

Working with a lender who understands the VA Loan will help you serve more qualifying Active Duty Military, Reservists, National Guard, Veterans, and Eligible Surviving Spouses and make their homeownership dreams come true.

Benefits of Working with VA Buyers:

Once a Veteran has earned VA Home Loan eligibility, it never goes away!

The VA Loan can be used multiple times, even if the homeowner has purchased a home with the VA Loan previously.

If you'd like to learn more about working with VA Buyers, let me know.
