CAPABILITY STATEMENT

ABOUT PRINTER SUPPLIES and MORE

Printer Supplies and More was founded in 2018. Based in WV they deliver on a local basis & drop ship nationwide. A distributor of OEM & Compatible products for office printer equipment and have over 30 years of imaging supply experience. They carry a large assortment of remanufactured laser & inkjet cartridges with high availability. Promising swift fulfillment, world-class customer care & substantial cost savings. Printer Supplies and More also assists with free over the phone technical support helping customers with any questions they may have about printing issues that arise. They take pride in a direct charitable contribution for every cartridge sold and are committed to environmental leadership in all business activities. We are devoted to ensuring that our products and suppliers follow responsible social and business practices. Dedicating and serving the community and environment is our specialty.
