design and Decoration, Animation, Critical Care Technology	1 Year	12th or equivalent, in any stream
A.D.Voc. (Advanced Diploma in Vocation) Artificial Intelligence, Machine Learning, Cloud Computing, Event Management, Photography, Green House Technology	2 Years	12th or equivalent, in any Stream
B.Voc. (Bachelor of Vocation) - Game Design and Development, Graphic Designing, Hotel Management, Sustainable Development, Jewellery Designing, Leather Technology	3 Years	12th or equivalent, in any Stream
P.G. Diploma in Waste Management, Sports Management, Vehicle Maintenance and Servicing, Web Designing, Software Testing, Quality Assurance	1 Year	B.Voc. or Graduation in relevant stream
M.Voc. (Master of Vocation) - Furniture Design, Hospital Administration, Insurance and Risk Management, Material Science, Nanotechnology, Packaging Technology	2 Years	B.Voc. or Graduation in relevant stream

RESEARCH PROGRAMME

The Research Programme at Duke International University (DIU) is a cornerstone of the University's commitment to innovation, knowledge creation and academic excellence. Designed to foster a vibrant research culture across all faculties, the programme encourages students, scholars and faculty members to undertake meaningful investigations that address real-world challenges and contribute to scientific, social, technological and cultural advancement.

DIU provides a supportive research environment with access to modern laboratories, digital libraries, research centers, fieldwork opportunities and interdisciplinary collaboration. This enables researchers to explore new ideas with depth, rigor and precision. The programme focuses on developing strong research skills, including critical analysis, data collection, academic writing, experimentation, statistical interpretation and ethical research practices.

Students are encouraged to participate in conferences, publish in academic journals and contribute to community-based research projects with practical societal impact. Experienced supervisors and expert mentors guide learners through the research process, helping them refine their objectives, methodologies and scholarly contributions. Through research grants, funding support, workshops and international collaborations, DIU promotes innovation and global exposure, empowering researchers to pursue groundbreaking work across fields such as science, social science, technology, agriculture, humanities and vocational studies. The Research Programme at Duke International University aims to cultivate a new generation of thinkers, innovators and problem-solvers who contribute to national development and global knowledge.

Course & Streams	Duration	Eligibility
Doctor of Philosophy (Ph.D.) in All Running Departments in the University	Minimum 3 Years	Master Degree from recognized university with minimum 55% marks or equivalent

ADMISSION PROCESS

The applicant has to register on the online admission portal of the University by filling the Application form.

STEP

1

Register Yourself

Fill up the Registration Form for Admission, Once you have registered, you will receive an automated email with a verification link. Clicking on the link will verify your email id and allow you to fill your Online Application for Admission and to upload the required documents. This process can also be done offline.

STEP

2

Pay Application Fee

Pay an application processing fee via Credit Card/Debit Card/UPI/Netbanking. The application processing fee is non-refundable. The Online registration for Admission would be considered complete only when the applicant has paid the application processing fee.

STEP

3

Submit Application by Post

On completion of the above-mentioned steps, download and take print out of the submitted online application and dispatch along with complete enclosures in all respects by courier or speed post to University main campus at Geyzing, Sikkim. The University shall not be responsible for any postal delay or loss in transit.

STEP

4

Payment of Programme Fees

Once the admission is approved by the university, applicants shall be provided with link to pay their fees. The admission shall be cancelled if the applicant has not paid the fee within the allocated time. On successful payment of fees, the applicant is granted provisional admission.

STEP

5

Verification of the Submitted Documents

The uploaded documents shall be verified by the University in due course of time. If at this stage, the documents submitted by the applicants are found to be faulty, the admission shall be cancelled immediately.

WHY CHOOSE DUKE INTERNATIONAL UNIVERSITY?

**State- of- the- art
Residential Campus**

**Scholarships &
Financial Assistance**

**Well stocked Library
with online database**

Smart Classrooms

**Industry- oriented
Curriculum**

**Hands-on Training &
Internship**

**Mentors From
Industry & Academic**

Global Opportunities

**Holistic Development
of both academic &
non-academic spheres**

**Fully equipped
Laboratories including
highly sophisticated
instruments**

ANTI-RAGGING POLICY

Duke International University (DIU) enforces a strict zero-tolerance policy against ragging on campus and in all university-related environments. Ragging includes any act that causes teasing, harassment, humiliation, abuse, physical or psychological harm, coercion, extortion, disruption of academic activities, sexual harassment, public disgrace, cyberbullying or any conduct that adversely affects the dignity, self-respect or well-being of a student. If any incident of ragging comes to the notice, it should be immediately reported to the Anti-Ragging squad or the Dean or Head of the University.

SAY NO TO RAGGING

PUNISHMENT FOR RAGGING

- Cancellation of admission
- Suspension from classes
- withholding of examination results
- Debarring from appearing in any test/examination
- Rustication from the University
- Fine with a public apology
