Welcome Guide for FCCC School Onboarding Collaborators

"Nurturing Tomorrow's Chefs Today"

Dear Collaborators,

We are excited to welcome you to the Future Culinary Chef Club (FCCC) School Onboarding Program. Together, we are building a movement that introduces culinary creativity, healthy living, and essential life skills into schools.

As a collaborator, you are a valued partner in this journey. This guide is designed to give you all the information, tools, and confidence you need to introduce FCCC to schools and earn long-term rewards while creating impact.

Who We Are

FCCC is a child-focused culinary education club founded in 2020 under the vision of Tablefo4 Events.

Our Mission

To nurture the next generation of confident, creative, and healthy young chefs.

Our Program

Hands-on cooking sessions, food creativity activities, nutrition education, competitions, and more.

Why FCCC In Schools?

Enhances children's
creativity and confidence.

Creates a unique selling point for
schools competing for parent choice.

Encourages healthy eating
and lifestyle habits.

Builds life skills (teamwork,
discipline, problem-solving)

Engages parents and enhances
a school's extracurricular profile.

**Schools that partner with FCCC stand out and
attract more parents.**

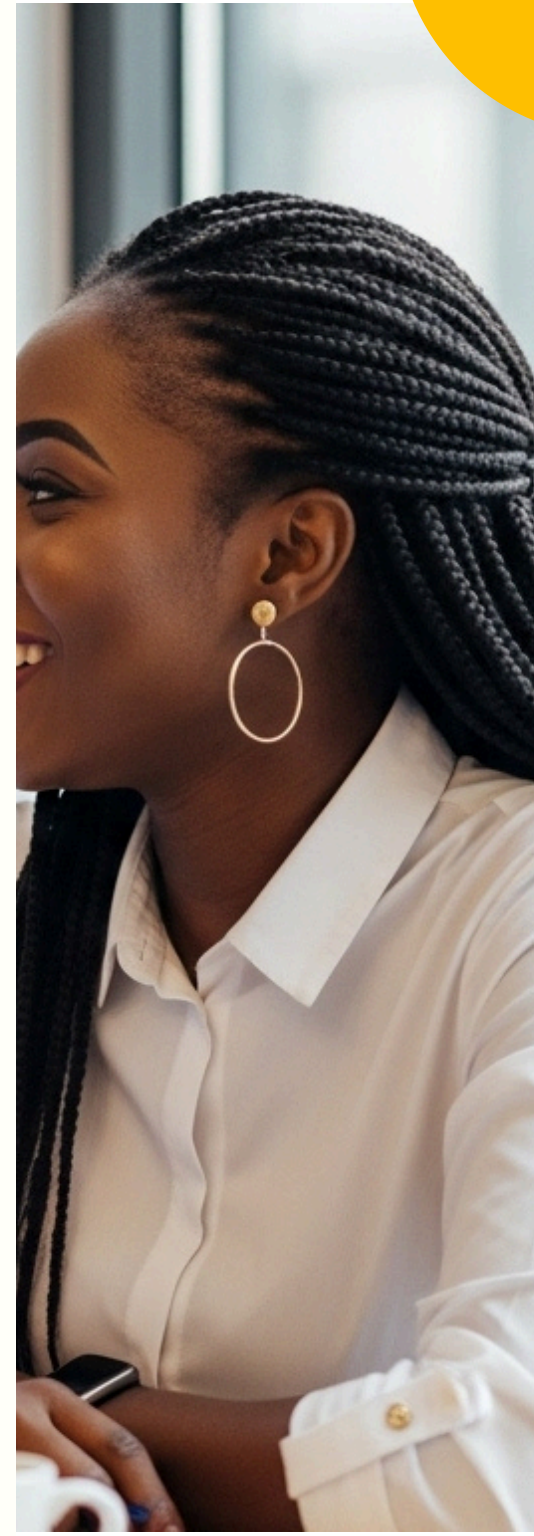

Your Role as a Collaborator

- Introduce FCCC to schools within your network. ✓
- Share our program highlights and answer basic questions. ✓
- Collect school information and pass it to the FCCC team. ✓
- Maintain positive communication with schools until FCCC finalizes onboarding. ✓

The Commission Structure

We believe in rewarding our partners:

Commission Rules

- **10% commission on the first payment** made by each school you onboard.
- **2% lifetime commission** for as long as the school remains subscribed.

Example

If a school subscribes at ₦600,000

→

You earn ₦60,000 upfront + continuous commission every renewal.

Step-by-Step Onboarding Process

Identify a school that could benefit from FCCC.

Introduce FCCC using the pitch script, flyer, or presentation deck.

Collect key details using the School Information Form.

Connect FCCC team with the school administrator

Track your schools you'll be updated on the status and payments

Earn your commission once the school makes payment.

The Future Culinary Chef Club

Pitch Script

(Quick Guide)

When meeting a school owner/administrator, you can say:

Good morning, I'd like to introduce you to the Future Culinary Chef Club – a unique extracurricular program that helps schools enrich students' learning through food creativity, cooking, and nutrition education. It's designed for children ages 5–19 and has been proven to build life skills, confidence, and healthy habits. I believe this program could add great value to your school community."

FAQs You May Encounter

Q: We already have extracurricular activities. Why do we need FCCC?

A: FCCC complements existing programs by offering life skills that directly connect with everyday living—cooking, creativity, and healthy living.

Q: What about food safety?

A: FCCC ensures strict child-safe kitchen practices and uses age-appropriate tools.

Q: Is it affordable for parents?

A: Yes. Our subscription plans are flexible and designed for inclusivity.
